The Coral Island: A Tale of the Pacific Ocean (1858) is a novel written by Scottish author R. M. Ballantyne. One of the first works of juvenile fiction to feature exclusively juvenile heroes, the story relates the adventures of three boys marooned on a South Pacific island, the only survivors of a shipwreck. A typical Robinsonade - a genre of fiction inspired by Daniel Defoe's Robinson Crusoe - and one of the most popular of its type, the book first went on sale in late 1857 and has never been out of print. Among the novel's major themes are the civilising effect of Christianity, 19th-century British imperialism in the South Pacific, and the importance of hierarchy and leadership.

Attending to the mid-Victorian boys' adventure novel and its connections with missionary culture, Michelle Elleray investigates how empire was conveyed to Victorian children in popular forms, with a focus on the South Pacific as a key location of adventure tales and missionary efforts. The volume draws on an evangelical narrative about the formation of coral islands to demonstrate that missionary investments in the socially marginal (the young, the working class, the racial other) generated new forms of agency that are legible in the mid-Victorian boys' adventure novel, even as that agency was subordinated to Christian values identified with the British middle class. Situating novels by Frederick Marryat, R. M. Ballantyne and W. H. G. Kingston in the periodical culture of the missionary enterprise, this volume newly historicizes British children's textual interactions with the South Pacific and its peoples. Although the mid-Victorian authors examined here portray British presence in imperial spaces as a moral imperative, our understanding of the "adventurer" is transformed from the plucky explorer to the cynical mercenary through Robert Louis Stevenson, who provides a late-nineteenth-century critique of the imperial and missionary assumptions that subtended the mid-Victorian boys' adventure novel of his youth.

The Red River Settlement is home to many Indians, French-Canadians, and Scotsmen. Charlie Kennedy lives at Red River with his ex-fur-trader father. In an attempt to convince Charlie to lead a more sensible life than he did, his father fills Charlie's mind with stories of his dangerous past life, but the adventure only draws Charlie in. Based on Ballantyne's own experiences, this novel details Charlie's encounters with voyagers, Indians, and the intrepid Jacques Caradoc. Lively prose and makes this novel perfect for fans of Rudyard Kipling's 'The Jungle Book.' Robert Michael Ballantyne (1825 - 1894) was a Scottish author. Born into a family of famous printers and publishers, his expertise was juvenile fiction, and he wrote over 100 hugely successful books in this genre. The most notable of these include 'The Coral Island', 'The Eagle Cliff', and 'The Gorilla Hunters'. Famed for his tendency to fully immerse himself into the environment of whichever story he was working on, his lively prose is unmissable for those who enjoyed Matt Haig's 'The Midnight Library'. More than 80 years ago, Caroline Mytinger, a portrait artist, and her childhood friend Margaret Warner set out by freighter from San Francisco with little more than \$400 in their pocket and a tin of paints to their name. Their objective was to paint portraits of the tribal people of Papua New Guinea and the Solomon Islands before the encroachment of modern, European-style culture changed their lives forever. This gripping book tells of the two women's experiences whilst travelling through Melanesia between 1926 and 1930.

R.M. Ballantyne is possibly the greatest writer of children's adventure stories. He is most famous for his work "The Coral Island," but wrote more than a hundred stories. Because of a mistake he made in The Coral Island, in which he gave an incorrect thickness of coconut shells, he subsequently travelled all over the world to gain ensure his stories were accurate and carefully researched. For example, he served for as a London fireman while researching "Fighting the Flames" and for "Deep Down" he spent time with the tin miners of Cornwall. In this Collection, ten of his best known and loved stories are included, complete and unabridged. They are: Hudson Bay, The Coral Island (illustrated), The Dog Crusoe and his Master, Away in the Wilderness, Fast in the Ice, The Lifeboat, Post Haste, My Doggie and I, The Madman and the Pirate and The Pirate City

'The Cannibal Islands' is a historical novel by prolific author R.M. Ballantyne. In it, he gives some background to the world-wide explorations of the famous Captain Cook. Ballantyne uses detailed descriptions of the customs and habits of those who Captain Cook encountered to flesh out the adventures of the famous explorer. Ballantyne is particularly fascinated by the habit of cannibalism practised by some of the people that Cook encountered. Very much of it's time, this is nevertheless a fascinating and insightful read.

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

In childhood, in boyhood, and in man's estate I have been a rover; not a mere rambler among the woody glens and upon the hill-tops of my own native land, but an enthusiastic rover throughout the length and breadth of the wide, wide world. It was a wild, black night of howling storm, the night on which I was born on the foaming bosom of the broad Atlantic Ocean. My father was a sea-captain; my grandfather was a sea-captain; my great-grandfather had been a marine. Nobody could tell positively what occupation his father had followed; but my dear mother used to assert that he had been a midshipman, whose grandfather, on the mother's side, had been an admiral in the Royal Navy. At any rate, we knew that as far back as our family could be traced, it had been intimately connected with the great watery waste. Indeed, this was

In the early 20th century, the novel was considered a classic for primary school children in the UK, and in the United States it was a staple of high-school suggested reading lists. Modern critics consider the book's worldview to be dated and imperialist, but although less popular today, The Coral Island was adapted into a four-part children's television drama broadcast by ITV in 2000.

The Coral Island is a novel written author R.M. Ballantyne during the peak of the British Empire. It was voted as one of the top twenty Scottish novels in the 2006 15th International World Wide Web Conference. The Coral Island tells the story of three sailor lads, Ralph, Jack, and Peterkin. When the threesome are cast ashore after the storm, their first task is to find out whether The Coral Island is inhabited. Their next task is to find a way of staying alive. They go hunting and learn to fish, explore underwater caves and build boats - but then their island paradise is rudely disturbed by the arrival of pirates. William Golding's 1954 novel, Lord of the Flies, was written as a response to this book, which is referenced at the end of Golding's story, when the naval officer says, "I know. Jolly good show. Like The Coral Island." Golding, despite enjoying the book many times as a child, massively disagreed with the views that The Coral Island held, and Lord of the Flies depicts the English boys as savages themselves. The Coral Island is also mentioned within the first four chapters of Lord of the Flies, when one of the English school boys says "it will be an adventure story, like Treasure Island, Coral Island." This edition of The Coral Island is unabridged.
