Is there life after death? After a tragic accident, doctors pronounced Richard Sigmund legally dead. Eight hours later, God miraculously brought him back to life on the way to the morgue. During those hours, God allowed him to experience the glorious beauty, heavenly sounds, sweet aromas, and boundless joys of heaven that await every believer. God then returned him back to earth with a mission to tell the world what he saw. You will thrill to Sigmund's eyewitness accounts of strolling down heaven's streets of gold, seeing angels playing with children, talking with Jesus, meeting with people from the Bible, as well as departed family and friends, seeing the mansions, and much more! Through Sigmund's testimony, God restored sight to the blind, hearing to the deaf, and even raised several people from the dead. Also, glimpse into the horrifying reality of "the other place"—a place where no one wants to go.

Carla Matthews is a single mother struggling to make ends meet and give her daughter Kaleigh a decent upbringing. When Kaleigh's absent father Seth—a famous alpine climber who never wanted to be tied down—begs for a second chance at fatherhood, Carla is hesitant because she doesn't want to pin her hopes on a man who is always seeking another mountain to scale. A man who was never willing to stay put in one place and raise a family. But when Seth's plane goes missing after a crash landing in the harsh Canadian wilderness, Carla must wait for news... Is he dead or alive? Will the wreckage ever be found? One year later, after having given up all hope, Carla receives a phone call that shocks her to her core. A man has been found, half-dead, floating on an iceberg in the North Atlantic, uttering her name. Is this Seth? And is it possible that he will come home to her and Kaleigh at last, and be the man she always dreamed he would be? "Julianne MacLean knows what her audience likes...compelling characters and a soul-baring journey of love." — Reader to Reader While each novel in the series can be read as a standalone, there are many more books to love in this series. ### The Urantia Book Thomas Nelson

A young boy emerges from life-saving surgery with remarkable stories of his visit to heaven. Heaven Is for Real is the true story of the four-year old son of a small town Nebraska pastor who during emergency surgery slips from consciousness and enters heaven. He survives and begins talking about being able to look down and see the doctor operating and his dad praying in the waiting room. The family didn't know what to believe but soon the evidence was clear. Colton said he met his miscarried sister, whom no one had told him about, and his great grandfather who died 30 years before Colton was born, then shared impossible-to-know details about each. He describes the horse that only Jesus could ride, about how "reaaaally big" God and his chair are, and how the Holy Spirit "shoots down power" from heaven to help us. Told by the father, but often in Colton's own words, the disarmingly simple message is heaven is a real place, Jesus really loves children, and be ready, there is a coming last battle.

### The Color of Love W. W. Norton & Company

A visceral, first-hand account of the afterlife. Laurie Ditto's life was forever marked when she experienced supernatural visions of hell. She knew these encounters were meant as a wake-up call for herself and others, so she has made it her mission to share this message with the world. The Hell Conspiracy is a somber warning. It records harrowing accounts of souls enduring endless torture and eternal separation from God. It also reveals terrifying secrets of the afterlife in Hell, including...

The five pains of hell: water, bone marrow, breath, agreement, and the garment. The activity of demons. The connection between unforgiveness and eternal torment. The ultimate destination and fate of the condemned. The changing shape of people's bodies in hell. But this book is also a beacon of hope! These horrors are contrasted with the glorious hope of Heaven. Those who receive salvation through Jesus escape torment and experience an eternity of life as it was meant to be: as renewed bodies, souls, and spirits in perfect relationship with God. The alarm is sounding! Heaven and Hell are real. Where will you go?

Timeless, beautiful, and haunting, spirals connect the four episodes of The Ghosts of Heaven, the mesmerizing new novel from Printz Award winner Marcus Sedgwick. They are there in prehistory, when a girl picks up a charred stick and makes the first written signs; there tens of centuries later, hiding in the treacherous waters of Golden Beck that take Anna, who people call a witch; there in the halls of a Long Island hospital at the beginning of the 20th century, where a mad poet watches the oceans and knows the horrors it hides; and there in the far future, as an astronaut faces his destiny on the first spaceship sent from earth to colonize another world. Each of the characters in these mysterious linked stories embarks on a journey of discovery and survival; carried forward through the spiral of time, none will return to the same place. This title has Common Core connections.

THE DAYS OF HEAVEN The days of heaven are peaceful days, Still as yon glassy sea; So calm, so still in God, our days, As the days of heaven would be. The days of heaven are holy days, From sin forever free Two little words are found in the Greek version here. They are translated "\_ton kairon\_" in the revised version, "Buying up for yourselves the opportunity." The two words \_ton kairon\_ mean, literally, the opportunity. They do not refer to time in general, but to a special point of time, a juncture, a crisis, a moment full of possibilities and quickly passing by, which we must seize and make the best of before it has passed away.

