One Kiss or Two? CCV Digital

In the instant New York Times bestseller that started the Dark Elements series, one kiss is enough to kill... Layla just wants to fit in at school and go on a date with Zayne, whom she's crushed on since forever. Trouble is, Zayne treats Layla like a sister—and Layla is a half demon, half gargoyle with abilities no one else possesses. And even though Zayne is a Warden, part of the race of gargoyles tasked with keeping humanity safe, Layla's kiss will kill

anything with a soul—including him. Then she meets Roth—a demon who claims to know her secrets. Though Layla knows she should stay away, it's tough when that whole no-kissing thing isn't an issue. Trusting Roth could ruin her chances with Zayne, but as Layla discovers she's the reason for a violent demon uprising, kissing the enemy suddenly pales in comparison to the looming end of the world. "Armentrout works her magic with swoon-worthy guys and a twist you never see coming."—#1 New York Times bestselling author Abbi Glines "Armentrout is a major talent... I just can't stop reading!"—New York Times bestselling author Gena Showalter The Dark Elements Series: Bitter Sweet Love (ebook-only prequel) White Hot Kiss Stone Cold Touch Every Last Breath **Last Kiss** Delacorte Press

Every encounter begins with a greeting, and different cultures have developed innumerable ways of showing pleasure at someone's arrival. Humans have been greeting each other for thousands of years, so it should be the most straightforward thing in the world, but this seemingly simple act is fraught with complications, leading to awkward misunderstandings, intercultural fumbling, and social gaffes that can potentially fracture relationships forever. Why is that? Why are greetings so important? Is there a right and wrong way to say hello? In his illuminating book One Kiss or Two?, Andy Scott—a well-traveled former diplomat and no stranger to

botched first contacts himself—takes a closer look at what greetings are all about. In examining how they have developed over human history, he uncovers a kaleidoscopic world of etiquette, body-language, evolution, neuroscience, anthropology, and history. Through in-depth research and his personal experience, and with the help of experts ranging from the world-famous primatologist Jane Goodall to top sociologist Erving Goffman, Scott takes readers on a captivating journey through a subject far richer than we might have expected. By the end of it, we are able to make more sense of what lies behind greetings—and what it means to be human in the modern, cross-cultural age. A Kiss from a Rogue McFarland In the next 72 hours, Kenna may lose everything—her friends, her freedom, and maybe even herself. One kiss of the blade was all it took to get her sent to the psych ward for 72 hours. There she will face her addiction to

cutting, though the outcome is far from certain. When fifteen-year-old Kenna is found cutting herself in the school bathroom, she is sent to a facility for a mandatory psychiatric watch. There Kenna meets other kids like her—her roommate, Donya, who's there for her fifth time; the birdlike Skylar; and Jag, a boy cute enough to make her forget her problems . . . for a moment. Madeleine Kuderick's gripping debut is a darkly beautiful and lyrical novel in verse, perfect for fans of Sonya Sones and Laurie Halse Anderson. Kiss of Broken Glass pulses with emotion and lingers long after the last page. Supports the Common Core State Standards

Out of My Mind Dell

“How could ‘old age’ be a medical diagnosis when I wasn’t even forty?” —Lolly Winston “... if aging is difficult for those of us who were only sometimes cute,” she says, “just imagine how hard it must be for the aging knockouts, the living dolls.” —Rebecca McClanahan “I love sex. I love middle-age sex. I love married sex. I’m almost fifty and I’ve never felt sexier. But damn, it took a long time to get here.”

—Ellen Sussman “And who is that woman who looks just like me in the mirror behind the bar? Could she be some evil twin, sitting in a place I’d never go alone, acting

like a hanger-on, a groupie?” —Lisa Norris “... even past sixty (perhaps especially past sixty), women like me feel impelled to stick to the myths we have invented for ourselves.” —Annick Smith “Slow down. Don’t be so frenetic. Contemplate on the insights you have gained. Listen to the silence within.” —Bharti Kirchner “The young woman’s body I live inside still, that unforgotten home, is a text. It is engraved with memory ...” —Meredith Hall A collection of blazingly honest, smart, and often humorous essays on middle age contributed by well-known writers such as Julia Glass, Joyce Maynard, Lolly Winston, Antonya Nelson, Diana Abu-Jaber, Judy Blunt, Lauren Slater, and other voices of the baby boom generation. In the tradition of the bestselling *A Bitch in the House*, *Kiss Tomorrow Hello* brings together the experiences and reflections of women as they embark on a new stage of life. Many women in their forties, fifties, and sixties discover that they are racing uphill, trying desperately to keep their romantic and social lives afloat just as those things they believe constant start to shift: The body begins its inevitable decline, sometimes

