Sarah Quigley's 'The Conductor' is a rather remarkable novel, combining fact with fiction, set during the siege of Leningrad which begins in 1941. The story follows three main characters: the composer, Shostakovich, the conductor, Karl Eliasberg, and a fictional character, a musician, Nikolai Nikolayev.

The Conductor by Sarah Quigley - Goodreads
My interest in Sarah Quigley's fourth novel, *The Conductor*, was piqued when I read its description amongst the titles listed in the IMPAC longlist. It's the story of how the 7th 'Leningrad' Symphony came to be composed by Shostakovich and then broadcast on August 9th 1942 by a raggle-taggle orchestra during the 900-day Siege of...

Sarah Quigley - The Conductor

The Conductor by Sarah Quigley - review. Quigley leaves the story in its proper place, in the beat of silence before the baton comes down. The Conductor reads like a proper up-all-night page-turner, but it also goes deeper than that, conveying the extraordinary life-saving properties of music, and hope.

The Conductor Sarah Quigley

The Conductor by Sarah Quigley: Review. Sarah Quigley's vivid evocation of these fearful years bounces back and forth between the near-manic composer Shostakovich and his contemporary, the self-pitying, second-rate Karl Eliasberg, conductor of the equally second-rate Radio Orchestra. Yet in 1942, Elias, as he was called,...
