One of the unheralded
masterpieces of twentieth-
century American fiction,

Light While There Is Light is
acclaimed poet Keith Waldrop's
autobiographical novel about
the myriad ghosts left behind
by his family. Born to a
deeply religious mother, the
narrator and his siblings are
led across the US as she
searches for the "right"
religious sect—a trip that
ends with her speaking in
tongues, and finally her total
isolation. But no synopsis can
do justice to the beauty of
Keith Waldrop's measured,
wise, and unembroidered prose,
illuminating the fear,
madness, and destruction
within hearth and home—though
never repudiating his love for
same. In a tradition that
stretches back through
Flannery O'Connor and William
Faulkner to Hawthorne,
Melville, and Poe, Keith
Waldrop and Light While There

Is Light are American treasures.

The Continual Condition Harper Collins

In this book the author, an investigative journalist, traces the social history of marijuana from its origins to its emergence in the 1960s as a defining force in an ongoing culture war. He describes how the illicit marijuana subculture overcame government opposition and morphed into a multibillion-dollar industry. In 1996, Californians voted to legalize marijuana for medicinal purposes. Similar laws have followed in several other states, but not without antagonistic responses from federal, state, and local law enforcement. The author draws attention to underreported scientific breakthroughs that are reshaping the therapeutic landscape: medical researchers have developed promising treatments for cancer, heart disease, Alzheimer's, diabetes, chronic pain, and many other conditions

that are beyond the reach of conventional cures. This book is an examination of the medical, recreational, scientific, and economic dimensions of the world's most controversial plant.

After toiling in obscurity for years, Charles Bukowski suddenly found fame in 1967 with his autobiographical newspaper column, "Notes of a Dirty Old Man," and a book of that name in 1969. He continued writing this column, in one form or another, through the mid-1980s. *More Notes of a Dirty Old Man* gathers many uncollected gems from the column's twenty-year run. Drawn from ephemeral underground publications, these stories and essays haven't been seen in decades, making *More* a valuable addition to Bukowski's oeuvre. Filled with his usual obsessions—sex, booze, gambling—*More* features Bukowski's offbeat insights into politics and literature, his tortured, violent relationships with women, and his lurid escapades on the poetry reading circuit. Highlighting his versatility, the book ranges from thinly veiled autobiography to purely fictional tales of dysfunctional suburbanites, disgraced politicians, and down-and-out sports promoters, climaxing with a long, hilarious adventure among French filmmakers, "My Friend the Gambler," based on his experiences making the movie *Barfly*. From his lowly days at the post office through his later literary fame, *More* follows the entire arc of Bukowski's colorful career. Edited by Bukowski scholar David Stephen Calonne, *More Notes of a Dirty Old Man* features an afterword outlining the history of the column and its effect on the author's creative development. Born in Andernach, Germany in 1920, Charles Bukowski came to California at age three and spent most of his life in Los Angeles. He died in San Pedro, California, on March 9, 1994.

in this place there are the dead, the deadly and the dying. there is the cross, the builders of the cross and the burners of the cross. the pattern of my life forms like a cheap shadow on the wall before me. my love what is left of it now must crawl to wherever it can crawl. the strongest know that death is final and the happiest are those gifted with the shortest journey.

Unmasks the tough, street-smart persona of Charles Bukowski—America's "Ultimate Outsider" Amazing letters filled with passionate, literary, and personal observation Insights into the author of *Tales of Ordinary Madness*, *Notes of a Dirty Old Man*, and *Run with the Hunted* Insights into Sheri Martinelli: the protege of Anais Nin, an accomplished painter, and the mistress of Ezra Pound Charels Bukowski's persona as the Dirty Old Man of American Literature is just that: a persona, a mask beneath which there was a man better read and more cultured than most people realize. Sheri Martinelli was one of the favored few for whom Bukowski dropped the mask and engaged in serious discussion of literature

and art, and for that reason the discovery and publication of his letters to her give us a more complete picture of this complicated man.

