Plan of Life Penguin

The first computational study of reading to focus on audiobooks, this book uses a unique and substantial set of reader consumption data to show how audiobooks and digital streaming platforms

affect our literary culture. Offering an academic perspective on the kind of user data hoard we associate with tech companies, it asks: when it comes to audiobooks, what do people really read, and how and when do they read it?

Tracking hundreds of thousands of readers on the level per user and hour, Reading Audio Readers combines computational methods from cultural analytics with theoretical perspectives from book

history, publishing studies, and media studies. In doing so, it provides new insights into reading practices in digital platforms, the effects of the audiobook boom, and the business-models for book publishing and distribution in the age of streamed audio.

Four Thousand Weeks Wipf and Stock Publishers

For every woman with a big-haired lady buried inside them, it's time to live large and unleash the authentic person God created you to be. Sue Buchanan, everybody's

favorite cheerleader, tells it like it is as she exhorts her beloved readers to look at their life story through a new and different viewfinder, come to grips with the past that has shaped them and then, with God's help, move on to live a more enriched life. Sue can relate to women who deal with the difficulties of daily life (nasty people, weight and image concerns, aging, God issues and parenting) as well as the bigger crises of life (hers was surviving breast cancer). And yet, in the midst of it all, Sue reminds readers to take hold of their thinking and give themselves permission to laugh and unleash the cute,

witty, delightful, intelligent, passionate, authentic, interesting life-of-the-party person they always dreamed they would be!

An entertaining, unfiltered memoir by one of the game's greatest, most clutch sluggers at the end of his career, written with best-selling sports writer and talk show host Michael Holley

Outline Chapter Books

Harry is back, assigned to the

LAPD's Open-Unsolved Unit with his former cop ally and partner, Kizmin Rider. These detectives are the Closers. They are thrown into a politically sensitive and dangerous case when a white supremacist is connected to the 1988 murder of a mixed race girl. The police department has changed, but one thing hasn't - Harry's nemesis, Irving. The former Deputy Chief has been pushed from power and given a virtually meaningless new role. Full of vengeance, Irving calls Harry a 'retread'. He watches from the sidelines like an injured bear, hoping Harry will make a mistake ...

Deborah Heneghan was fifteen when her seventeen-year-old sister died of cancer. A few weeks later, she woke in the middle of the night to a faint whisper summoning her. That was the beginning of Heneghan's communication with her dead sister, one that continues to this day. In *Closer Than You Think*, Heneghan

shows how she began to recognize the signs and messages from her sister. She shows readers how to get back in touch with deceased loved ones and find guidance and a helping hand from their big-picture perspective in the beyond. Filled with tips, tools, strategies, and stories to help the reader make contact, *Closer Than You Think* will give you hope, comfort and peace that your loved ones do 'live on' and are engaging you in a very real way. Readers learn how to connect and communicate with their deceased loved ones and remain close to them in a

natural, healing way. *Closer Than You Think* shows how to: Recognize the signs, dreams, or other messages from your loved ones Open the dialogue with your loved one for a lifetime of continued communication Transform your anger and grief into hope and action Tune-in to healing guidance For anyone who has lost a loved one and is trying to develop a clearer connection with them, *Closer Than You Think* provides hope, comfort and peace that loved ones do live on and are engaging us in a very real way.

Stories of 2020 “Superb. . . . Krauss’s depictions of the nuances of sex and love, intimacy and dependence, call to mind the work of Natalia Ginzburg in their psychological profundity, their intellectual rigor. . . . Krauss’s stories capture characters at moments in their lives when they’re hungry for experience and open to possibilities, and that openness extends to the stories themselves: narratives too urgent and alive for neat plotlines, simplistic resolutions or easy answers.” —Molly Antopol, New York Times Book Review “From a contemporary master, an astounding collection of ten globetrotting stories, each one a powerful dissection of the thorny connections between men and women. . . . Each story is masterfully crafted and deeply contemplative, barreling toward a shimmering, inevitable conclusion, proving once again that Krauss is one of our most formidable talents in fiction.” —Esquire In one of her strongest works of fiction yet, Nicole Krauss plunges fearlessly into the struggle to understand what it is to be a man and what it is to be a woman, and the arising tensions that have existed from the very beginning of time. Set in our contemporary moment, and moving across the globe from Switzerland, Japan, and New York City to Tel Aviv, Los Angeles, and South America, the stories in *To Be a Man* feature male characters as fathers, lovers, friends, children, seducers, and even a lost husband who may never have been a husband at all. The way these stories mirror one other and resonate is beautiful, with a balance so finely tuned that the book almost feels like a novel. Echoes ring through stages of life: aging parents and

