The Christmas Bride: A Sweet, Regency-era Christmas Novella about Forgiveness, Redemption - and Love. Carina Press

Marry Me at Christmas is a sweet 'n flirty romance with HART. Opposites attract this holiday season as Roma Frost Hart takes us back to Evergreen Valley in a heart-warming romance filled with Christmas cheer and a romance of convenience between a wedding planner and a Texas tycoon in need of a temporary bride. In MARRY ME AT CHRISTMAS: Cold and calculating Bently Maverick has made bachelorhood into a second career. But when the inheritance of his father's oil company rests on the sole condition of marriage, he's forced to find a Christmas bride or watch the company he loves be dismantled. When weeks dwindle down to days to pull

off a Christmas miracle, Ben sets his sights on Venus-the most extraordinary woman he's ever met. Honest, beautiful and with a heart of gold. The more time they spend together the more he warms to the idea of saying I do. To wedding planner Venus Halliday a Christmas wedding sounds like a dream come true. Especially hers. If she doesn't land a high-paying client this holiday season she'll be forced to close the doors on Vows from Venus and her dream forever. When the dashing handsome Ben Maverick steps into her shop things start to look up. And the world's sexiest blue eyes and easy smile had nothing to do with it. Honest. But there's a catch-as always. She has four weeks to plan the wedding of the century and he wants her to help him find a bride. When her efforts go sideways he proposes a brilliant yet equally awful idea. What if the wedding planner becomes the bride? White lights, miles of silk, and strategically positioned mistletoe are the perfect ingredients for creating holiday magic. And all the more reason giving into her feelings is a bad idea. Armed with nothing more than her perfect man list to protect her heart against stolen kisses and slow strolls through snow-covered streets, Venus finds it hard to focus on saving her business the closer the big day gets. Fancy stilettos and cowboy boots don't always mix. Is it the magic of a not-so-fake white wedding or is this true love?

On the heels of a brief (but totally hot) fling, Holly and Meredith agree to keep things professional now that they’ll be working together. All Trinity Cooper Wilde wanted was a quiet Christmas alone with her baby, a baby no one knows about but her twin sister, Dawn. Dawn has warned Trinity that she needs to come clean and tell everyone about the baby, including the father, Garrett Franke, their former neighbor, whom Trinity has hated since tenth grade—with the exception of one night last year, a mistake. Her family is starting to wonder why she hasn't come home to visit in over six months, and Trinity knows time is running out. She plans to tell everyone, but she gets happily stuck in an unexpected snowstorm in her tiny cabin, located outside a small Idaho town. Deputy Garrett Franke still can't get Trinity out of his mind, especially considering he works side by side with her dad, Sheriff Logan Wilde. When Dawn unexpectedly pulls him aside one day, he allows her to convince him to drive out to a remote cabin in the middle of a snowstorm to check on her sister, whom no one has heard from since the storm hit. That's the thing about snowstorms: You never know who'll show up at your door, and a baby isn't the kind of secret that can stay that way for long.
