The War of the Worlds HarperCollins UK

First published in 1978, this collection of nineteen of J. G. Ballard's best short stories is as timely and informed as ever. His tales of the human psyche and its relationship to nature and technology, as viewed through a strong microscope, were eerily prescient and now provide greater perspective on our computer-dominated culture. Ballard's voice and vision have long served as a font of inspiration for today's cyber-punks, the authors and futurists who brought the information age into the mainstream.

Vermilion Sands Macmillan

The classic, award-winning novel, made famous by Steven Spielberg's film, tells of a young boy's struggle to survive World War II in China. Jim is separated from his parents in a world at war. To survive, he must find a strength greater than all the events that surround him. Shanghai, 1941 -- a city aflame from the fateful torch of Pearl Harbor. In streets full of chaos and corpses, a young British boy searches in vain for his parents.

Imprisoned in a Japanese concentration camp, he is witness to the fierce white flash of Nagasaki, as the bomb bellows the end of the war...and the dawn of a blighted world. Ballard's enduring novel of war and deprivation, internment camps and death marches, and starvation and survival is an honest coming-of-age tale set in a world thrown utterly out of joint.

Crash W. W. Norton & Company

'The world, without rain, is drying up. Rivers are a trickle and we see the shrivelling of the species far from its sources and headed lemming-like for the sea. Time has burst its dams and seeps inside the race-structure with bizarre results A strange and rather wonderful book full of haunting landscapes, phantasmagoria and disaster that clangs on the mind. An impressive novel at any level. Its obscurities and surrealist flourishes only heighten the dreamlike atmosphere.' *Guardian*

The Voices of Time Berkley

"In twenty-nine separate but ingenious ways, these stories seek permanent residence within a reader. They strive to become an emotional or intellectual cargo that might accompany us wherever, or however, we go. . . . If we are made by what we read, if language truly builds people into what they are, how they think, the depth with which they feel, then these stories are, to me, premium material for that construction project. You could build a civilization with them." —Ben Marcus, from the Introduction Award-winning author of *Notable American Women* Ben Marcus brings us this engaging and comprehensive collection of short stories that explore the stylistic variety of the medium in America today. *Sea Oak* by George Saunders *Everything Ravaged, Everything Burned* by Wells Tower *Do Not Disturb* by A.M. War Fever HarperCollins UK

"This fable lifts a great freight of ideas effortlessly...The story of an expedition driven on by wishes of possession and power but guided internally by myths of America whose sources lie in the late 20th century." —Guardian
Following the energy crisis of the late twentieth century, America has been abandoned. Now, a century later, a small group of European explorers returns to the now climatically mutated continent. But America is unrecognizable—the Bering Strait has been dammed and much of the country has become a desert, populated by isolated natives and the bizarre remnants of a disintegrated culture. The expedition sets off from Manhattan on a cross-country journey, through Holiday Inns and abandoned theme parks, to uncover a shocking new power in the heart of Las Vegas.

The Drowned World HarperCollins UK

"A remarkable piece of invention, a flight from the world of the familiar and the real into the exotic universe of dream and desire." —New York Times Book Review
When a light aircraft crashes into the Thames at Shepperton, the young pilot who struggles to the surface minutes later seems to have come back from the dead. Within hours everything in the dormitory suburb is transformed. Vultures invade rooftops, luxuriant tropical vegetation overruns the quiet avenues, and the local inhabitants are propelled by the young man's urgent visions through ecstatic sexual celebrations toward an apocalyptic climax. In this characteristically inventive novel Ballard displays to devastating effect the extraordinary imagination that has established him as one of the twentieth century's most visionary writers.
