The PreHistory of The Far Side Moody Publishers

Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language-quality

time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called A Love Language Minute that can be heard on more than 150 radio stations as well as the weekly syndicated program Building Relationships with Gary Chapman, which can both be heard on fivelovelanguages.com. The

Five Love Languages is a consistent New York Times bestseller - with over 5 million copies sold and translated into 38 languages. This book is a sales phenomenon, with each year outselling the prior for 16 years running!

We all know Garry

Larson...a quirky

talented artist and damn

great golfer. Garry finds

humor in the game and

those who play it. At

least 3 holes-in-one and

a powerful swing, Garry

is a monster on the

course and he is not

afraid to let you know it.

His unconventional take

on the game and life in

general makes him the

perfect author for this

colorful book

Beyond the Far Side

Sphere

Kerry D. Soper reminds us of The Far Side's groundbreaking qualities and cultural significance in Gary Larson and "The Far Side." In the 1980s, Gary Larson (b. 1950) shook up a staid comics page by introducing a set of aesthetic devices, comedic tones, and philosophical frames that challenged and delighted many readers, even while upsetting and confusing others. His irreverent, single panels served as an alternative reality to the tame comedy of the family-friendly newspaper comics page, as well as the pervasive, button-down consumerism and conformity of the Reagan era. In this first full study of Larson's art, Soper follows the arc of the cartoonist's life and career, describing the aesthetic and comedic qualities of his work, probing the business side of his success, and

exploring how The Far Side brand as a whole--with its iconic characters and accompanying set of comedic and philosophical frames--connected with its core readers. In effect, Larson reinvented his medium by creatively working within, pushing against, and often breaking past institutional, aesthetic, comedic, and philosophical parameters. Due to the comic's great success, it opened the door for additional alternative voices in comics and other popular mediums. With its intentionally awkward, minimalistic lines and its morbid humor, The Far Side expanded Americans' comedic palette and inspired up-and-coming cartoonists, comedians, and filmmakers. Soper re-creates the cultural climate and media landscape in which The Far Side first appeared and thrived, then assesses how it impacted worldviews and shaped the

comedic sensibilities of a generation of cartoonists, comedy writers, and everyday fans.

The Far Side Andrews

McMeel Publishing
Contains every Far Side cartoon ever syndicated (over 4,000), plus more than 1,000 cartoons that have never before appeared in a book. Includes hate mail, fan letters, queries from puzzled readers, and more.

Night of the Crash Test
Dummies Andrews McMeel
Publishing

Since "The Far Side's" debut in January 1980, fans have bought more than 40 million "Far Side" books and more than 60 million calendars. Now, at long last, the ultimate "Far Side" book has arrived as a hefty, deluxe, two-volume slipcased set. A masterpiece of comic brilliance, The Complete Far Side contains every "Far Side" cartoon ever syndicated--over 4,000 if you must know--presented

in (more or less) chronological order by year of publication, with more than 1,100 that have never before appeared in a book. Creator Gary Larson offers a rare glimpse into the mind of "The Far Side in quirky and thoughtful introductions to each of the 14 chapters. Complaint letters, fan letters, and queries from puzzled readers appear alongside some of the more provocative or elusive panels, and actor, author, and comedian Steve Martin offers his pithy thoughts in a foreword.

Red Rising Andrews McMeel Publishing
"Berkeley Breathed's Bloom County debuted in late 1980 and ran until August 1989. Featuring an exceedingly quirky cast of characters, including the sweetly naive Opus the penguin, the flea-bitten Bill the cat, womanizing attorney Steve Dallas, Milo Bloom, Cutter John, and many others, Bloom County soon became one of the most popular comic strips in history, appearing in over 1200 newspapers. Then, at the peak of its popularity, Berkeley Breathed did something unprecedented... he walked away" --
