Not because he kills with a blade—he has plenty of men to do that kind of work for him—but because his mind is so sharp. But when Cuchillo begins to cut too deeply, the federal police of both the United States and Mexico step in to dull his blade. P. Z. Evans and Alejo Díaz know the Hermosillo cartel is planning an attack on a tourist bus in Sonora, and they know they will have to capture or kill Cuchillo to stop it. The cartel leader has one weakness: rare, old books. To destroy the intellectual's evil empire, this unlikely pair of international police will have to appeal to his inner bibliophile.
