The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

Each Christmas we are given a promise from heaven. And each year on earth we make promises to each other. This is a story about how a promise from one person to another shows us the true meaning of faith, remembrance, and love. Seven years ago Gloria endured a family tragedy that almost shook her faith entirely. Each Christmas she places a card in an envelope on her tree, restating a promise she made to her husband before he died. Now, having moved from her small town and all the painful memories it held, she is building a life by caring for people in need. Whether it's a young mother who can't pay her electric bill or a family who needs some extra food, Gloria always finds a way. Miriam is a thorn in Gloria's side. Miriam is a constantly critical, disapproving neighbor who looks with suspicion at all the good things Gloria does. When a twist of fate makes them roommates instead of neighbors, it's

the ultimate test of patience and faith. Chaz has a good job as head of security at Wilson's Department Store, but each night he returns home to an empty apartment. He longs for a wife and family of his own but realizes that the life choices he's made have alienated him. He befriends a young boy whose mother has fallen on hard times, giving him a chance to have a life he thought impossible. In *The Christmas Promise*, the lives of these characters collide and we learn that even as we move ahead, the past is never far behind. And when we are forgiven much, we love much. In this warmly humorous and deeply poignant story, we are reminded that the Christmas Promise is the promise of second chances.
