Bingham Prize\* \*Finalist for the Kirkus Prize and Los Angeles Times Book Prize\* Included in Best Books of 2018 Lists from Refinery29, NPR, The Root, HuffPost, Vanity Fair, Bustle, Chicago Tribune, PopSugar, and The Undeclared. In one of the season's most acclaimed works of fiction—longlisted for the National Book Award and winner of the PEN Open Book Award—Nafissa Thompson-Spires offers “a firecracker of a book...a triumph of storytelling: intelligent, acerbic, and ingenious” (Financial Times). Nafissa Thompson-Spires grapples with race, identity politics, and the contemporary middle class in this “vivid, fast, funny, way-smart, and verbally inventive” (George Saunders, author of *Lincoln in the Bardo*) collection. Each captivating story plunges headfirst into the lives of utterly original characters. Some are darkly humorous—two mothers exchanging snide remarks through notes in their kids' backpacks—while others are devastatingly poignant. In the title story, when a cosplayer, dressed as his favorite anime character, is mistaken for a violent threat the consequences are dire; in another story, a teen struggles between her upper middle class upbringing and her desire to fully connect with so-called black culture. Thompson-Spires fearlessly shines a light on the simmering tensions and precariousness of black citizenship. Boldly resisting categorization and easy answers, Nafissa Thompson-Spires “has taken the best of what Toni Cade Bambara, Morgan Parker, and Junot Díaz do plus a whole lot of something we've never seen in American literature, blended it all together...giving us one of the finest short-story collections” (Kiese Laymon, author of *Long Division*).

A pathbreaking study of African-American women's responses to literature and film. . . . Bobo focuses on a small group of middle-class African-American women as they process literature (by Terry McMillan, Alice Walker) that addresses their own experiences. . . . This work should command the attention of all scholars of American popular culture. -- Choice How do black women react as an audience to representations of themselves, and how do their patterns of consumption differ from other groups? Interviews with ordinary black women from many backgrounds uses novels and films to reveal how black female audiences absorb works. -- Midwest Book Review

In the race to compete in today's fast-moving markets, large enterprises are busy adopting new technologies for creating new products, processes, and business models. But one obstacle on the road to digital transformation is placing too much emphasis on technology, and not enough on the types of processes technology enables. What if different lines of business could build their own services and applications—and decision-making was distributed rather than centralized? This report explores the concept of a digital business platform as a way of empowering individual business sectors to act on data in real time. Much innovation in a digital enterprise will increasingly happen at the edge, whether it involves business users (from marketers to data scientists) or IoT devices. To facilitate the process, your core IT team can provide these sectors with the digital tools they need to innovate quickly. This report explores: Key cultural and organizational changes for developing business capabilities through cross-functional product teams A platform for integrating applications, data sources, business partners, clients, mobile apps, social networks, and IoT devices Creating internal API programs for building innovative edge services in low-code or no-

code environments Tools including Integrationresilient and courageous woman has become a Platform as a Service, Application Platform as a Service, and Integration Software as a Service The challenge of integrating microservices and serverless architectures Event-driven architectures for processing and reacting to events in real time You'll also learn about a complete pervasive integration solution as a core component of a digital business platform to serve every audience in your organization.

"Ross Gay's eye lands upon wonder at every turn, bolstering my belief in the countless small miracles that surround us." —Tracy K. Smith, Pulitzer Prize winner and U.S. Poet Laureate The winner of the NBCC Award for Poetry offers up a spirited collection of short lyric essays, written daily over a tumultuous year, reminding us of the purpose and pleasure of praising, extolling, and celebrating ordinary wonders. Ross Gay's *The Book of Delights* is a genre-defying book of essays—some as short as a paragraph; some as long as five pages—that record the small joys that occurred in one year, from birthday to birthday, and that we often overlook in our busy lives. His is a meditation on delight that takes a clear-eyed view of the complexities, even the terrors, in his life, including living in America as a black man; the ecological and psychic violence of our consumer culture; the loss of those he loves. Among Gay's funny, poetic, philosophical delights: the way Botan Rice Candy wrappers melt in your mouth, the volunteer crossing guard with a pronounced tremor whom he imagines as a kind of boat-woman escorting pedestrians across the River Styx, a friend's unabashed use of air quotes, pickup basketball games, the silent nod of acknowledgment between black people. And more than any other subject, Gay celebrates the beauty of the natural world—his garden, the flowers in the sidewalk, the birds, the bees, the mushrooms, the trees. This is not a book of how-to or inspiration, though it could be read that way. Fans of Roxane Gay, Maggie Nelson, and Kiese Laymon will revel in Gay's voice, and his insights. *The Book of Delights* is about our connection to the world, to each other, and the rewards that come from a life closely observed. Gay's pieces serve as a powerful and necessary reminder that we can, and should, stake out a space in our lives for delight.

