Bishop, and C. Thomas Howell. This riveting true story of courage, strength, and football at the height of racial tension in Birmingham, Alabama tells the story of Coach Tandy Gerelds, his running back Tony Nathan, and a high school football game that healed a city. In the midst of violent, impassioned racial tensions in Birmingham, Alabama, new football coach, Tandy Gerelds, was struggling to create a winning football team at Woodlawn High School—one of the last

schools in Birmingham to integrate. The team he was handed did not have the caliber of players he needed to win—until he saw Tony Nathan run. But Tony was African American and Coach Gerelds knew that putting him in as running back would be like drawing a target on his own back and the back of his soon-to-be star player. But Coach Gerelds saw something in Tony, and he knew that his decision to let him play was about more than football. It was about doing what was

right for the school—and the city. And soon, the only place in the city where blacks and whites got along was on Coach Gerelds' s football team. With the help of a new school chaplain, Tony learned to look beyond himself and realized that there was more at stake than winning a game. In 1974, Coach Gerelds' s interracial team made Alabama history drawing 42,000 fans into the stadium to watch them play. It was this game that triggered the unity and support of the Woodlawn

High School Colonels and that finally allowed a city to heal and taught its citizens how to love.

Peaches, California. The area of the Central Valley where fourteen-year-old Lacey May and her alcoholic mother live was once an agricultural paradise. Now it's an environmental disaster, a place of cracked earth and barren raisin farms. In their desperation, residents have turned to a cult leader named Pastor Vern for guidance. He promises, through secret "assignments," to bring the rain everybody is praying for. Lacey has no reason to doubt the pastor. But then her life explodes in a single unimaginable act of abandonment: her mother, exiled from the community for her sins, leaves Lacey and runs off with a man she barely knows. Abandoned and distraught, Lacey May moves in with her widowed grandma, Cherry, who is more concerned with her taxidermy mouse collection than her own granddaughter. As Lacey May endures the increasingly appalling acts of men who want to write all the rules and begins to uncover the full extent of Pastor Vern's shocking plan to bring fertility back to the land, she decides she must go on a quest to find her mother no matter what it takes. "Examines why the set-in-its-ways Coca Cola Company tampered with a drink that had become an American institution—and blundered into one of the greatest marketing triumphs

of all time."—New York On April 23, 1985, the top executives of the Coca-Cola Company held a press conference in New York City. News had leaked out that Coke, the king of soft drinks, would no longer be produced. In its place the Coca-Cola Company would offer a new drink with a new taste and would dare call it by the old name, Coca-Cola. The new Coke was launched—and the reaction of the American people was immediate and violent: three months of unrelenting protest against the loss of

Coke. So fierce was the reaction across the country that it forced a response from the Coca-Cola Company. Stunned Coca-Cola executives stepped up to the microphone and publicly apologized to the American people. They announced that the company would reissue the original Coca-Cola formula under a new name, Coke Classic. The Real Coke, the Real Story is the behind-the-scenes account of what prompted Coca-Cola to change the taste of its flagship brand—and how

consumers persuaded a corporate giant to bring back America's old friend.

NOW AN ORIGINAL SERIES ON ABC • “Just may be the best new comedy of [the year] . . . based on restaurateur Eddie Huang’s memoir of the

same name . . . [a] classic fresh-out-of-water comedy.”—People “Bawdy and frequently hilarious . . . a surprisingly sophisticated memoir about race and assimilation in America . . . as much James Baldwin and Jay-Z as Amy Tan . . . rowdy [and] vital . . . It’s a book about fitting in by not fitting in at all.”—Dwight Garner, *The New York Times*  
**NATIONAL BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY KIRKUS REVIEWS**  
Assimilating ain’t easy. Eddie Huang was raised by a wild family of FOB (“fresh off the boat”) immigrants—his father a cocksure restaurateur with a

dark past back in Taiwan, his mother a fierce protector and constant threat. Young Eddie tried his hand at everything mainstream America threw his way, from white Jesus to macaroni and cheese, but finally found his home as leader of a rainbow coalition of lost boys up to no good: skate punks, dealers, hip-hop junkies, and sneaker freaks. This is the story of a Chinese-American kid in a could-be-anywhere cul-de-sac blazing his way through America’s deviant subcultures, trying to find himself, ten thousand miles from his legacy and anchored only by his conflicted love for his family and his

---

passion for food. Funny, moving, and stylistically inventive, *Fresh Off the Boat* is more than a radical reimagining of the immigrant memoir—it's the exhilarating story of every American outsider who finds his destiny in the margins. Praise for *Fresh Off the Boat* "Brash and funny . . . outrageous, courageous, moving, ironic and true."—New York Times Book Review "Mercilessly funny and provocative, *Fresh Off the Boat* is also a serious piece of work. Eddie Huang is hunting nothing less than Big Game here. He does everything with style."—Anthony Bourdain "Uproariously funny . . .

emotionally honest."—Chicago Tribune "Huang is a fearless raconteur. [His] writing is at once hilarious and provocative; his incisive wit pulls through like a perfect plate of dan dan noodles."—Interview "Although writing a memoir is an audacious act for a thirty-year-old, it is not nearly as audacious as some of the things Huang did and survived even earlier. . . . Whatever he ends up doing, you can be sure it won't look or sound like anything that's come before. A single, kinetic passage from *Fresh Off the Boat* . . . is all you need to get that straight."—Bookforum

*Biscotti* Kensington Publishing Corporation "A riotous journey into the heart of insanity also known as the State of Florida. Bravo!"—Gary Shteyngart, author of *Lake Success Florida*, circa 1980. Reed Crowe, the eponymous Florida Man, is a middle-aged beach bum, beleaguered and disenfranchised, living on ill-gotten gains deep in the jungly heart of Florida. When sinkholes start opening on Emerald Island, not only are Reed

---

Crowe's seedy businesses—a moribund motel and a shabby amusement park—endangered, but so are his secrets. Crowe, amateur spelunker, begins uncovering artifacts that change his understanding of the island's history, as well as his understanding of his family's birthright as pioneering homesteaders. Meanwhile, there are other Florida men with whom Crowe must contend. Hector "Catface" Morales, a Cuban refugee, trained

assassin, and crack-addicted Marielito, is seeking revenge on Reed for stealing his stash of drugs and leaving him for dead (unbeknownst to Reed) in the wreckage of a plane crash in the Everglades decades ago. Loner and misanthrope Henry Yahchilane, a Seminole native, has something to hide on the island. So does irascible and pervy Wayne Wade, Reed Crowe's childhood friend turned bad penny. Then there are the Florida

women, including Heidi Karavas, Reed Crowe's ex-wife, now a globe-trekking art curator, and Nina Arango, a Cuban refugee and fiercely protective woman with whom Reed Crowe falls in love. There are curses. There are sea monsters. There are biblical storms. There's something called the Jupiter Effect. Ultimately, Florida Man is a generation-spanning story about how a man decides to live his life, and how despite staying

landlocked and stubbornly in one place, the world nevertheless comes to him.