new-born babies; young women's coming of age and the newfound, somewhat bewildering sexual power that accompanies it; generational gaps and unexpected deliveries of strange new leases on life; mystery and wonder at a life lived or a future waiting to unfold. *To Be a Man* illuminates with a fierce, unwavering light the forces driving human existence: sex, power, violence, passion, self-discovery, growing older. Profound, poignant, and brilliant, Krauss's stories are at once startling and deeply moving, but always revealing

of all-too-human weakness and strength.

The Closer You Come (Original Heartbreakers, Book 1) CRC Press

The authorized biography of Robert Pollard, indie rock icon and founder of the music group Guided By Voices Robert Pollard has been a staple of the indie rock scene since the early '80s, along with his band Guided By Voices. Pollard was a longtime grade school teacher who toiled endlessly on his music, finding success only after adopting a do-it-

yourself approach, relying on lo-fi home recordings for much of his and his band's career. A prolific artist, Pollard continues to churn out album after album, much to the acclaim of critics and his obsessive and devoted fans. But his story has never been faithfully told in its entirety. Until now. Author Matthew Cutter is a longtime friend of Pollard and, with Pollard's blessing, he's set out to tell the whole, true story of Guided By Voices. *Closer You Are* is the first book to take an in-depth look at the

man behind it all, with interviews conducted by the author with Pollard's friends, family, and bandmates, along with unfettered access to Pollard himself and his extensive archives. Robert Pollard has had an amazing and seemingly endless career in rock music, but he's also established himself as a consummate artist who works on his own terms. Now fans can at long last learn the full story behind one of America's greatest living songwriters. Papi Hampton Roads Publishing

NEW YORK TIMES
BESTSELLER “Derek Jeter is undoubtedly the most talked about, argued about, cheered, booed and ultimately respected baseball player of his generation. And as public a figure as he has been, he is in many ways the least known. That changes now as Ian O’Connor, one of the best sports writers anywhere, goes deep and does what no one has quite been able to do: Tell us a bit about who Derek Jeter really is.”—Joe Posnanski, author of *The Machine* “Deftly told.”—*The Washington Post* In *The Captain*, Ian O’Connor draws on unique access to Derek Jeter and more than 200 new interviews to reveal how a biracial kid from Michigan

became New York’s most beloved sports figure and the face of the steroid-free athlete. O’Connor takes us behind the scenes of a legendary baseball life, from Jeter’s early struggles in the minor leagues, when homesickness and errors threatened a stillborn career, to the heady days of Yankee superiority and nightlife, to the battles with former best friend A-Rod. All along the way, Jeter has made his Hall-of-Fame destiny look easy. But behind that leadership and hero’s grace there are hidden struggles and complexities that have never been explored, until now.
Jonah - My Story Atheneum Books

With drama, depth, and humor Lee Wyndham reveals details of her authentic relationship with an extravagant, loving God of grace, a God who sometimes trumps his own established laws of nature to perform incredible miracles. Proud of her Southern roots, accent, and expressions, Lee is a survivor of life's summits and valleys a divorce, a second marriage, four daughters, the business world, the classroom, and a rare, life-threatening open heart surgery. The hauntingly

beautiful melodies cascading straight from the depths of Lee's heart will motivate you if you already know Jesus Christ and will engage you if you haven't already accepted his leadership on your own odyssey.

HarperCollins UK
A New York Times bestseller
"Brilliant, funny...the best math teacher you never had." —San Francisco Chronicle
Once considered tedious, the field of statistics is rapidly evolving into a discipline Hal Varian, chief economist at Google, has actually called "sexy." From

batting averages and political polls to game shows and medical research, the real-world application of statistics continues to grow by leaps and bounds. How can we catch schools that cheat on standardized tests? How does Netflix know which movies you'll like? What is causing the rising incidence of autism? As best-selling author Charles Wheelan shows us in *Naked Statistics*, the right data and a few well-chosen statistical tools can help us answer these questions and more. For those who slept through Stats 101, this book is a lifesaver.

