## The Adversary Wizards of the Coast

New York Times and USA Today Bestseller! R. A. Salvatore returns with one of fantasy's most beloved and enduring icons, the dark elf Drizzt Do'Urden, in an all-new trilogy full of swordplay, danger, and imaginative thrills. Centuries ago, in the city of Menzoberranzan, the City of Spiders, the City of Drow, nestled deep in the unmerciful Underdark of Toril, a young weapon master earned a reputation far above his station or that of his poor house. The greater nobles watched him, and one matron, in particular, decided to take him as her own. She connived with rival great houses to secure her prize, but that prize was caught for her by another, who came to quite enjoy the weapon master. This was the beginning of the friendship between Zaknafein and Jarlaxle, and the coupling of Matron Malice and the weapon master who would sire Drizzt Do'Urden. R. A. Salvatore reveals the Underdark anew through the eyes of Zaknafein and Jarlaxle—an introduction to the darkness that offers a fresh view of the opportunities to be found in the shadows and an intriguing prelude to the intriguing escapes that lie ahead in the modern-day Forgotten Realms. Here, a father and his son are reunited and embark on adventures that parallel the trials of centuries long past as the friends of old are joined by Drizzt, Hero of the North, trained by Grandmaster Kane in the ways of the monk. But the scourge of the dangerous Lolth's ambitions remain, and demons have been foisted on the unwitting of the surface. The resulting chaos and war will prove to be the greatest challenge for all three.

GamesFiends.com "Emotional, respectful of its characters, intelligently written and structured, and finally summons a sense of nostalgic sorrow throughout"—Fantasy Book Review on Gauntlgrym, Neverwinter Saga Book I "Full of excitement. Salvatore has mastered the art of showing a beautiful fight scene, and he is at the top of his game in this one. We meet many characters with many different fighting styles, and Salvatore does a great job of distinguishing between them. He manages to take these scenes from so much more than just a fight scene, to an integral part of the story."—The SFF Hub on Gauntlgrym, Neverwinter Saga Book I "A quick read with some very satisfying fight scenes. It's also deeply layered with emotional atmosphere" —California Literary Review on Gauntlgrym, Neverwinter Saga Book I