gracefully, sometimes less so... The twenty-five stellar writers gathered here explore a wide range of concerns, including keeping love (and sex) alive, discovering family secrets, negotiating the demands of illness and infertility, letting children go, making peace with parents, and contemplating plastic surgery. The tales are true, the confessions candid, and the humor infectious—just what you'd expect from the women whose works represent the best writings of their generation. From Lynn Freed's wry "Happy Birthday to Me" to Pam Houston's hilarious "Coffee Dates with a Beefcake"; from Ellen Sussman's "Tearing Up the Sheets" to Julia Glass's "I Have a Crush on Ted Geisel," *Kiss Tomorrow Hello* is a wise, lyrical, and sexy look at the pleasures and perils of midlife.

White Hot Kiss Bantam

NEW YORK TIMES

BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians,

highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers—including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell—plus some of *The Daily Show*'s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

In the sterile white corridors of a mental ward - and the unexplored passages of the mind - unfolds a novel of heart-clutching terror, with a cast of characters caught inextricably in its lurking mystery: DAN BOLLINGER - Ex-Vietnam vet drifting on a marijuana cloud. Women came to his wilderness cabin, one after another, and never left. He insisted he never killed them - until terrifying mental images made him realize, with startled horror, that he knew the burial sites of each girl, though their deaths remained shrouded in mystery! ELIZABETH BODAC - Charmed and challenged by Dan's enigmatic, elusive personality and the riddle locked in his brain, she vowed to discover Dan's secret - and save him. But was she trying to save a madman, a murderer, or both? DEBRA BOLLINGER - Dan's twin sister, a brooding eccentric consumed by a long-standing psychic love for her brother - and a smoldering passion for him that yet threatened to erupt. DR. JEFFREY KOSSUTH - Head of the mental hospital, he swore Dan was the killer even as he began to write Dan's 'exclusive' story to sell to the highest bidder. Was he treating a patient, or protecting an investment? With explosive force and pulsing tension, Charles W. Runyon has created a novel combing the dark mysteries of the mind and the breathless excitement of a first-rate thriller.

Cold as Ice Grand Central Publishing
A veteran music journalist

explores how four legendary rock bands—KISS, Cheap Trick, Aerosmith, and Starz—laid the foundation for two diametrically opposed subgenres: hair metal in the '80s and grunge in the '90s. It was the age when heavy-footed, humorless dinosaurs roamed the hard-rock landscape. But that all changed when into these dazed and confused mid-'70s strutted four flamboyant bands that reveled in revved-up anthems and flaunted a novel theatricality. In *They Just Seem a Little Weird*, veteran entertainment journalist Doug Brod offers an eye- and ear-opening look at a crucial moment in music history, when rock became fun again and a gig became a show. This is the story of friends and frenemies who rose, fell, and soared once more, often sharing stages, studios, producers, engineers, managers, agents, roadies, and fans—and who are still collaborating more than forty years on. In the tradition of David Browne's *Fire and Rain* and Sheila Weller's *Girls Like Us*, *They Just Seem a Little Weird* seamlessly interweaves the narratives of KISS, Cheap Trick, and Aerosmith with that of Starz, a criminally neglected band whose fate

may have been sealed by a shocking act of violence.

This is also the story of how these distinctly American groups—three of them now enshrined in the Rock and Roll Hall of Fame—laid the foundation for two seemingly opposed rock genres: the hair metal of Poison, Skid Row, and Mötley Crüe and the grunge of Nirvana, Alice in Chains, and the Melvins. Deeply researched, and featuring more than 130 new interviews, this book is nothing less than a secret history of classic rock.

Cambridge University Press
Voyage is a French course with grammar and progression at its heart designed to help teachers cover all the requirements of the National Curriculum. The course provides clear explanations and a variety of practice activities, making learning and teaching easier. It fully integrates differentiation to meet the needs of a wide-ability range and includes regular assessments such as end-of-unit tests at Key Stage 3 and examination practice at Key Stage 4. It addresses the information and communication technology component of the National Curriculum.

