**Crossroads** Zondervan

The CEO of Athenahealth reflects on his journey from ambulance driver to CEO of one of the nation's fastest-growing tech companies to outline a blueprint for improving the current health-care system through innovation, less regulation and a wider range of customer choices.

**The Complete Yes, Minister** Farrar, Straus and Giroux

**The Complete Yes, Minister** HarperCollins

**The Complete Yes Minister** The Complete Yes, Minister

?Yes Minister was more than a sitcom, it was a crash course in Contemporary Political Studies. " Armando Iannucci

Where Does it Hurt? Faber & Faber

Jonathan Lynn's credits include creating and co-writing the long-running comedy series Yes, Minister and Yes, Prime Minister, as well as hit films Clue, My Cousin Vinny, Nuns on the Run and The Whole Nine Yards. With experience as a comedy actor, writer and director, here Jonathan Lynn shares valuable and hilarious lessons in all aspects of creating great comedy, all illustrated with brilliantly insightful and revealing anecdotes about his work and the legendary actors, writers and comedians he's worked alongside.

**Yes Prime Minister** Simon and Schuster

Based on the humorous British television series, a cabinet minister recounts his difficulties in working with government bureaucracy

**The Complete Yes Minister** Random House

The New Machiavelli is a gripping account of life inside 'the bunker' of Number 10. In his twenty-first century reworking of Niccolo

Machiavelli's influential masterpiece, The Prince, Jonathan Powell - Tony Blair's Chief of Staff from 1994 - 2007 - recounts the inside story of that period, drawing on his own unpublished diaries. Taking the lessons of Machiavelli derived from his experience as an official in fifteenth-century Florence, Powell shows how these lessons can still apply today. Illustrating each of Machiavelli's maxims with a description of events that occurred during Tony Blair's time as Prime Minister, The New Machiavelli is designed to be The Prince for modern times.

**Samaritans** HarperCollins

' His best novel yet ... A Middlemarch-like triumph ' Telegraph

**Elizabeth R** Portfolio

'Jonathan Lynn, already a comedy legend, has reinforced his storied reputation with this coruscating, wrathful, passionate, hilarious and astonishingly timely novel.' - Stephen Fry Samaritans Medical Center, Washington DC, can't seem to look after itself and its increasingly desperate doctors, let alone its patients. The chairman of the board, billionaire arms dealer and part-time philanthropist David Soper, decides that it's time to kill or cure. Business School alumnus and Las Vegas hotel genius Max Green is the perfect man for the job. A man of vision. A man with a mission. A man who knows that wealth-care is smarter than healthcare. He's going to make Samaritans great again. Andrew Sharp, star cardio-thoracic surgeon, turns his back on the NHS and buys in to this brave new world of Porsches and payola. But when his American Dream turns into a living nightmare, Andrew discovers that even the new-found love of his assistant, Cathy, may not be enough to save him... Samaritans is the new novel from the co-creator and writer of Yes Minister and Yes Prime Minister. Praise for Samaritans 'A book George Orwell would have approved of.' The Sunday Times 'It's wonderful! I was hooked, mouth open, heart pounding. The catastrophic state of medical care is his story but Samaritans can be read too as a wider allegory, a discourse on a politics of greed, dis-entitlement, deregulation and social brutality that has run quite mad.' - Stephen Fry 'Jonathan

