"The Collectibles is the first novel written by James Kaufman and I hope it will not be the last. I was spellbound by this book. It has so many themes, and is so powerfully drawn of personal integrity, and compassion and honesty and friendship... and a very deep kind of love where you really accept people just as they are. I highly recommend it."

The Collectibles is the first in a trilogy written by James Kaufman. It is categorized as a mystery but I'm not sure that's where it belongs. There's not a whole lot of mystery going on in the story, which is not to say there's not a whole lot going on in the story. It almost seems like the lawyering is secondary.