Odyssey Revell

He watches her from across the crowded dance club, a sensual black-haired stranger who stirs Gabrielle Maxwell's deepest fantasies. But nothing about this night—or this man—is what it seems. For when Gabrielle

witnesses a murder outside the club, reality shifts into something dark and deadly. In that shattering instant she is thrust into a realm she never knew existed—a realm where vampires stalk the shadows and a blood war is set to ignite. Lucan Thorne despises the violence carried out by his lawless brethren. A vampire himself, Lucan is a Breed warrior, sworn to protect his kind—and the unwitting humans existing alongside them—from the mounting threat of the Rogues. Lucan cannot risk binding himself to a mortal woman, but when Gabrielle is targeted by his enemies, he has no choice but to bring her into the dark underworld he commands. Here, in the arms of the Breed's formidable leader, Gabrielle will confront an extraordinary destiny of danger, seduction, and the darkest pleasures of all. . . .

Ballistic Kiss Elisa Braden

Upon its release in November 1981, KISS' "Music From The Elder" was confusingly received and by the time the calendar had turned to 1982, the album was essentially a commercial failure. Through a series of in-depth interviews, original features and related special content, "Odyssey" shines a spotlight on "The Elder" like never before.

Kiss My Book The Cold Kiss This multi-level English course is for teenagers. English in Mind Combo 1A offers the first eight units of the Level 1 Student's Book and Workbook.

It Started with a Kiss McGraw Hill Professional

Provides advice for parents on teaching their children Spanish, and offers conversations on everyday situations, songs and other activities, and cultural notes.

Fancy Pants Vintage

He comes to her more dead than alive, a towering black-clad stranger riddled with bullets and rapidly losing blood. As she struggles to save him, veterinarian Tess Culver is unaware that the man calling himself Dante is no man at all, but one of the Breed, vampire warriors engaged in a desperate battle. In a single erotically charged moment Tess is plunged into his world—a shifting, shadowed place where bands of Rogue vampires stalk the night, cutting a swath of terror.

Haunted by visions of a dark future, Dante lives and fights like there is no tomorrow. Tess is a complication he does not need—but now, with his brethren under attack, he must shield Tess from a growing threat that includes Dante himself. For with one reckless, irresistible kiss, she has become an inextricable part of his underworld realm...and his touch awakens her to hidden gifts, desires, and hungers she never knew she possessed.

Bonded by blood, Dante and

Tess must work together to thwart deadly enemies, even as they discover a passion that transcends the boundaries of life itself. . . .

Die Upon a Kiss Harper Collins

Many people dream of escaping modern life, but most will never act on it. This is the remarkable true story of a man who lived alone in the woods of Maine for 27 years, making this dream a reality—not out of anger at the world, but simply because he preferred to live on his own. A New York Times bestseller In 1986, a shy and intelligent twenty-year-old named Christopher Knight left his home in Massachusetts, drove to Maine, and disappeared into the forest. He would not have a conversation with another human being until nearly three decades later, when he was arrested for stealing food. Living in a tent even through brutal winters, he had survived by his wits and courage, developing ingenious ways to store edibles and water, and to avoid freezing to death. He broke into nearby cottages for food, clothing, reading material, and other provisions, taking only what he needed but terrifying a community never able to solve the mysterious burglaries.

Based on extensive interviews with Knight himself, this is a vividly detailed account of his secluded life—why did he leave? what did he learn?—as

well as the challenges he has faced since returning to the world. It is a gripping story of survival that asks fundamental questions about solitude, community, and what makes a good life, and a deeply moving portrait of a man who was determined to live his own way, and succeeded.

Voyage 3 Student's Book and Audio CD Nelson Thornes

The delightful follow-up to *Kiss Me in New York*. Serena Fuentes won't waste one moment of her whirlwind trip to Paris. She has it all mapped out, right down to the photos she will take, and the last thing she wants is a change in plans. Yet suddenly she's touring the city with Jean-Luc, a French friend of her sister's boyfriend. He has to take pictures of his own if he ever hopes to pass his photography class, and his project totally slows Serena down. One minute they're bickering, the next minute they're bonding ... and soon they're exploring corners of Paris together that Serena never imagined. Could they also be falling in love?

Heroes Are My Weakness

Abrams

Party planner Dellina Hopkins finds herself forced to work with former pro-football kicker Sam Ridge, whom she has avoided since their aborted one-night stand, when his firm hires her to organize an event.

Before We Kiss ABDO

Modern, original fiction for

learners of English. It's Christmas in New York and private investigator Nathan Marley is hired by a rich attractive woman to reclaim a briefcase of jewellery from a locker at Grand Central station. Marley is right not to trust the woman and soon finds himself involved in a case of criminal activity involving fraud, computer hacking and kidnap.