Lynn tackles the US healthcare system in satirical splendour. I laughed out loud. It is both hilarious and scary at the same time! Nobody does it better.' - Barbara Broccoli 'Jonathan Lynn utilizes his legendary comedy genius to enjoy making us laugh at an absurdity, as he subtly awakens us to the fact that the absurd is the reality, and that the joke is on us for not having noticed. This is a book that is as politically and socially important as is it is entertaining.' - Muriel Gray 'Jonathan Lynn takes on the US medical system with the same probing laser he applied to Yes Minister and wryly proves that malpractice makes profit. Funny and ingenious.' - Maureen Lipman Jonathan Lynn is the multi-award winning author of The Complete Yes Minister and The Complete Yes, Prime Minister, which were drawn from the phenomenally successful BBC series which he create and wrote with Antony Jay, and which sold more than a million copies in hardback. They have been translated into numerous languages and are still in print nearly 30 years later. Other writing: a novel Mayday, the play The Patriotic Traitor and a memoir Comedy Rules. His films as director include Clue, Nuns on the Run (both of which he wrote), My Cousin Vinny, The Distinguished Gentleman and The Whole Nine Yards. Numerous writing awards include a BAFTA and a Special Award from the Campaign For Freedom of Information.

**Yes Minister** Faber & Faber

Based on the BBC TV series written by Jonathan Lynn and Antony Jay. In It Biteback Pub

The Power of Godliness is a key work to understand Mormon conceptions of priesthood, authority, and gender. With in-depth research and never previously used documents, Jonathan A. Stapley explores the rituals of ordination, temple "sealings," baby blessings, healing, and cunning-folk traditions. In doing so, he demonstrates that Mormon liturgy includes a much larger and more complex set of ritualized acts of worship than the specific rites of initiation, instruction, and sealing that take place within the temple walls. By exploring Mormonism's liturgy more broadly, The Power of Godliness shows both the nuances of Mormon belief and practice, and how the Mormon ordering of heaven and earth is not a mere philosophical

or theological exercise. Stapley examines Mormonism's liturgical history to reveal a complete religious world, incorporating women, men, and children all participating in the construction of the Mormon universe. This book opens new possibilities for understanding the lived experiences of women and men in the Mormon past and present, and investigates what work these rituals and ritualized acts actually performed in the communities that carried them out. By tracing the development of the rituals and the work they accomplish, *The Power of Godliness* sheds important new light on the Mormon universe, its complex priesthoods, authorities, and powers. *The Complete Yes Prime Minister* Bloomsbury Publishing USA To celebrate the show's 20th anniversary, BBC Radio Collection is reissuing the titles in the *Yes Minister* and *Yes Prime Minister* series. This volume contains four classic episodes: *The Compassionate Society*, *The Greasy Pole*, *The Skeleton in the Cupboard* and *A Question of Loyalty*.

The behind-the-scenes story of one of the most successful and admired sitcoms of the 1980s In 1977 the BBC commissioned a new satirical sitcom set in Whitehall. Production of its first series was stalled, however, by the death throes of Jim Callaghan's Labour government and the 'Winter of Discontent'; Auntie being unwilling to broadcast such an overtly political comedy until after the general election of 1979. That *Yes Minister* should have been delayed by the very events that helped bring Margaret Thatcher to power is, perhaps, fitting. Over three series from 1980 - and two more as *Yes, Prime Minister* until 1988 - the show mercilessly lampooned the vanity, self-interest and incompetence of our so-called public servants, making its hapless minister Jim Hacker and his scheming Permanent Secretary Sir Humphrey two of the most memorable characters British comedy has ever produced. The new prime minister professed it her favourite television programme - a 'textbook on the State in inaction - and millions of British viewers agreed. In the years since *Yes Minister* has become a national treasure: Sir Humphrey's slippery circumlocutions have entered the lexicon, regularly quoted by political commentators, and the series' cynical vision of government seems as credible now as it did thirty years ago. Much of this success can be credited to its writers, Antony Jay and Jonathan Lynn, who drew on their contacts in Westminster to rework genuine political folly as situation comedy. Storylines that seemed absurd to the public were often rooted in actual events - so much so that they occasionally attracted the scrutiny of Whitehall mandarins. In *A Very Courageous Decision* acclaimed entertainment historian Graham McCann goes in search of the real political fiascos that inspired *Yes Minister*. Drawing on fresh interviews with cast, crew, politicians and admirers, he reveals how a subversive satire captured the mood of its time to become one of the most cherished sitcoms of

Thatcher's Britain.

