Children's Hearings and the Sheriff Court is an established Scottish title focusing on a unique children's hearing system. It is the only available text which deals exclusively with procedure of the children's hearing system. The new edition reflects in particular the substantial changes brought about by the Children (Scotland Act) 1995 including the court's new powers to make child assessment orders, child protection orders and exclusion orders. It takes into account the centralisation of the Children's Reporters Administration and draws on an ever growing volume of reported case law, both at Sheriff Court and Court of Session level.  
'Voice of the Child' Under the Children (Scotland) Act 1995 McGraw-Hill Education (UK)  
The authors draw on their own experiences and those of practitioners, service users and carers to understand issues of power and oppression, demonstrating how the law can be used to inform the development of critical anti-oppressive practice. The book therefore points the way to practice that is both empowering to service users and ultimately liberating for practitioners.

The appendices contain the Adoption (Scotland) Act 1978 as amended; the Children (Scotland) Act; and the rules of court together with numerous styles of writs, interlocutors and reports. Children (Scotland) Act 1995

The first comprehensive account of how the law and practice of child protection in Scotland has developed from its earliest origins to the present day, within the context of a changing world Key Features Places the Scottish juvenile court in worldwide perspective and explores why the juvenile court ideals remain central to the contemporary children's hearing system in Scotland, dealing with both child offenders and neglected and abused children. Gives detailed analysis of the legislation and explores the parliamentary debates surrounding Acts including the Children Act 1908, the Adoption of Children (Scotland) Act 1930, the Children and Young Persons (Scotland) Acts 1932 and 1937, the Children Act 1948, the Social Work (Scotland) Act 1968, the Children (Scotland) Act 1995 and the Children and Young People (Scotland) Act 2014 Preserves in accessible form many long-forgotten legal and social aims, cases and secondary legislation Kenneth Norrie traces the assumptions that underlay child protection law at particular periods of time and identifies the pressures for change - giving a clearer understanding of how and why the contemporary law is designed and operates as it does. Particular issues are traced in legislative detail, including court processes, the changing thresholds for state intervention, the increasing regulation of children's homes and foster care, the developing rules on corporal punishment and the earlier practice of compulsory emigration to the colonies of children removed from their parents. The transformation of adoption is also covered in comprehensive detail. In drawing out key themes and common threads, Norrie sets contemporary developments against their historical context and offers a fuller understanding of child protection law in Scotland.

The authoritative annotations highlight important changes to the pre-1995 law, identify the derivations of the major provisions, give interpretation of the various provisions and supply practical guidance in the layout of the Act, with its many cross-references. This new edition has been revised and updated to take account of the implementation of the Act in practice, statutory and judicial developments, and academic comment on the operation of the Act. It examines the impact of all amending legislation including the Regulation of Care (Scotland) Act 2001, important case law such as White v White and looks at how the Children (Scotland) Act 1995 has established itself in practice.

Child Protection and Social Work Practice

This volume represents the first comprehensive revision of Scottish child care law since 1968, when the Social Work (Scotland) Act was passed. The Act's new terminology and concepts - including parental responsibilities, children's rights, and children in need - have the potential to provide the impetus for substantial changes in practice and to influence more positive attitudes towards children. It brings together different areas of law affecting children and attempts to rationalize and co-ordinate them, inducing basic principles across all aspects.
