The Cleansing of America. Once again, Dr. Skousen vows me on virtually every page. The book gives insight into the original intent and meaning of the constitution and shows how it has been perverted since its writing. *The Cleansing of America* book by W Cleon Skousen / 1 ... The

cleansing of America section in the beginning is frightening and abrupt without much of a preface. The rest talks about the events leading up to and during the millenium. Skousen takes a very literal spin on the scriptures accounting the last days, which is interesting to consider.
