“The Joy Luck Club is one of my favorite books. From the moment I first started reading it, I knew it was going to be incredible. For me, it was one of those once-in-a-lifetime reading experiences that you cherish forever. It inspired me as a writer and still remains hugely inspirational.” —Kevin Kwan, author of *Crazy Rich Asians* Amy Tan’s beloved, New York Times bestselling tale of mothers and daughters, now the focus of a new documentary *Amy Tan: Unintended Memoir* on Netflix Four mothers, four daughters, four families whose histories shift with the four winds depending on who’s “saying” the stories. In 1949 four Chinese women, recent immigrants to San Francisco, begin meeting to eat dim sum, play mahjong, and talk. United in shared unspeakable loss and hope, they call themselves the Joy Luck Club. Rather than sink into tragedy, they choose to gather to raise their spirits and money. “To despair was to wish back for something already lost. Or to prolong what was already unbearable.” Forty years later the stories and history continue. With wit and sensitivity, Amy Tan examines the sometimes painful, often tender, and always deep connection between mothers and daughters. As each woman reveals her secrets, trying to unravel the truth about her life, the strings become more tangled, more entwined. Mothers boast or despair over daughters, and daughters roll their eyes even as they feel the inextricable tightening of their matriarchal ties. Tan is an astute

storyteller, enticing readers to immerse themselves into these lives of complexity and mystery.

"An involving look at feminism, friendship and the secrets we hide even from those who know us best." - The Observer "An epic and unique release this summer that I plead you all to pick up! This novel has a distinct British feel with moments mixed with laughter, tainted with tears and bound with love. Holly Bourne has created a beautiful tale." - Paper Trail YA "This is not a novel about a condition: Evie's condition is that of being a contemporary young woman, and through her guerrilla feminist group with new soulmates Lottie and Amber (who will each get a novel to themselves shortly) she learns new pathways through life that all her peers can follow." - The Observer "This is quite easily Bourne's best novel yet. Might have been a tricky subject matter, but it was funny and heartbreaking and thought-provoking." - An Awful Lot of Reading "I love the *Spinsters Club*, and I so want my own! What I love is how Bourne breaks down these ideas so they are so accessible! ... There are a few feminist YA stories out at the moment, but this is the first I've read that actually talks about feminism and discusses how to be a feminist, and I think it really could be a game changer! And I am so happy! I am so, so happy and excited!" - *Once Upon a Bookcase* "This book was kind of*

astounding to me... It tells the story of the Baltimore Gun Club, a post-American Civil War society of weapons enthusiasts, and their attempts to build an enormous sky-facing Columbiad space gun and launch three people—the Gun Club's president, his Philadelphian armor-making rival, and a French poet—in a projectile with the goal of a moon landing. *Around the Moon* Jules Verne's sequel to *From the Earth to the Moon*, is a science fiction novel which continues the trip to the moon which was only partially described in the previous novel. It was later combined with *From the Earth to the Moon* to create *A Trip to the Moon* and *Around the Moon*. *The Purchase of the North Pole* or *Topsy-Turvy* Is an adventure novel by Jules Verne, published in 1889. It is the third and last novel of the Baltimore Gun Club, first appearing in *From the Earth to the Moon*, and later in *Around the Moon*, featuring the same characters but set twenty years later. Like some other books of his later years, in this novel Verne tempers his love of science and engineering with a good dose of irony about their potential for harmful abuse and the fallibility of human endeavors.
