What they should do is recognize that the world is in a war for jobs. It seems that leadership has lost the will to win, especially in America, but this is a competition for our lives. To win, leaders need to compete. Everyone does. The public school system needs to inculcate

kids with the knowledge they'll need to compete in the jobs war.

The Coming Jobs War | Jim Clifton | Soundview Summary

Jim Clifton's 'The Coming Jobs War' is about how America can avoid an economic downfall by creating more good jobs and preventing their citizens from fighting for good jobs. Contrary to popular belief, this cannot be done by the government alone, but has to be a collective effort from the entire nation.
