Role Reversal Miranda Birch

A classic in the Bukowski poetry canon, *Love Is a Dog from Hell* is a raw, lyrical, exploration of the exigencies, heartbreaks, and limits of love. A book that captures the Dirty Old Man of American letters at his fiercest and most vulnerable, on a subject that hits home with all of us. Charles Bukowski was a man of intense emotions, someone an editor once called a "passionate madman." Alternating between tough and gentle, sensitive and gritty, Bukowski lays bare the myriad facets of love—its selfishness and its narcissism, its randomness, its mystery and its misery, and, ultimately, its true joyfulness, endurance, and redemptive power. "there is a loneliness in this world so great that you can see it in the slow movement of the hands of a clock."

CHARLES DICKENS: 20

Novels & Over 200 Short Stories, Plays, Poems & Articles Harper Collins
This is a collection of 175 previously unpublished works by Bukowski. It contains yarns about his childhood in the Depression and his early literary passions, his apprentice days as a hard-drinking, starving poetic aspirant, and his later years when he looks back at fate with defiance.

In the literary pantheon, Charles Bukowski remains a counterculture luminary. A hard-drinking wild man of literature and a stubborn outsider to the poetry world, he has struck a chord with

generations of readers, writing raw, tough poetry about booze, work, and women in an authentic voice that is, like the work of the Beats, iconoclastic and even dangerous. Edited by his longtime publisher, John Martin, of Black Sparrow Press, and now in paperback, *The Continual Condition* includes more of this legend's never-before-collected poems.

The Still Performance

Harper Collins

An examination of political and cultural acts of commemoration, this study addresses the way personal and collective loss is registered in prose, poetry and drama in early modern England. It focuses on the connection of representation of violence in literary works to historical

traumas such as royal death, secularization and regicide. The author contends that dramatic and poetic forms function as historical archives both in their commemoration of the past and in their reenactment of loss that is part of any effort to represent traumatic history. Incorporating contemporary theories of memory and loss, Thomas Anderson here analyzes works by Shakespeare, Marlowe, Webster, Marvell and Milton. Where other studies about violent loss in the period tend to privilege allegorical readings that equate the content of art to its historical analogue, this study insists that artistic representations are performative as they commemorate the past. By interrogating the difficulty in representing historical crises in poetry, drama and political prose, Anderson demonstrates how early modern English identity is the fragile product of an ambivalent

desire to flee history. This book's major contribution to Renaissance studies lies in the way it conceives the representations of violent loss—secular and religious—in early modern texts as moments of failed political and social memorialization. It offers a fresh way to understand the development of historical and national identity in England during the Renaissance.

A New English Dictionary on Historical Principles
Harper Collins

The best of Bukowski's novels, stories, and poems, this collection reads like an autobiography, relating the extraordinary story of his life and offering a sometimes harrowing, invariably exhilarating reading experience. A must for this counterculture idol's legion of fans. *Blacked In The Shower!* Open Road + Grove/Atlantic

After toiling in obscurity for years,

Charles Bukowski suddenly found fame in 1967 with his autobiographical newspaper column, "Notes of a Dirty Old Man," and a book of that name in 1969. He continued writing this column, in one form or another, through the mid-1980s. *More Notes of a Dirty Old Man* gathers many uncollected gems from the column's twenty-year run. Drawn from ephemeral underground publications, these stories and essays haven't been seen in decades, making *More* a valuable addition to Bukowski's oeuvre. Filled with his usual obsessions—sex, booze, gambling—*More* features Bukowski's offbeat insights into politics and literature, his tortured, violent relationships with women, and his lurid escapades on the poetry reading circuit. Highlighting his versatility, the book ranges from thinly veiled autobiography to purely fictional tales of dysfunctional

suburbanites, disgraced politicians, and down-and-out sports promoters, climaxing with a long, hilarious adventure among French filmmakers, "My Friend the Gambler," based on his experiences making the movie *Barfly*. From his lowly days at the post office through his later literary fame, *More* follows the entire arc of Bukowski's colorful career. Edited by Bukowski scholar David Stephen Calonne, *More Notes of a Dirty Old Man* features an afterword outlining the history of the column and its effect on the author's creative development. Born in Andernach, Germany in 1920, Charles Bukowski came to California at age three and spent most of his life in Los Angeles. He died in San Pedro, California, on March 9, 1994.

Le retour du Vieux dégueulasse Harper Collins

"A lively portrait of American literature's 'Dirty Old Man'."