*Yes, Prime Minister* InterVarsity Press

Jonathan Edwards has been recognized as the most influential evangelical theologian of all time. Before his death at the age of fifty-four, he had sparked a new movement of Reformed evangelicals who played a major role in fueling the rise of modern missions, preaching revivals far and wide, and wielding the cutting edge of American theology. He has never gone out of print, and Christians today continue to flock to seminars and conferences on him. In this biography of the great preacher and teacher, historian Douglas Sweeney locates for us the core and key to Edwards' enduring impact. Sweeney finds that Edwards' profound and meticulous study of the Bible securely anchored his powerful preaching, his lively theological passions and his discerning pastoral work. Beyond introducing you to Edwards' life and times, this book will provide you with a model of Christian faith, thought and ministry.

*Yes, Minister*, and the equally successful sequel *Yes, Prime Minister* captured a niche in the political consciousness of the nation. First broadcast thirty years ago, the original writers of these classic series have reunited to create a bang up to date *Yes, Prime Minister* for the stage. Spin, blackberries, sexed-up dossiers, sleaze, global warming and a country on the brink of financial meltdown form the backdrop to mayhem at Chequers as the Foreign Minister of Kumranistan makes a seriously compromising offer of salvation. Prime Minister Jim Hacker remains in power with his coterie of close advisors including Cabinet Secretary Sir Humphrey Appleby and Principal Private Secretary Bernard Woolley, but for how long? They govern a whole new world. *Yes, Prime Minister* premiered in the Festival Theatre, Chichester, in May 2010.

*The Complete Yes Minister* Aurum

From Eric Allison, *The Guardian* I sometimes think I know all there is to know about prisons. The delusion comes from spending some 16 years, on and off, behind bars, during a criminal career that spanned over four decades. Since turning my back on crime, *The Guardian* newspaper has seen fit to employ me as their prisons correspondent, a post I have held for the last nine years so, although I last left prison some 12 years ago, prison has never really left me. But of course, nobody knows everything about anything. And I am frequently surprised-amazed even-at a prison story/issue that lands on my desk. And so it was when the manuscript of "In It" came my way; the tale of one man's sojourn as a guest of Her Majesty at HMP Bedford and Hollesley Bay. Jonathan Robinson was a "first timer";

nicked for stealing from his employer and sentenced to 15 months. Given that prison sentences have become much longer since I first trod the penal path, 15 months is "short term"-hardly time for a "shit and a shave" (as us old lags used to opine when a newcomer grumbled about spending a few months with us.) Not that Robinson moans of his plight, far from it; throughout the tome, he repeatedly shows remorse for his crime and declares he deserved a longer sentence. No wallowing in self-pity for this lad, he just got on with it. Now a free man, he is on a mission to change the system that incarcerated him. Robinson landed in Bedford jail, a Victorian relic that takes the flotsam and jetsam from the courts of the county it serves. He feared the worst when the gates slammed behind him. Shades of *Shawshank Redemption* closed around him. Would he be assaulted, robbed, raped? No such thing of course, as Robinson quickly realised. Far from terrorising him, his fellow travellers helped him traverse the minefield of pettifogging rules and rigmaroles and his only fight was against boredom and bureaucracy. To deal with the former, he elected to start a diary and recorded his experiences with great perception - and not a little humour. Robinson surveyed that system through an eye that saw more in a few months, than many a prisoner I knew saw in many years. His account immediately drew me back to the wasted wings and landings I knew so well. Seeing them again through his fresh eyes, put me back in the early 1960s when, like Robinson, they were new and equally strange to me. When I first entered the adult prison system, I was a "star". No kidding; all first timers wore a red astral sign on their jackets, to denote their lowly stature in the prison pecking order. Don't ask me why; prison service orders made as little sense then as they do now. Robinson, the star prisoner, may just turn out to be a star writer. He paints a stunningly accurate picture of the chaos and confusion that exists in prisons like Bedford. These are "local" jails, where prisoners are dumped from courts, categorised and, eventually, shunted around the system. He ended up in Hollesley Bay, an open jail, where he expected to find more order. But the chaos followed him, albeit at a slightly less frenetic pace. I found the account of his travails highly readable; the narrative is colourful and goes at a good gallop. He could turn out to be the penal equivalent of *Adrian Mole*. Like that spotty kid, Robinson was different from his peers inside. Well educated - he was a helicopter pilot before landing inside - and, I suspect, fairly right

