"A lively portrait of American literature's 'Dirty Old Man'." —Library Journal A former postman and long-term alcoholic who did not become a full-time writer until middle age, Charles Bukowski was the author of autobiographical novels that captured the low

life—including Post Office, Factotum, and Women—and made him a literary celebrity, with a major Hollywood film (Barfly) based on his life. Drawing on new interviews with virtually all of Bukowski's friends, family, and many lovers; unprecedented access to his private letters and unpublished writing; and commentary from Norman Mailer, Allen Ginsberg, Sean Penn, Mickey Rourke, Lawrence Ferlinghetti, R. Crumb, and Harry Dean Stanton, Howard Sounes has uncovered the extraordinary true story of the Dirty Old Man of American literature. Illustrated with

drawings by Bukowski and over sixty photographs, Charles Bukowski is a must for Bukowski devotees and new readers alike. "Bukowski is one of those writers people remember more for the legend than for the work . . . but, as Howard Sounes shows in this exhaustively researched biography, it wasn't the whole story." —Los Angeles Times "Engaging . . . Adroit . . . revealing." —The New York Times Book Review "A must-read for anybody who is a fan of Bukowski's writing." —The Globe and Mail (Toronto)

"The Walt Whitman of Los

Charles Bukowski shows that he is still as pure as ever but he has evolved into a slightly happier man that has found some fame and love. These poems show how he grapples with his past and future colliding.

persona as the Dirty Old Man of American Literature is just that: a persona, a mask beneath which there was a man better read and more cultured than most people realize. Sheri Martinelli was one of the favored few for whom Bukowski dropped the mask and engaged in serious discussion of literature and art, and for that reason the discovery and publication of his letters to her give us a more complete picture of this complicated man.

This is a collection of 175 previously unpublished works by Bukowski. It contains yarns about his childhood in the Depression and his early literary passions, his apprentice days as a hard-drinking, starving poetic aspirant, and his later years when he looks back at fate with defiance.

A classic in the Bukowski poetry canon, *Love Is a Dog from Hell* is a raw, lyrical, exploration of the exigencies, heartbreaks, and limits of love. A book that captures the Dirty Old Man of American letters at his fiercest and most vulnerable, on a subject that hits home with all of us. Charles Bukowski was a man of intense emotions, someone an editor once called a “passionate madman.” Alternating between tough and gentle, sensitive and gritty, Bukowski lays bare the myriad facets of love—its selfishness and its narcissism, its randomness, its mystery and its misery, and, ultimately, its true joyfulness, endurance, and redemptive power. "there is a loneliness in this world so

great that you can see it in the slow movement of the hands of a clock."

Slouching Toward Nirvana

Harper Collins

After toiling in obscurity for years, Charles Bukowski suddenly found fame in 1967 with his autobiographical newspaper column, "Notes of a

Dirty Old Man," and a book of that name in 1969. He continued writing this column, in one form or another, through the mid-1980s. More Notes of a Dirty Old Man gathers many uncollected gems from the column's twenty-year run. Drawn from ephemeral underground publications, these stories and essays haven't been seen in decades, making More a valuable addition to Bukowski's oeuvre.

Filled with his usual obsessions—sex, booze, gambling—More features Bukowski's offbeat insights into politics and literature, his tortured, violent relationships with women, and his lurid escapades on the poetry reading circuit. Highlighting his versatility, the book ranges from thinly veiled autobiography to purely fictional tales of dysfunctional suburbanites, disgraced politicians, and down-and-out sports promoters, climaxing with a long, hilarious adventure among French filmmakers, "My Friend the Gambler," based on his experiences making the movie

Barfly. From his lowly days at the post office through his later literary fame, More follows the entire arc of Bukowski's colorful career. Edited by Bukowski scholar David Stephen Calonne, *More Notes of a Dirty Old Man* features an afterword outlining the history of the column and its effect on the author's creative development. Born in Andernach, Germany in 1920, Charles Bukowski came to California at age three and spent most of his life in Los Angeles. He died in San Pedro, California, on March 9, 1994.

A New English Dictionary on Historical Principles

Harper Collins

One of the most gifted poets of our time, Adam Zagajewski is a contemporary classic. Few writers in poetry or prose have attained the lucid intelligence and limpid economy of style that are the trademarks of his work. His wry humor, gentle

skepticism, and perpetual sense of history's dark possibilities have earned him a devoted international following. This collection, gracefully translated by Clare Cavanagh, finds the poet returning to the themes that have defined his career—moving meditations on place, language, and history. *Unseen Hand* is a luminous meeting of art and everyday life.

Ashgate Publishing, Ltd.

In the literary pantheon, Charles Bukowski remains a counterculture luminary. A hard-drinking wild man of literature and a stubborn outsider to the poetry world, he has struck a chord with generations of readers, writing raw, tough poetry about booze, work, and women in an authentic voice that is, like the work of the

Beats, iconoclastic and even dangerous. Edited by his longtime publisher, John Martin, of Black Sparrow Press, and now in paperback, *The Continual Condition* includes more of this legend's never-before-collected poems.

Charles Bukowski, King of the Underground Harper Collins

In his much-anticipated second poetry collection, David Ebenbach addresses the full scope of the human condition—past, present, and future. Exploring the vast sweep of history, from our ancient evolutionary origins to our future archaeological remains, Ebenbach's deceptively light-handed poems penetrate to the core of what it means to be human, a brief but exquisite being, full of appetites both healthy and harmful.

Essential Bukowski: Poetry Harper Collins

This critical study of the literary magazines, underground newspapers, and small press publications that had an impact on Charles Bukowski's early career, draws on archives, privately held unpublished Bukowski work, and interviews to shed new light on the ways in which Bukowski became an icon in the alternative literary scene in the 1960s.