Wheelan strips away the arcane and technical details and focuses on the underlying intuition that drives statistical analysis. He clarifies key concepts such as inference, correlation, and regression analysis, reveals how biased or careless parties can manipulate or misrepresent data, and shows us how brilliant and creative researchers are exploiting the valuable data from natural experiments to tackle thorny questions. And in Wheelan's trademark style, there's not a dull page in sight. You'll encounter clever Schlitz Beer marketers leveraging basic

probability, an International Sausage Festival illuminating the tenets of the central limit theorem, and a head-scratching choice from the famous game show *Let's Make a Deal*—and you'll come away with insights each time. With the wit, accessibility, and sheer fun that turned *Naked Economics* into a bestseller, Wheelan defies the odds yet again by bringing another essential, formerly unglamorous discipline to life. *Closer Than You Think* Europa Editions “David”—a name mentioned nearly a thousand times in the Bible! Shepherd boy, musician, singer-songwriter, prophet and

king (and part-time priest!), husband and father, and a God-gifted genius at close, hand-to-hand combat. An extraordinary man. This close reading of the life of David—all the way from where teenage David is first introduced (1 Sam 16) to his death (1 Kgs 2)—gives an opportunity to see the wonderful, the awful, and the (shockingly) ugly elements of his life. There are some difficult texts and difficult lessons. Significant matters arise, such as the nature of prayer, the importance of forgiveness, abuse, the nature of leadership, death and enemies, understanding patriarchy in biblical texts, spiritual gifts, and evil spirits. Readers will discover that these texts speak loudly and

clearly to the issues of our day. Beginning with the Former Prophets (1 and 2 Samuel, 1 Kings) for the narrator's point of view, this book also examines the Psalms to give an understanding of what was happening for David on the inside. Undertaken as a devotional exercise, the aim of these studies is always that of seeing Jesus more clearly and living more securely in the shadow of his wing.

The Closer's Survival Guide

Harper Collins

Heads You Win is

international #1 bestseller

Jeffrey Archer's most

ambitious and creative work

since Kane and Abel, with a

final twist that will shock even his most ardent of fans.

Leningrad, Russia, 1968: From an early age it is clear that Alexander Karpenko is destined to lead his countrymen. But when his father is assassinated by the KGB for defying the state, Alexander and his mother will have to escape Russia if they hope to survive. At the docks, they have an irreversible choice: board a container ship bound for America or one bound for Great Britain.

Alexander leaves the choice to a toss of a coin... In a single moment, a double twist decides Alexander's future. During an

epic tale, spanning two continents and thirty years, we follow Alexander through triumph and defeat as he sets out on parallel lives as Alex in New York and Sasha in London. As this unique story unfolds, both come to realize that to find their destiny they must face the past they left behind as Alexander in Russia.

Hey, That's MY Monster!

Flashlight Press

This book is meant for teens to older adults of all educational levels who aspire to spiritual growth; it's also a great aid for parents and grandparents who need help in teaching children and young people how to grow in

God. There are many Catholics who are not familiar with having a plan of life that includes these basic elements. Many Catholics would like to grow spiritually, but don't know where to start and welcome this kind of practical, doable approach.

Ivy + Bean Hodder Moa Scholastic Book Club Selection Alabama Camellia Award list, 2010-11, K-1 category A unique monster-under-the-bed story with the perfect balance of giggles and shivers, this picture book relies on the power of humor over fear, appeals to a child's love for creatures

both alarming and absurd, and glorifies the scope of a child's imagination. One night, when Ethan checks under his bed for his monster, Gabe, he finds a note from him instead: "Gone fishing. Back in a week." Ethan knows that without Gabe's familiar nightly scares he doesn't stand a chance of getting to sleep, so Ethan interviews potential substitutes to see if they've got the right equipment for the job—pointy teeth, sharp claws, and a long tail—but none of them proves scary enough for Ethan.

When Gabe returns sooner than expected from his fishing trip, Ethan is thrilled. It turns out that Gabe didn't enjoy fishing because the fish scared too easily.

