Ariel Faber & Faber

Sylvia Plath began keeping a diary as a young child. By the time she was at Smith College, when this book begins, she had settled into a nearly daily routine with her journal, which was also a sourcebook for her writing. Plath once called her journal her "Sargasso," her repository of imagination, "a litany of dreams, directives, and imperatives," and in fact these pages contain the germs of most of her work. Plath's ambitions as a writer were urgent and ultimately all-consuming, requiring of her a heat, a fantastic chaos, even a violence that burned straight through her. The intensity of this struggle is rendered in her journal with an unsparing clarity, revealing both the frequent desperation of her situation and the bravery with which she faced down her demons. Written in electrifying prose, The Journals of Sylvia Plath provide unique insight, and are essential reading for all those who have been moved and fascinated by Plath's life and work.

Millay: Poems Harper Collins

With this startling, exhilarating book of poems, which was first published in 1960, Sylvia Plath burst into literature with spectacular force. In such classics as "The Beekeeper's Daughter," "The Disquieting Muses," "I Want, I Want," and "Full Fathom Five," she writes about sows and skeletons, fathers and suicides, about the noisy imperatives of life and the chilly hunger for death. Graceful in their craftsmanship, wonderfully original in their imagery, and presenting layer after layer of meaning, the forty poems in The Colossus are early artifacts of genius that still possess the power to move, delight, and shock.

Sylvia Plath Poems Chosen by Carol Ann Duffy Faber & Faber

Holly Golightly knows that nothing bad can ever happen to you at Tiffany's. In this seductive, wistful masterpiece, Capote created a woman whose name has entered the American idiom and whose style is a part of the literary landscape—her poignancy, wit, and naïveté continue to charm. This volume also includes three of Capote's best-known stories, "House of Flowers," "A Diamond Guitar," and "A Christmas Memory," which the *Saturday Review* called "one of the most moving stories in our language." It is a tale of two innocents—a small boy and the old woman who is his best friend—whose sweetness contains a hard, sharp kernel of truth.

PULITZER PRIZE FINALIST • The highly anticipated biography of Sylvia Plath that focuses on her remarkable literary and intellectual achievements, while restoring the woman behind the long-held myths about her life and art. "One of the most beautiful biographies I've ever read." —Glennon Doyle, author of #1 New York Times Bestseller, *Untamed* With a wealth of never-before-accessed materials, Heather Clark brings to life the brilliant Sylvia Plath, who had precocious poetic ambition and was an accomplished published writer even before she became a star at Smith College. Refusing to read Plath's work as if her every act was a harbinger of her tragic fate, Clark considers the sociopolitical context as she thoroughly explores Plath's world: her early relationships and determination not to become a conventional woman and wife; her troubles with an unenlightened mental health industry; her Cambridge years and thunderclap meeting with Ted Hughes; and much more. Clark's clear-eyed portraits of Hughes, his lover Assia Wevill, and other demonized players in the arena of Plath's suicide promote a deeper understanding of her final days. Along with illuminating readings of the poems themselves, Clark's meticulous, compassionate research brings us closer than ever to the spirited woman and visionary artist who blazed a trail that still lights the way for women poets the world over.

The 100 Best Nonfiction Books of All Time Chartwell Books

One of America's most beloved poets, Edna St. Vincent Millay burst onto the literary scene at a very young age and won the Pulitzer Prize for Poetry in 1923. Her passionate lyrics and superbly crafted sonnets have thrilled generations of readers long after the notoriously bohemian lifestyle she led in Greenwich Village in the 1920s ceased to shock them. Millay's refreshing frankness and cynicism and her ardent appetite for life still burn brightly on the page more than half a century after her death. This volume includes the early poems that many consider her best—"Renascence" and "The Ballad of the Harp Weaver" among them—as well as such often-memorized favorites as "What lips my lips have kissed" and "First Fig" ("My candle burns at both ends . . ."). The poet's most famous verse drama, the one-act antiwar fable *Aria da Capo*, is included here as well.

This P.S. edition features an extra 16 pages of insights into the book, including author interviews, recommended reading, and more.