An illuminating look at the surprising history and science of astrology, civilization's first system of algorithms, from Babylon to the present day. Humans are pattern-matching creatures, and astrology is the universe's grandest pattern-matching game. In this refreshing work of history and analysis, data scientist Alexander Boxer examines classical texts on astrology to expose its underlying scientific and mathematical framework. Astrology, he argues, was the ancient world's most ambitious applied mathematics problem, a monumental data-analysis enterprise sustained by some of history's most brilliant minds, from Ptolemy to al-Kindi to Kepler. Thousands of years ago, astrologers became the first to stumble upon the powerful storytelling possibilities inherent in numerical data. To correlate the configurations of the cosmos with our day-to-day lives, astrologers relied upon a "scheme of heaven," or horoscope, showing the precise configuration of the planets at a particular instant in time as viewed from a particular place on Earth. Although recognized as pseudoscience today, horoscopes were once considered a cutting-edge scientific tool. Boxer teaches us how to read these esoteric charts—and appreciate the complex astronomical calculations needed to generate them—by diagramming how the heavens appeared at important moments in astrology's history, from the assassination of Julius Caesar as viewed from Rome to the Apollo 11 lunar landing as seen from the surface of the Moon. He then puts these horoscopes to the test using modern data sets and statistical science, arguing that today's data scientists do work similar to astrologers of yore. By looking back at the algorithms of ancient astrology, he suggests, we can better recognize the patterns that are

timeless characteristics of our own pattern-matching tendencies. At once critical, rigorous, and far ranging, A Scheme of Heaven recontextualizes astrology as a vast, technological project—spanning continents and centuries—that foreshadowed our data-driven world today.

From USA Today bestselling author Julianne MacLean comes an inspiring novel about secrets, forgiveness, and second chances. It ' s the newest title in her popular Color of Heaven Series, where people are affected by real life magic and miracles that change everything they once believed about life and love. It ' s been five years since Emma Cochran endured the worst possible tragedy—the sudden, unexpected death of her four-year-old son. The emotional trauma tore her marriage apart, but now her divorce is final and she wants to begin again.

She ' s found happiness at last with her fiancé , Luke, who is eager to start a family with her. On the other side of the country, single mother Bev Hutchinson watches helplessly as her five-year-old daughter Louise drowns in a high-profile boating accident. Miraculously, Louise is brought back to life and claims she went to heaven. The news causes a media frenzy surrounding the little girl, and Bev does everything she can to shield herself and her daughter from the relentless swarming of the press. Lives collide when Emma becomes obsessed with the story of the child, thousands of miles away, who drowned and went to heaven. She wants to connect with the mother, but Emma ' s fiancé is

against the idea because he wants her to let go of her grief and move on. But sometimes, moving on isn ' t the right choice when miracles are leading you back to your past—toward something, or someone, who was your destiny all along. Praise for the novels in the Color of Heaven Series: "Full of high emotional moments and unexpected twists and turns, these Color of Heaven books are impossible to put down." - New York Times bestselling author, Emily March "A gripping, emotional tale you'll want to read in one sitting." - New York Times bestselling author, Julia London "Brilliantly poignant mainstream tale." — 4 ½ starred review, Romantic Times “ I never know what to say about a Julianne MacLean book, except to say YOU HAVE TO READ IT." - AllRomanceReader.ca "The Color of Time is an emotionally

charged, riveting exploration of how our lives may change within the scope of a single event. And sometimes what we want isn ' t always what we need. Fabulous, thought-provoking read." — Tanya Anne Crosby, New York Times bestselling author "A box of tissues should be included in the purchase price of this book.... The Story of the Heavens Julianne MacLean  
USA today bestselling author Julianne MacLean's Regency-era trilogy of royal romance comes to a thrilling, breathtaking conclusion...Marriage is more than she ever bargained for.Prince Nicholas of Petersburg is an infamous ladies' man, but even he doesn't expect a flirtation at a masquerade ball to turn into abduction. Especially with a jailor as temptingly beautiful as the young woman on the other side of the locked door.Veronique Montagne was desperate when she agreed to kidnap a prince to settle her profligate father's gambling debts, and she certainly didn't imagine that her prisoner might sweet-talk her into helping him escape. Saving her home is now the least of her troubles, especially when the attraction simmering between her and the angry prince blazes into true passion. To save them both from scandal, Nicholas proposes a convenient marriage, but when a vengeful plot threatens to tear them apart, he just might discover that Veronique's love is what he desires most of all."Julianne MacLean's writing is smart, thrilling, and sizzles with sensuality." - Elizabeth Hoyt

Longlisted for the Andrew Carnegie Medal for Excellence Finalist for the Oklahoma Book Award A Publishers Weekly Holiday Guide History Pick “ A book so gripping it can scarcely be put down.... Superb. ” —New York Times Book Review "WESTWARD HO! FOR OREGON AND CALIFORNIA!" In the eerily warm spring of 1846, George Donner placed this advertisement in a local newspaper as he and a restless caravan prepared for what they hoped would be the most rewarding journey of a lifetime. But in eagerly pursuing what would a century later become known as the "American dream," this optimistic-yet-motley crew of emigrants was met with a chilling nightmare; in the following months, their jingoistic excitement would be replaced by desperate cries for help that would fall silent in the deadly snow-covered mountains of the Sierra Nevada. We know these early pioneers as the Donner Party, a name that has elicited horror since the late 1840s.

With *The Best Land Under Heaven*, Wallis has penned what critics agree is “ destined to become the standard account ” (Washington Post) of the notorious saga. Cutting through 160 years of myth-making, the “ expert storyteller ” (True West) compellingly recounts how the unlikely band of early pioneers met their fate. Interweaving information from hundreds of newly uncovered documents, Wallis illuminates how a combination of greed and recklessness led to one of America ’ s most calamitous and sensationalized catastrophes. The result is a “ fascinating, horrifying, and inspiring ” (Oklahoman) examination of the darkest side of Manifest Destiny.