---

wing in his attitude to offenders, before he became one. And though I disagree strongly with some of his views and ideas for reform, I cannot fault his passion for change, or his ability to capture the essence of doing time, in a bloated, failing prison system. Apparently, a copy of "In It" has been sent to Justice Minister Chris Grayling. It should be required reading for him as he sets about his Transforming Rehabilitation programme.

Eric Allison Prisons correspondent The Guardian

Comedy Rules Chronicle Books

The UK is in crisis: debt is spiralling, unemployment is on the rise and the fragile coalition cabinet, led by Prime Minister Jim Hacker, is at breaking point. But salvation may exist in the form of a complex pipeline deal with the oil-rich country of Kumranistan that would entitle the government to a multi-trillion pound loan. When the Kumranistan Foreign Secretary makes a shocking request of Jim's Private Secretary Bernard Woolley, moral considerations collide with the economic future of the nation. But how will Jim and his team: Bernard, Cabinet Secretary Sir Humphrey Appleby, and Special Adviser Claire Sutton, reconcile the two? Political machinations, media manipulation and an appeal for divine intervention ensue.

How can certain songs carry us through a tough workout, comfort us after a breakup, or unite 50,000 diverse fans? In this fascinating field guide, neuroscientist and opera singer Indre Viskontas investigates what music is and how it can change us for the better—from deep in our neurons to across our entire society. Whether hip-hop fans, classically trained pianists, or vinyl collectors, readers will think about their favorite songs in a whole new way by the end of this book. This is a vibrant and smart gift for any audiophile.

The Complete Yes Minister Random House

Phillipe Ptain, a tough, uncompromising soldier who rose through the ranks to save France in 1916 Battle of Verdun.

Charles de Gaulle, the aristocratic, academic and equally uncompromising soldier who led France to freedom when, decades later, Ptain became a Nazi collaborator. Two giants of the twentieth century who loved each other like father and son until they found themselves on opposing sides in World War II. In 1945 de Gaulle had his oldest friend tried for treason. Their complex relationship - noble, comic and absurd - changed history. Jonathan Lynn's *The Patriotic Traitor* tells the extraordinary story of these great men as Ptain awaits his verdict. *The Patriotic Traitor* premiered at the Park Theatre, London, in February 2016.

Gefingeerd dagboek van de Britse Minister van Administratieve Zaken, waarin de humoristische effecten van zijn strijd tegen de bureaucraten op zijn fictieve departement centraal staan.

His Very Best Penguin UK

In the Hugo-award winning, epic New York Times Bestseller and basis for the BBC miniseries, two men change England's history when they bring magic back into the world. In the midst of the Napoleonic Wars in 1806, most people believe magic to have long since disappeared from England - until the reclusive Mr. Norrell reveals his powers and becomes an overnight celebrity. Another practicing magician then emerges: the young and daring Jonathan Strange. He becomes Norrell's pupil, and the two join forces in the war against France. But Strange is increasingly drawn to the wild, most perilous forms of magic, and he soon risks sacrificing his partnership with Norrell and everything else he holds dear. Susanna Clarke's brilliant first novel is an utterly compelling epic tale of nineteenth-century England and the two magicians who, first as teacher and pupil and then as rivals, emerge to change its history.
