AN INSTANT NEW YORK TIMES BESTSELLER • A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the "shefault" parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is *Fair Play*: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, *Fair Play* helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. "Winning" this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try *Fair Play*? Let's deal you in.

Jack Kornfield had gathered together the Buddha's best and most beautiful words and those of his countless disciples to create an enlightening, accessible and practical companion for those in search of the Buddha's path of happiness. The simple, but profound, verses and quotations in *BUDDHA'S LITTLE INSTRUCTION BOOK* explore the themes of individual awareness and kindness, wise relationships and the interconnection of all beings, and act as a reminder that anyone can live with the mindfulness and compassion of a Buddha. The section on the Art of Meditation includes easily followed meditations for sitting, walking, eating, loving kindness, forgiveness and compassion.

The Lifespan Development of Writing Thomas Nelson

Nothing is more exciting to find...more devastating to lose...or more difficult to capture in words. We never stop trying to describe love. Yet, we never fully succeed. In the number-one bestseller *Life's Little Instruction Book*, H. Jackson Brown, Jr. shared some of the things he had learned about life and love. Many of Brown's readers wrote back with their own insights. In this little treasure book, Brown adds some of their discoveries to his own observations about love, plus favorite lines of poetry, prose, and song. This book reminds us that love is not only an exquisite feeling but also a profound responsibility.

Start with Why Harper Collins

Click. Whir. Buzz. Not so long ago, math problems had to be solved with pencil and paper, mail delivered by postman, and files were stored in paper folders and metal cabinets. But three women, Betty

Snyder, Jean Jennings, and Kay McNulty knew there could be a better way. During World War II, people hoped ENIAC (Electronic Numerical Integrator and Computer), one of the earliest computers, could help with the war effort. With little guidance, no instructions, and barely any access to the machine itself, Betty, Jean, and Kay used mathematics, electrical engineering, logic, and common sense to command a computer as large as a room and create the modern world. The machine was like Betty, requiring outside-the-box thinking, like Jean, persistent and consistent, and like Kay, no mistakes, every answer perfect. Today computers are all around us, performing every conceivable task, thanks, in large part, to Betty, Jean, and Kay's pioneering work. *Instructions Not Included* is their story. This fascinating chapter in history is brought to life with vivid prose by Tami Lewis Brown and Debbie Loren Dunn and with striking illustrations by Chelsea Beck. Detailed back matter including historical photos provides a closer look.

Just to see how it feels, for the next twenty-four hours refrain from criticizing anybody or anything. You, then, why do you judge your brother? Or why do you look down on your brother? For we will all stand before God's judgment seat. (Romans 14:10) Overtip breakfast

A generous man will prosper; he who refreshes others will himself be refreshed. (Proverbs 11:25) Be enthusiastic about the success of others. And if one member suffers, all the members suffer with it; or if one member is honored, all the members rejoice with it. (I Corinthians 12:26) *Life's Little Instruction Book*™ revolutionized book publishing when it was first published with "511 suggestions, observations, and reminders on how to live a happy and rewarding life." It remained on the New York Times bestseller list for two years, sold more than ten million copies, and was translated into thirty languages. H. Jackson Brown, Jr. and his wife, Rosemary, became convinced that one of the reasons for the enduring popularity of the three volumes of *Life's Little Instruction Book*™ was that many of its observations and reminders repeated in fresh, new language the timeless wisdom of the Bible. They searched the Scriptures and found biblical passages that corresponded to or complemented 300 entries in the three volumes of *Life's Little Instruction Book*™. The combination of ancient wisdom with contemporary expression serves to instruct, inspire, and enlighten in a compelling way.