Shaping Written Knowledge Harper Collins
the gas line is leaking, the bird is gone from the cage, the skyline is dotted with vultures; Benny finally got off the stuff and Betty now has a job as a waitress; and the chimney sweep was quite delicate as he giggled up through the soot. I walked miles through the city and recognized nothing as a giant claw ate at my stomach while the inside of my head felt airy as if I was about to go mad. it's not so much that nothing means anything but more that it keeps meaning nothing, there's no release, just gurus and self-appointed gods and hucksters. the more people say, the less there is to say. even the best books are dry sawdust. —from "fingernails; nostrils; shoelaces"

Love is a Dog From Hell University Press of Kentucky

The definitive collection of works on a subject that inspired and haunted Charles Bukowski for his entire life: alcohol Charles Bukowski turns to the bottle in this revelatory collection of poetry and prose that includes some of the writer's best and most lasting work. A self-proclaimed “dirty old man,” Bukowski used alcohol as muse and as fuel, a conflicted relationship

responsible for some of his darkest moments as well as some of his most joyful and inspired. In *On Drinking*, Bukowski expert Abel Debritto has collected the writer's most profound, funny, and memorable work on his ups and downs with the hard stuff—a topic that allowed Bukowski to explore some of life's most pressing questions. Through drink, Bukowski is able to be alone, to be with people, to be a poet, a lover, and a friend—though often at great cost. As Bukowski writes in a poem simply titled "Drinking,": "for me/it was or/is/a manner of/dying/with boots on/and gun/smoking and a/symphony music background." *On Drinking* is a powerful testament to the pleasures and miseries of a life in drink, and a window into the soul of one of our most beloved and enduring writers.

South of No North Harper Collins

Abandoned by his cavalier father at a young age, William de Veres grew up knowing precious little happiness. But William has put the past firmly behind him and as a military hero and noted rake, he rises fast in the ranks of the hedonistic Restoration court. Though not before he is forced to seek shelter from a charming young Puritan woman... The civil wars have cost the once-high-spirited Elizabeth Walters her best friend and her father, leaving her unprotected and alone. She flees an unwanted marriage, seeking safe haven, but what she finds is something she never expected. When her kindness and her beauty bring her to the attention of William, and then the king, she will have a choice to make. After all, can a notorious libertine really be capable of love?

The Bell Tolls for No One Harper Collins

This critical study of the literary magazines, underground newspapers, and small press publications that had an impact on Charles Bukowski's early career, draws on archives,

privately held unpublished Bukowski work, and interviews to shed new light on the ways in which Bukowski became an icon in the alternative literary scene in the 1960s.

On Drinking Simon and Schuster

From the self-illustrated, unpublished work written in 1947 to hardboiled contributions to 1980s adult magazines, *The Bells Tolls for No One* presents the entire range of Bukowski's talent as a short story writer, from straight-up genre stories to postmodern blurring of fact and fiction. An informative introduction by editor David Stephen Calonne provides historical context for these seemingly scandalous and chaotic tales, revealing the hidden hand of the master at the top of his form. "The uncollected gutbucket ramblings of the grand dirty old man of Los Angeles letters have been gathered in this characteristically filthy, funny compilation ... Bukowski's gift was a sense for the raunchy absurdity of life, his writing a grumble that might turn into a belly laugh or a racking cough but that always throbbed with vital energy."--Kirkus Reviews

Born in Andernach, Germany, and raised in Los Angeles, Charles Bukowski published his first story when he was twenty-four and began writing poetry at the age of thirty-five. His first book of poetry was published in 1959; he would eventually publish more than forty-five books of poetry and prose. He died of leukemia in San Pedro, California on March 9, 1994. David Stephen Calonne is the author of several books and has edited three previous collections of the uncollected work of Charles Bukowski for *City Lights: Absence of the Hero*, *Portions from a Wine-Stained Notebook*, and *More Notes of a Dirty Old Man*.

In his much-anticipated second poetry collection, David Ebenbach addresses the full scope of the human condition—past, present, and future. Exploring the vast sweep of history, from our ancient evolutionary origins to our future archaeological remains, Ebenbach's

deceptively light-handed poems penetrate to the core of what it means to be human, a brief but exquisite being, full of appetites both healthy and harmful.

The Charles Bronson Book of Poems Harper Collins

The second of five new books of unpublished poems from the late, great, Charles Bukowski, America's most imitated and influential poet — 143 never-before-seen works of gritty, amusing, and inspiring verse.