Winner of the Pulitzer Prize and the National Book Award, this novel about a

Broadway show and a cultural phenomenon. A PBS Great American Read Top 100 Pick *Celie* has grown up poor in rural Georgia, despised by the society around her and abused by her own family. She strives to protect her sister, Nettie, from a similar fate, and while Nettie escapes to a new life as a missionary in Africa, Celie is left behind without her best friend and confidante, married off to an older suitor, and sentenced to a life alone with a harsh and brutal husband. In an attempt to transcend a life that often seems too much to bear, Celie begins writing letters directly to God. The letters, spanning twenty years, record a journey of self-discovery and empowerment guided by the light of a few strong women. She meets Shug Avery, her husband's mistress and a jazz singer with a zest for life, and her stepson's wife, Sophia, who challenges her to fight for independence. And though the many letters from Celie's sister are hidden by her husband, Nettie's unwavering support will prove to be the most breathtaking of all. *The Color Purple* has sold more than five million copies, inspired an Academy Award-nominated film starring Oprah Winfrey and directed by Steven Spielberg, and been adapted into a Tony-nominated Broadway musical. Lauded as a literary masterpiece, this is the groundbreaking novel that placed Walker "in the company of Faulkner" (*The Nation*), and remains a wrenching—yet intensely uplifting—experience for new generations of readers. This ebook features a new introduction written by the author on the twenty-fifth anniversary of publication, and an illustrated biography of Alice Walker including rare photos from the author's personal collection. *The Color Purple* is the 1st book in the *Color Purple Collection*, which also includes *The Temple of My Familiar* and *Possessing the Secret of Joy*. *For colored girls who have considered suicide/When the rainbow is enuf* Research & Education Assoc.

Mixing cultural criticism, literary history, biography, and memoir, an exploration of Alice Walker's critically acclaimed and controversial novel, *The Color Purple* Alice Walker made history in 1983 when she became the first black woman to win the Pulitzer Prize and the National Book Award for *The Color Purple*. Published in the Reagan era amid a severe backlash to civil rights, the Jazz Age novel tells the story of racial and gender inequality through the life of a 14-year-old girl from Georgia who is haunted by domestic and sexual violence. Prominent academic and activist Salamishah Tillet

combines cultural criticism, history, and memoir to explore Walker's epistolary novel and shows how it has influenced and been informed by the zeitgeist. *The Color Purple* received both praise and criticism upon publication, and the conversation it sparked around race and gender still continues today. It has been adapted for an Oscar-nominated film and a hit Broadway musical. Through archival research and interviews with Walker, Oprah Winfrey, and Quincy Jones (among others), Tillet studies Walker's life and how themes of violence emerged in her earlier work. Reading *The Color Purple* at age 15 was a groundbreaking experience for Tillet. It continues to resonate with her—as a sexual violence survivor, as a teacher of the novel, and as an accomplished academic. Provocative and personal, *In Search of The Color Purple* is a bold work from an important public intellectual, and captures Alice Walker's seminal role in rethinking sexuality, intersectional feminism, and racial and gender politics.

A Black Man's Tribute to His White Mother Influence Publishers

A family from the United States goes to the remote Sierras in Mexico--Susannah, the writer-to-be; her sister, Magdalena; and their father and mother. There, amid an endangered band of mixed-race blacks and Indians called the Mundo, they begin an encounter that will change them more than they could ever dream. Moving back and forth in time, and among unforgettable characters and their magical stories, Walker brilliantly explores the ways in which a woman's denied sexuality leads to the loss of the much prized and necessary original self--and how she regains that self, even as her family's past of lies and love is transformed. . . .

*Womanist Prose* "O'Reilly Media, Inc."

"A classic novel of both feminism and the Civil Rights movement" in 1960s Atlanta by the Pulitzer Prize-winning author of *The Color Purple* (Ms.). As she approaches the end of her teen years, Meridian Hill has already married, divorced, and given birth to a son. She's looking for a second chance, and at a small college outside Atlanta, Georgia, in the early 1960s, Meridian discovers the civil rights movement. So fully does the cause guide her life that she's willing to sacrifice virtually anything to help transform the conditions of a people whose subjugation she shares. Meridian draws from Walker's own experiences working alongside some of the heroes of the civil rights movement, and the novel stands as a shrewd and affecting document of the dissolution of the Jim Crow South. This ebook features an illustrated biography of Alice Walker including rare photos from the author's personal collection.
