The Comforters is the first novel by Scottish author Muriel Spark. She drew on experiences as a recent convert to Catholicism and having suffered hallucinations due to using Dexedrine, an amphetamine then available over the counter for dieting. Although completed in late 1955, the book was not published until 1957. A mutual friend, novelist Alan Bardsley,

had sent the proofs to Evelyn Waugh. At the time Waugh was writing *The Ordeal of Gilbert Pinfold*, which dealt with his own drug-induced hallucination.

The Comforters Summary - eNotes.com

Muriel Spark's first novel is a droll, genre mixing blend of cozy crime, black-magic superstition, and religious longing. Her dead wrong believers anticipate the infamous Miss Jran Brody, and a wonderful old lady reminds us of Miss Marple only on the other side of the law. The Comforters is a great start to a great career.