Come Closer Bloomsbury Publishing
This enhanced eBook features read-along narration. Winner: CLC Seal of Approval 2017 Literary Classics Book Awards, Silver, Preschool/Early Reader Fantasy Finalist: 2017 Literary Classics Book Awards 2017 PNBA Long-List When Ethan looks under the bed for his monster, he finds this note instead: "So long, kid. Gotta go. Someone needs me more than

you do. –Gabe" How will Ethan ever get to sleep without his monster's familiar, comforting snorts? And who could need Gabe more than Ethan does? Gabe must have gone to Ethan's little sister's room! She has been climbing out of bed every night to play, and obviously needs a monster to help her get to sleep – but not HIS monster! Ethan tries to help his sister find her own monster, but none are the perfect blend of cute and creepy. Just when it seems that Ethan will lose his monster forever, an uninvited, tutu-toting little monster full of frightening fun appears. Following in the spooky-silly tradition of *I Need My Monster*, here's another irresistible monster-under-the-bed

story with the perfect balance of giggles and shivers.

Grant Cardone

Post Sound Design provides a practical introduction to the fascinating craft of editing and replacing dialog, creating Foley and sound effects, editing music, and balancing these elements to a final mix. Based on years of experience and teaching this material to students at Drexel University, award-winning film composer John Avarese offers user-friendly knowledge and stimulating

exercises to help compose story, develop characters and create emotion through skillful creation of the sound track. Starting each chapter with a real-life example, the textbook is structured in such a way to create a fundamental understanding of the physics and the biological foundation of hearing, and putting it into practice with suggested movie scenes demonstrating the discussed audio techniques. Post Sound Design engagingly demonstrates the individual

areas essential to creating a soundtrack that will enhance any media production.

Replay Farrar, Straus and Giroux
There are many theories and legends revolving around Mary Magdalene, the friend and companion of Jesus of Nazareth during first century Roman Empire. Some say she was a vile sinner; others, a saint. Some have said she was a prostitute; others, a chaste Jewish woman. Many lands around the Great Sea still tell tales of Mary Magdalenes travels and accomplishments in their part and plot of history. Although few legends are considered to be of a factual nature, neither should they be

thought of strictly as fairytales. Many legends have their basis in true stories which have been passed down through a hundred or more generations and sometimes the information has evolved into much more than what it started as and has come to even enhance the meaning and spirit of the original events. While there is not enough documented history to write a non-fictional biography of Mary herself, there is much information about first century Judea in the Roman Empire, the time and place into which Mary was born. Much is also known about some of the people who were most likely to have been her companions, particularly those written about in the Christian Bible, like Saint

Peter, Saint John, Martha, Jesus, his mother, Saul of Tarsus and others. In writing this narrative of Mary Magdalene, my intent was to include as much legendary material as possible, being careful not to contradict any historical facts about Mary herself or any other historical figure appearing in the book. I spent much time accessing and studying information from a wide variety of sources. My research led to me draw some conclusions about what must have been known back then, but was not considered important enough to have been written down, such as who was related to whom, who went where and when and the chronology of certain events. Let this story

answer questions for you that might have been lingering in your mind for a long time now, such as: What did happen to Mary called the Magdalene before she met Jesus of Nazareth? What was her background? Did she have other family? Did Jesus? Why did Jesus have to cast demons out of her? What was the Essene Community? Was Jesus a member? Was Mary? What happened to her after Jesus died? Can regretful decisions ever be turned around for the good? Mary Magdalene; My Story will take you through the world of a young Jewish girl with all of the hopes, dreams and expectations that any young girl would naturally have. You will learn how tragedies in

her life nearly killed her, but how she was saved by the love of a man, and kept by the love of those who realized that second chances were God-given and to be respected. You will see how she in turn offered forgiveness to those who had hurt her so deeply and how good things came as a result of that. Mary had friends who loved and understood her and were important people to her throughout her life. As a reader, we get to meet them all and come to love them ourselves. Learn more about Joana and Cuza, Mary mother of Jesus, Agabus, Antipus, and Lydia, the woman who sold purple things. This story will weave all of the different characters and events and places

of the time into a heartwarming tale you are not soon to forget. With such a variety of characters mostly likely every reader will find someone in the story to whom they will relate in a personal way. Let Mary take you, in her own voice, through the early days of Christianity, through the turbulent times of the Roman Emperor Nero and the Jewish wars. Let her share with you the sorrow of losing some of her best friends and the joys of developing new ones. She will tell you of the trade that carried her through many years of her life and was the reason she was able to go on a great adventure around the Empire. At times the reader will be moved to tears, at times will

laugh out loud as she tells you
about the wonder of raising
children and finding true love
against all odds. This book will