–Library Journal A former postman and long-term alcoholic who did not become a full-time writer until middle age, Charles Bukowski was the author of autobiographical novels that captured the low life—including *Post Office*, *Factotum*, and *Women*—and made him a literary celebrity, with a major Hollywood film (*Barfly*) based on his life. Drawing on new interviews with virtually all of Bukowski's friends, family, and many lovers; unprecedented

access to his private letters and unpublished writing; and commentary from Norman Mailer, Allen Ginsberg, Sean Penn, Mickey Rourke, Lawrence Ferlinghetti, R. Crumb, and Harry Dean Stanton, Howard Sounes has uncovered the extraordinary true story of the Dirty Old Man of American literature. Illustrated with drawings by Bukowski and over sixty photographs, Charles Bukowski is a must for Bukowski devotees and new readers alike. "Bukowski is one of those writers people remember more for the legend than for the work . . . but, as Howard Sounes shows in this exhaustively researched biography, it wasn't the whole story." —Los Angeles Times "Engaging . . . Adroit . . . revealing." —The New York Times Book Review "A must-read for anybody who is a fan of Bukowski's writing." —The Globe and Mail (Toronto) *Burning in Water, Drowning in Flame*

Charles Dickens (1812-1870), an English writer and social critic, created some of the world's best-known fictional characters and is regarded as the greatest novelist of the Victorian era. *Spring* New Directions Publishing
One of the most recognizable poets of the last century, Charles Bukowski is simultaneously a common man and an icon of urban depravity. He uses strong, blunt language to describe life as he lives it, and through it all charts the mutations of morality in modern America. *Sifting Through the Madness for the Word, the Line, the Way* is a treasure trove of confessional poetry written towards the end of Bukowski's life. With the overhang of failing health and waning fame, he reflects on his travels, his gambling and drinking, working, not working,

sex and love, eating, cats, and more. *Sifting Through* is Bukowski at his most meditative - published posthumously, it's completely non-performative, and gets to the heart of Bukowski's lifelong pursuit of natural language and raw honesty. We recommend you read this as Bukowski wrote: by sifting through the madness for what hits you as the word, the line, the way. Charles Bukowski City Lights Books
"Wordsworth, Whitman, William Carlos Williams, and the Beats in their respective generations moved poetry toward a more natural language. Bukowski moved it a little farther." -Los Angeles Times Book Review
In what is widely hailed as the best of his many novels, Charles Bukowski details the long, lonely years of his own hardscrabble youth in the raw voice of alter ego Henry Chinaski. From a harrowingly cheerless childhood

in Germany through acne-riddled high school years and his adolescent discoveries of alcohol, woman, and the Los Angeles Public Library's collection of D.H. Lawrence, *Ham on Rye* offers a crude, brutal, and savagely funny portrait of an outcast's coming-of-age during the desperate days of the Great Depression. On Drinking Springer
From the self-illustrated, unpublished work written in 1947 to hardboiled contributions to 1980s adult magazines, *The Bells Tolls for No One* presents the entire range of Bukowski's talent as a short story writer, from straight-up genre stories to postmodern blurring of fact and fiction. An informative introduction by

editor David Stephenbook of poetry was Calonne provides historical context for these seemingly scandalous and chaotic tales, revealing the hidden hand of the master at the top of his form. "The uncollected gutbucket ramblings of the grand dirty old man of Los Angeles letters have been gathered in this characteristically filthy, funny compilation ... Bukowkski's gift was a sense for the raunchy absurdity of life, his writing a grumble that might turn into a belly laugh or a racking cough but that always throbbed with vital energy."--Kirkus Reviews Born in Andernach, Germany, and raised in Los Angeles, Charles Bukowski published his first story when he was twenty-four and began writing poetry at the age of thirty-five. His first

published in 1959; he would eventually publish more than forty-five books of poetry and prose. He died of leukemia in San Pedro, California on March 9, 1994. David Stephen Calonne is the author of several books and has edited three previous collections of the uncollected work of Charles Bukowski for *City Lights: Absence of the Hero*, *Portions from a Wine-Stained Notebook*, and *More Notes of a Dirty Old Man*. *sifting through the madness for the word, the line, the way* Harper Collins In his much-anticipated second poetry collection, David Ebenbach addresses the full scope of the human condition-past, present, and future. Exploring the vast sweep of history, from our ancient evolutionary origins to our future archaeological remains, Ebenbach's deceptively light-

handed poems penetrate to the core of what it means to be human, a brief but exquisite being, full of appetites both healthy and harmful.

« Je préfère les chiens aux êtres humains, les chats aux chiens, et moi plus que tous les précédents quand je suis saoul, en sous-vêtements, et debout devant ma fenêtre ». Charles Bukowski En 1969, Charles Bukowski, écrivain underground inconnu du grand public, fut projeté sur la scène internationale avec la parution du *Journal d'un Vieux dégueulasse*. Cette première édition n'avait repris qu'une quarantaine des chroniques qu'il avait écrites durant vingt ans ; certaines allaient ensuite nourrir *Contes et Nouveaux contes de la folie ordinaire* (1972), *Au sud de nulle part* (1973), *Je t'aime Albert* (1983), entre autres. *Le Retour du Vieux dégueulasse* réunit en un volume celles qui seraient injustement

tombées dans l'oubli. Cet ensemble constitue une espèce de gigantesque « roman à clef » grâce auquel Charles Bukowski a pu laisser vagabonder son imagination.

Transgressant tous les tabous, il nous livre ses explorations de toutes les formes de sexualité, toutes les « perversions », toutes les « déviances ». Son humour permet à ses personnages, l'air de rien, « de laisser voir leur véritable nature »
