arranged in the general order in which he wrote them. Lyrical and pungent, passionate and polemical, the result is a treasure of a book, the essential collection of a poet whose words have entered our common language.

The collection spans five decades, and is comprised of 868 poems (nearly 300 of which never before appeared in book form) with annotations by Arnold Rampersad and David Roessel.

Alongside such famous works as "The Negro Speaks of Rivers" and *Montage of a Dream Deferred*, *The Collected Poems* includes Hughes's lesser-known verse for children; topical poems distributed through the Associated Negro Press; and poems such as "Goodbye Christ" that were once suppressed.

Empson's poetry occupies a central place in 20th century literature. Acclaimed as the author of *Seven Types of Ambiguity* (1930). William

Empson was applauded also for the dazzling intelligence and emotional passion of his poems. T.S. Eliot praised the brain power and intense feeling of his poetry; F.R. Leavis hailed him as the first true successor to John Donne.

Other writers as diverse as W.B. Yeats, Dylan Thomas and John Betjeman have admired his elegant, humane and moving work. Robert Lowell told Empson: I think you are the most intelligent poet writing in our language and perhaps the best. I put you with Hardy and Graves and Auden and Philip Larkin

One of the major figures of English Romanticism, Samuel Taylor Coleridge (1772-1834) created works of remarkable diversity and imaginative genius. The period of his creative friendship with William Wordsworth inspired some of Coleridge's best-known poems, from the nightmarish vision of the 'Rime of the Ancient Mariner' and the opium-inspired 'Kubla Khan' to the

sombre passion of 'Dejection: Poets, 1991). The An Ode' and the medieval ballad 'Christabel'. His meditative 'conversation' poems, such as 'Frost at Midnight' and 'This Lime-Tree Bower My Prison', reflect on remembrance and solitude, while late works, such as 'Youth and Age' and 'Constancy to an Ideal Object', are haunting meditations on mortality and lost love.

*Milton* Simon & Schuster Books For Young Readers  
This volume is the only collected edition of poems by Jean Toomer, the enigmatic American writer, Gurdjieffian guru, and Quaker convert who is perhaps best known for his 1923 lyrical narrative *Cane*. The fifty-five poems here -- most of them previously unpublished -- chart a fascinating evolution of artistic consciousness. The book is divided into sections reflecting four distinct periods of creativity in Toomer's career. The Aesthetic period includes Imagist, Symbolist, and other experimental pieces, such as "Five Vignettes," while "Georgia Dusk" and the newly discovered poem "Tell Me" come from Toomer's Ancestral Consciousness period in the early 1920s. "The Blue Meridian" and other Objective Consciousness poems reveal the influence of idealist philosopher Georges Gurdjieff. Among the works of this period the editor presents a group of local color poems picturing the landscape of the American Southwest, including

"Imprint for Rio Grande." "It Is Everywhere," another newly discovered poem, celebrates America and democratic idealism. The Quaker religious philosophy of Toomer's final years is demonstrated in such Christian Existential works as "They Are Not Missed" and "To Gurdjieff Dying." Robert Jones's clear and comprehensive introduction examines the major poems in this volume and serves as a guide through the stages of Toomer's evolution as an artist and thinker. The *Collected Poems* of Jean Toomer will prove essential to Toomer's admirers as well as to scholars and students of modern poetry, Afro-American literature, and American studies. As a diplomat in Renaissance Europe, and a luminary at the court of Henry VII, Sir Thomas Wyatt wrote in an incestuous world where everyone was uneasily subject to the royal whims and rages. Wyatt had himself survived two imprisonments in the

Tower as well as a love affair with Anne Boleyn, and his poetry - that of an extraordinarily sophisticated, passionate and vulnerable man - reflects these experiences, making disguised reference to current political events. Above all, though, Wyatt is known for his love poetry, which often dramatizes incidents and remembered conversations with his beloved, with an ear acutely sensitive to patterns of rhythm and colloquial speech. Conveying the actuality of betrayal or absence, and the intense pressure of his longing for a love that could be trusted, these are some of the most haunting poems in the English language.

Born in 1830, Christina Rossetti began composing verse at the age of eleven and continued to write for the remaining fifty-three years of her life. Her brother Dante Gabriel Rossetti, himself a poet and painter, soon recognized her genius and urged her to publish her poems. By the time of her death in 1894, Christina had written more than eleven hundred poems and had published over nine hundred of them. Although she is regarded as the greatest woman poet of the Victorian period, there has not been until now an authoritative edition of her poetry. In this

second volume of the three-volume *The Complete Poems of Christina Rossetti*, R.W. Crump continues the editorial standards she established in Volume I, published in 1979. She gives the reader a comprehensive text with notes revealing Christina's process of composition and revision and her painstaking concern for the technical details of her work. The variant readings in the notes are taken from extant manuscripts, individual poems as published or privately printed before being incorporated into her published collections, and all the English and American editions of her poems through William Michael Rossetti's *The Poetical Works of Christina Georgina Rossetti* (1904). A special feature of both Volumes I and II is a complete list of holographs and their locations. Volume II contains *Sing-Song: A Nursery Rhyme Book* (1872), *A Pageant and Other Poems* (1881), and *Verses* (1893), as well as the poems added to these volumes after their original publication. Volume III contains poems Christina published but did not

Early posthumously published collections-some of them featuring liberally edited versions of the poems-did not fully and accurately represent Dickinson's bold experiments in prosody, her tragic vision, and the range of her intellectual and emotional explorations. Not until the 1955 publication of *The Complete Poems of Emily*

Dickinson, a three-volume critical edition compiled by Thomas H. Johnson, were readers able for the first time to assess, understand, and appreciate the whole of Dickinson's extraordinary poetic genius.

Algernon Charles Swinburne (1837-1909) is, with Browning and Tennyson, one of the touchstone Victorian poets. He was a major critic and an important fiction writer as well. Emerging out of the Pre-Raphaelite circle, his bold and innovative work made him both a celebrated and controversial writer at home and a figure of international importance. Hugo, Baudelaire, and Mallarm were among his great admirers. Jerome McGann and Charles L.
