J.M. Coetzee's work includes *Waiting for the Barbarians*; *Life and Times of Michael K*; *Boyhood*; *Scenes from Provincial Life*; *Youth*; *Disgrace*; and most recently, *Slow Man*. He has won the Booker Prize twice and was awarded the Nobel Prize for Literature in 2003. A collection of essays on literature by one of the world's finest writers. Following on from *Stranger Shores*, which contained J.M. Coetzee's essays from 1986 to 1999, *Inner Workings* gathers together his literary essays from 2000 to 2005. Of the writers discussed in the first half of the book, several – Italo Svevo, Joseph Roth, Bruno Schulz, Sandor Marai – lived through the Austro-Hungarian fin-de-siècle and felt the influence of Schopenhauer, Nietzsche and Freud. Coetzee further explores the work of six of twentieth-century German literature's greatest writers: Robert Musil, Robert Walser, Walter Benjamin (the Arcades Project), Joseph Roth, Gunter Grass, W.G. Sebald, and the poet Paul Celan, in his "wrestlings with the German language." There is an essay on Graham Greene's *Brighton Rock* and on the short fiction of Samuel Beckett, a writer whom Coetzee has long admired. American literature is strongly represented by Walt Whitman through William Faulkner, Saul Bellow and Arthur Miller to Philip Roth. Coetzee rounds off the collection with essays on three fellow Nobel laureates: Nadine Gordimer, Gabriel Garcia Marquez and V.S. Naipaul. "Coetzee the critic is every bit as good as Coetzee the novelist." – Irish Times "Coetzee writes well about the technicalities of literature: like an engineer he dismantles the texts and suggests ways in which they might run more efficiently." – Scotland on Sunday

"Since the controversy and acclaim that surrounded the publication of *Disgrace* (1999), the awarding of the Nobel Prize for literature and the publication of Elizabeth Costello: *Eight Lessons* (both in 2003), J.M. Coetzee's status has begun to steadily rise to the point where he has now outgrown the specialized domain of South African literature. Today he is recognized more simply as one of the most important writers in the English language from the late 20th and early 21st century. Coetzee's productivity and invention has not slowed with old age. *The Childhood of Jesus*, published in 2013, like Elizabeth Costello, was met with a puzzled reception, as critics struggled to come to terms with its odd setting and structure, its seemingly flat tone, and the strange affectless interactions of its characters. Most puzzling was the central character, David, linked by the title to an idea of Jesus. J.M. Coetzee's *The Childhood of Jesus: The Ethics of Ideas and Things* is at the forefront of an exciting process of critical engagement with this novel, which has begun to uncover its rich dialogue with philosophy, theology, mathematics, politics, and questions of meaning." –

LONGLISTED FOR THE MAN BOOKER PRIZE A NEW YORK MAGAZINE BEST BOOK OF THE YEAR From the Nobel Prize-winning author J. M. Coetzee, the haunting sequel to *The Childhood of Jesus*, continuing the journey of David, Simon, and Inés. *The Death of Jesus* is forthcoming from Viking.

"When you travel across the ocean on a boat, all your memories are washed away and you start a completely new life. That is how it is. There is no before. There is no history. The boat docks at the harbour and we climb down the gangplank and we are plunged into the here and now. Time begins." David is the small boy who is always asking questions. Simon and Inés take care of him in their new town, Estrella. He is learning the language; he has begun to make friends. He has the big dog Bolívar to watch over him. But he'll be seven soon and he should be at school. And so, with the guidance of the three sisters who own the farm where Simon and Inés work, David is enrolled in the Academy of Dance. It's here, in his new golden dancing slippers, that he learns how to call down the numbers from the sky. But it's here, too, that he will make troubling discoveries about what grown-ups are capable of. In this mesmerizing allegorical tale, Coetzee deftly

grapples with the big questions of growing up, of what it means to be a "parent," the constant battle between intellect and emotion, and how we choose to live our lives.

It was January 1990, the dawn of a new decade and Henri Nouwen, world-renowned spiritual writer, was in France but his writing wasn't going well. Frustrated and discouraged, he decided to go to Lourdes, even though it was the "off season," to give his "anxious heart a rest." This profoundly inspiring journal is the result of his three-day stay. Lourdes restored Nouwen's inner peace and helped him return to his sacred center. He realized, of course, that he did not need to be at Lourdes to find peace and joy. The purity, simplicity, and freedom he experienced "belong to the heart and can be lived anywhere." Whether we have been to Lourdes or not, does not matter. This small journal is bound to touch our own restless and searching hearts and help us to find again our own sacred center, the living Christ within us.

Coetzee, one of the greatest living writers in the English language, has crafted a deeply moving tale of love and mortality in his new book, *Slow Man*. When photographer Paul Rayment loses his leg in a bicycle accident, he is forced to reexamine how he has lived his life. Through Paul's story, Coetzee addresses questions that define us all: What does it mean to do good? What in our lives is ultimately meaningful? How do we define the place we call "home"? In his clear and uncompromising voice, Coetzee struggles with these issues and offers a story that will dazzle the reader on every page.

J.M. Coetzee's latest novel, *The Schooldays of Jesus*, is now available from Viking. Late Essays: 2006-2016 will be available January 2018. Since 1982, J. M. Coetzee has been dazzling the literary world. After eight novels that have won, among other awards, two Booker Prizes, and most recently, the Nobel Prize, Coetzee has once again crafted an unusual and deeply affecting tale. Told through an ingenious series of formal addresses, Elizabeth Costello is, on the surface, the story of a woman's life as mother, sister, lover, and writer. Yet it is also a profound and haunting meditation on the nature of storytelling.

