Ten stories from the 'brilliant' Katherine Mansfield set in New Zealand. As Vincent O'Sullivan states, those encountering Mansfield's stories for the first time have invariably found they 'were alive, they were witty, they

were moving, they covered new ground'. But with about 70 stories to choose from and a vast array of themes and approaches, where do you start, and how do you begin to understand and best appreciate her writing and achievements? This series features selections of her best stories, grouped by subject and introduced by Mansfield scholar Vincent O'Sullivan, who is also a writer of fiction in his own right. Each volume offers a different way to view Mansfield's work. This selection includes her most-loved stories about the New Zealand of her childhood. As

O'Sullivan explains, his choices cover 'everything of importance that happened to her, that she observed and experienced, between childhood in Wellington's wooden houses, to her deciding in Switzerland in July 1922, that her final paragraph about a singing bird was the place for her to stop'. Eudora Welty said that Katherine Anne Porter 'writes stories with a power that stamps them to their very last detail on the memory.' Set in her native Texas and her beloved Mexico, prewar Nazi Germany and the gothic Old South, they are stories of love, outrage, betrayal, and spiritual reckoning that are severe but never cruel, and always exquisitely precise. They number fewer than thirty, but as Robert Penn Warren commented, 'many are unsurpassed in modern fiction,' and when gathered in one volume in 1965 they won their author both the Pulitzer Prize and the

National Book Award. The Library of America now reprints that landmark volume, *The Collected Stories of Katherine Anne Porter*, and pairs it with a completely new selection from Porter's long-out-of-print short prose. Expanding the contents of her 1952 collection *The Days Before* to include both early journalism and major pieces from her final three decades, the prose works collected here are grouped in four parts: critical essays on writers she loved and learned from, including James, Cather, Lawrence, and Colette; personal essays and speeches on such topics as the craft of writing, her own work, women in myth and in history, and American politics; essays and reports on Mexican life, letters, and revolution; and two previously uncollected forays into autobiography.

Although Katherine Mansfield was closely associated with D.H. Lawrence and something of a rival of Virginia Woolf, her stories suggest someone writing in a different era and in a vastly different English. Her language is as transparent as clean glass, yet hovers on the edge of poetry. Her characters are passionate men and women swaddled in English reserve -- and sometimes briefly breaking through. And her genius is to pinpoint those unacknowledged and almost imperceptible moments in which those people's relationships -- with one another and themselves -- change forever. This collection includes such masterpieces as "Prelude," "At

the Bay" "Bliss," "The Man Without a Temperament" and "The Garden Party" and has a new introduction by Jeffrey Meyers.

“ Katherine Heiny's work does something magical: elevates the mundane so that it has the stakes of a mystery novel, gives women's interior lives the gravity they so richly deserve -- and makes you laugh along the way. ” —Lena Dunham

Single, Carefree, Mellow is that rare and wonderful thing: a debut that is superbly accomplished, endlessly entertaining, and laugh-out-loud funny. Maya is in love with both her boyfriend and her boss. Sadie ’ s lover calls her as he drives to meet his wife at marriage counseling. Gwen pines for her roommate, a man who will hold her hand but then tells her that her palm is sweaty. And Sasha agrees to have a drink with her married lover ’ s wife and then immediately regrets it. These are the women of Single, Carefree, Mellow, and in these eleven sublime stories they are grappling with unwelcome houseguests, disastrous birthday parties, needy but loyal friends, and all manner of love, secrets, and betrayal. In “ Cranberry Relish ” Josie ’ s ex—a man she met on Facebook—has a new girlfriend he found on Twitter. In “ Blue Heron Bridge ” Nina is more worried that the Presbyterian minister living in her garage will hear her kids swearing than about his finding out that she ’ s sleeping with her running partner. And in “ The Rhett Butlers ” a teenager loses her virginity to her history teacher and then outgrows him. In snappy, glittering prose that is both utterly hilarious and achingly poignant, Katherine Heiny chronicles the ways in which we are unfaithful to each other, both willfully and unwittingly. Maya, who appears in the title story and again in various

states of love, forms the spine of this linked collection, and shows us through her moments of pleasure, loss, deceit, and kindness just how fickle the human heart can be.
