(Royal Ulster Constabulary), is recruited by MI5 to hunt down Dermot McCann, an IRA master bomber who has made a daring escape from the notorious Maze prison. In the course of his investigations Sean discovers a woman who may hold the key to Dermot's whereabouts; she herself wants justice for her daughter who died in mysterious circumstances in a pub locked from the inside. Sean knows that if he can crack the "locked-room mystery," the bigger mystery of Dermot's whereabouts might be revealed to him as a reward. Meanwhile the clock is ticking down to the Conservative Party conference in Brighton in 1984, where Mrs. Thatcher is due to give a keynote speech.

Conflict and Battlefield Archaeology is a growing and important field in archaeology, with implications on the state of the world today: how humanity has prepared for, reacted to, and dealt with the consequences of conflict at a national and international level. As the field grows, there is an increasing need for research and development in this area. Written by one of the most prominent scholars in this field of growing interest, "Aftermath", offers a clear and important overview to research in the field. It will become an essential source of information for scholars already involved in conflict archaeology as well as those just starting to explore the field. It offers access to previously hard-to-find but important research.

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told

by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

"Superb...A masterpiece of thorough research, deft pacing and arresting detail...This war story — the fight to break out of a frozen hell near the Chosin Reservoir — has been told many

times before. But Sides tells it exceedingly well, with fresh research, gritty scenes and cinematic sweep."—Washington Post From the New York Times bestselling author of Ghost Soldiers and In the Kingdom of Ice, a chronicle of the extraordinary feats of heroism by Marines called on to do the impossible during the greatest battle of the Korean War On October 15, 1950, General Douglas MacArthur, Supreme Commander of UN troops in Korea, convinced President Harry Truman that the Communist forces of Kim Il-sung would be utterly defeated by Thanksgiving. The Chinese, he said with near certainty, would not intervene in the war. As he was speaking, 300,000 Red Chinese soldiers began secretly crossing the Manchurian border. Led by some 20,000 men of the First Marine Division, the Americans moved deep into the snowy mountains of North Korea, toward the trap Mao had set for the vainglorious MacArthur along the frozen shores of the Chosin Reservoir. What followed was one of the most heroic--and harrowing--operations in American military history, and one of the classic battles of all time. Faced with probable annihilation, and temperatures plunging to 20 degrees below zero, the surrounded, and hugely outnumbered, Marines fought through the enemy forces with ferocity, ingenuity, and nearly unimaginable courage as they marched their way to the sea. Hampton Sides' superb account of this epic clash relies on years of archival research, unpublished letters, declassified documents, and interviews with scores of Marines and Koreans who survived the siege. While expertly detailing the follies of the American leaders, On Desperate Ground is an immediate, grunt's-eye view of history, enthralling in its narrative pace and powerful in its

portrayal of what ordinary men are capable of in the most extreme circumstances. Hampton Sides has been hailed by critics as one of the best nonfiction writers of his generation. As the Miami Herald wrote, "Sides has a novelist's eye for the propulsive elements that lend momentum and dramatic pace to the best nonfiction narratives."

Richard Coulter is a man who has everything. His beautiful new wife is pregnant, his upstart airline is undercutting the competition and moving from strength to strength, his diversification into the casino business in Macau has been successful, and his fabulous Art Deco house on an Irish cliff top has just been featured in Architectural Digest. But then, for some reason, his ex-wife Rachel doesn't keep her side of the custody agreement and vanishes off the face of the earth with Richard's two daughters. Richard hires Killian, a formidable ex-enforcer for the IRA, to track her down before Rachel, a recovering drug addict, harms herself or the girls. As Killian follows Rachel's trail, he begins to see that there is a lot more to this case than first meets the eye and that a thirty-year-old secret is going to put all of them in terrible danger. McKinty is at his continent-hopping, well-paced, evocative best in this thriller, moving between his native Ireland and distant cities within a skin-of-his-teeth timeframe.

Rural Rides is the book for which the English journalist, agriculturist and political reformer William Cobbett is best known. At the time of writing Rural Rides, in the early 1820s, Cobbett was a radical anti-Corn Law campaigner. He embarked on a series of journeys by horseback through the countryside of Southeast England and the English Midlands. He wrote down

what he saw from the points of view both of a farmer and a social reformer. The result documents the early 19th-century countryside and its people as well as giving free vent to Cobbett's opinions

A merciless killer who will stop at nothing. And a detective with nothing left to lose. When Detective Karen Hart hears a scream echoing out of beautiful Lincoln Cathedral one snowy evening, she is the first officer on the scene. In the chapel a man lies murdered, a bloody cross carved into his forehead. The twisted killing sends this close-knit community into shock. And a note to the police from the murderer, signed by 'The Cleanser', confirms their worst fears: this sadistic slaying is the first of many. The ritual killings will never stop until Hart uncovers the murderer's ungodly motive. When early leads become dead ends, Karen starts to wonder if there's a link to a rumoured conspiracy within police ranks--particularly when an abrasive new officer is assigned to the case. Could the key to catching 'The Cleanser' be dangerously close to home? Meanwhile, she is battling her own demons as she struggles to come to terms with the

deaths of her husband and daughter. In her toughest case yet, Karen will come closer than ever before to a dangerous truth. Can she put the pieces of the puzzle together before she's stopped in her tracks?
