My interest in Sarah Quigley's fourth novel, The Conductor, was piqued when I read its description amongst the titles listed in the IMPAC longlist. It's the story of how the 7th 'Leningrad' Symphony came to be composed by Shostakovich and then broadcast on August 9th 1942 by a raggle-taggle orchestra during the 900-day Siege of...

The Conductor by Sarah Quigley - Goodreads

Sarah Quigley's 'The Conductor' is a rather remarkable novel, combining fact with fiction, set during the siege of Leningrad which

begins in 1941. The story follows three main characters: the composer, Shostakovich, the conductor, Karl Eliasberg, and a fictional character, a musician, Nikolai Nikolayev.

Books by Sarah Quigley (Author of The Conductor)

The Conductor by Sarah Quigley. There are only a few main characters, but they are well portrayed, rounded—Eliasberg, Shostakovich and his family, the violinist Nikolai and his beloved daughter Sonya. At least the basics of the plot are related in a style reminiscent of nineteenth century Russian realism.

Karl Eliasberg is the conductor of the Leningrad radio orchestra. They meet during the siege and, in this work criticize each other. Eliasberg to Shostakovich face to face and Shostakovich in Sara Quigley has written a good historical fiction novel about a piece

of music.

The Conductor by Sarah Quigley – review. Quigley leaves the story in its proper place, in the beat of silence before the baton comes down.

The Conductor reads like a proper up-all-night page-turner, but it also goes deeper than that, conveying the extraordinary life-saving properties of music, and hope.

The Conductor by Sarah Quigley: Review | The Star

The Conductor by Sarah Quigley: Review. Sarah Quigley's vivid evocation of these fearful years bounces back and forth between the near-manic composer Shostakovich and his contemporary, the self-pitying, second-rate Karl Eliasberg, conductor of the equally second-rate Radio Orchestra. Yet in 1942, Elias, as he was called,...