J.M. Coetzee: What relationship do I have with my life history? Am I its conscious author, or should I think of myself as simply a voice uttering with as little interference as possible a stream of words welling up from my interior? Arabella Kurtz: One way of thinking about psychoanalysis is to say that it is aimed at setting free the narrative or autobiographical imagination. *The Good Story* is a fascinating dialogue about psychotherapy and the art of storytelling between a writer with a long-standing interest in moral psychology and a psychotherapist with training in literary studies. Coetzee and Kurtz consider psychotherapy and its wider social context from different perspectives, but at the heart of both of their approaches is a concern with narrative. Working alone, the writer is in control of the story he or she tells. The therapist, on the other hand, collaborates with the patient in developing an account of the patient's life and identity that is both meaningful and true. In a meeting of minds that is illuminating and thought-provoking, the authors discuss both individual psychology and the psychology of the group: the school classroom, gangs and the settler nation, in which the brutal deeds of ancestors are accommodated into a national story. Drawing on great writers like Cervantes and Dostoevsky and psychoanalysts like Freud and Melanie Klein, Coetzee and Kurtz explore the human capacity for self-examination, our wish to tell our own life stories and the resistances we encounter along the way.

Letters to Marc About Jesus Penguin

Ten years ago, I was commissioned by a famous poet-editor to write a profile of Coetzee for a London review. At the time, the offer was a big break, and could have led to great things. I was fresh out of university and the editor was high-up at Faber and Faber, a talent scout for *The New Yorker*. But it never got written. Instead of providing a controlled and judicious survey of the oeuvre, I found myself obsessed by minor details on the outskirts of his work. The grim memoir *Youth* (2002) had just appeared and I wrote at length about the stockings full of clotting cheese that young "John" hangs up in his kitchen — proof of his extreme thriftiness, in life as in prose. The fish fingers that he fries in olive oil in a London garret, trying to emulate the Mediterranean diet of Ford Madox Ford: these finer points of domestic economy seemed laden with meaning. So this became my account of stalking the South African writer JM Coetzee on page and in the halls of academe.

Coetzee returns with a haunting and surprising novel about childhood and destiny that is sure to rank with his classic novels. Separated from his mother as a passenger on a boat bound for a new land, David is a boy who is quite literally adrift. The piece of paper explaining his situation is lost, but a fellow passenger, Simón, vows to look after the boy. When the boat docks, David and Simón are issued new names, new birthdays, and virtually a whole new life. Strangers in a strange land, knowing nothing of their surroundings, nor the language or customs, they are determined to find David's mother. Though the boy has no memory of her, Simón is certain he will recognize her at first sight. "But after we find her," David asks, "what are we here for?" An eerie allegorical tale told largely through dialogue, *The Childhood of Jesus* is a literary feat—a novel of ideas that is also a tender, compelling narrative. Coetzee's many fans will celebrate his return while new readers will find *The Childhood of Jesus* an intriguing introduction to the work of a true master.

Robert Pippin presents here the first detailed interpretation of J.M. Coetzee's "Jesus" trilogy as a whole. Pippin treats the three fictions as a philosophical fable. Everyone in the mythical land explored by Coetzee is an exile, removed from their homeland and transported to a strange new place. While discussing the social and psychological dimensions of the fable, Pippin also treats the literary aspects of the fictions as philosophical explorations of the implications of a deeper kind of homelessness—a version that characterizes late modern life itself—and he treats the theme of forgetting as a figure for modern historical amnesia and indifference to reflection and self-knowledge.

Anya is not interested in politics, but the job will be a welcome distraction, as will the writer's evident attraction towards her. J.M. Coetzee's latest novel, *The Schooldays of Jesus*, is now available from Viking.

Late Essays: 2006-2017 will be available January 2018. A shattering pair of novellas in the tradition of Conrad's *Heart of Darkness*, *Dusklands* probes the links between the powerful and the powerless. "Vietnam Project" is narrated by a researcher investigating the effectiveness of United States propaganda and psychological warfare in Vietnam. The question of power is also explored in "The Narrative of Jacobus Coetzee," the story of an eighteenth-century Boer frontiersman who vows revenge on the Hottentot natives because they have failed to treat him with the respect that he thinks a white man deserves. With striking intensity, J. M. Coetzee penetrates the twilight land of obsession, charting the nature of colonization as it seeks, in 1970 as in 1760, to absorb the wilds into the Western dusklands.

Reading is a revolutionary act, an act of engagement in a culture that wants us to disengage. In *The Lost Art of Reading*, David L. Ulin asks a number of timely questions - why is literature important? What does it offer, especially now? Blending commentary with memoir, Ulin addresses the importance of the simple act of reading in an increasingly digital culture. Reading a book, flipping through hard pages, or shuffling them on screen - it doesn't matter. The key is the act of reading, and it's seriousness and depth. Ulin emphasizes the importance of reflection and pause allowed by stopping to read a book, and the accompanying focus required to let the mind run free in a world that is not one's own. Are we willing to risk our collective interest in contemplation, nuanced thinking, and empathy? Far from preaching to the choir, *The Lost Art of Reading* is a call to arms, or rather, to pages.
