Get ready for Judgment Day. For centuries, humans have dreaded—and anticipated—the end of the world. These fears—fueled by natural disasters, famines, world wars, and the writings of people like Nostradamus and Jeane Dixon—have left us with more questions than answers. In *The Complete Idiot's Guide® to the Last Days*, Richard H. Perry goes to the definitive source on the subject: the Bible itself. • While the book is as exciting as an action/adventure novel, the author's primary source is the Bible, and he guides his readers to an understanding of the Last Days by using related Scripture. • Covers Bible basics and the Signs of the Times. • Includes timelines of every stage leading up to the Last Days and after.
