BESTSELLING AUTHOR COLLECTION Reader-favorite romances in collectible volumes from our bestselling authors. HOLIDAY ON THE HOMESTEAD Montana, Christmas 1910: For widowed rancher Lincoln Creed, the holiday serves as a harsh reminder of what a tough year it's been--and who he's lost. His ranch has fallen on hard times, and he must find his little daughter Gracie a governess, a lady who can teach and cook--yet won't set her sights on him. For schoolteacher Juliana Mitchell, the holiday means finding a way to stretch her meager salary to provide food and firewood for the orphaned children in her care. Twenty-five-year-old Juliana has no desire to get married. Yet when she meets the handsome rancher, she can't help but be drawn into his loving home. It's the season for miracles, and fate might bring this family together for Christmas... FREE BONUS STORY INCLUDED IN THIS VOLUME! The Doctor's Blessing by USA TODAY bestselling author Patricia Davids As a nurse and midwife in Amish country, Amber Bradley keeps butting heads with the new doctor in town. After meeting Amber, Dr. Phillip White almost forgets his stay in town is temporary. Perhaps he's finally found the home--and heart--he's always been looking for. Previously published.

This study aims to investigate politeness in women's and men's speech, with a particular focus on the use of c'est-à-dire, enfin, hein and quoi in contemporary spoken French. Politeness is defined as going beyond the notion of the face-threatening act, englobing both everyday ideas of politeness and the creation of sociability in face-to-face interaction. The pragmatic particles studied are demonstrated to serve both psycholinguistic and sociolinguistic purposes: they lubricate reformulation and contribute to both sociability and social indexation. The study, which combines qualitative and quantitative analysis, is based on a corpus of spontaneous spoken French, comprising 155,000 words, 95 interviews and subjects ranging in age from 7 to 88 years. The sample contains speakers from a broader range of educational backgrounds than is often the case: a butcher, a video-salesman and a toiletteur canin rub shoulders with counter assistants, teachers and doctors.

New York Times bestselling author Linda Lael Miller returns with a brand new trilogy about putting down roots and the healing power of love, with *A Creed* in Stone Creek, *Creed's Honour* and *The Creed Legacy*. When single attorney Steven Creed becomes guardian of an orphaned five-year-old boy, he trades his big-city law firm for a ranch near his McKettrick kin in the close-knit community of Stone Creek, Arizona. But when Steven takes on the pro-bono defense of a local teen, he meets his match in the opposing counsel--beautiful, by-the-book county prosecutor Melissa O'Ballivan. Conner Creed knows exactly who he is: a hard-working rancher carrying on his uncle's legacy in Lonesome Bend, Colorado. Maybe a small-town cowboy's life isn't his dream, but he owes the man who took him in as a kid. Until the identical twin brother he's been estranged from for years re-enters his life. And then he meets Tricia McCall, a beautiful woman who knows a thing or two about living someone else's dreams. Together, they just might find their own dreams in Lonesome Bend... Rough-and-tumble rodeo cowboy Brody Creed likes life on the move. Until a chance encounter with his long-estranged twin brother brings him home for the first time in years. Suddenly Brody is in Creed territory--at thirty-three, he's a restless bad boy among family with deep ties to the land and each other. And a secret past haunts him as he tries to put down roots. Carolyn Simmons is looking for Mr. Right in Lonesome Bend. Then she falls for gorgeous Brody Creed, the opposite of everything she wants...or is he?

#1 NEW YORK TIMES BESTSELLER • “ The Uninhabitable Earth hits you like a comet, with an overflow of insanely lyrical prose about our pending Armageddon. ” —Andrew Solomon, author of The Noonday Demon With a new afterword It is worse, much worse, than you think. If your anxiety about global warming is dominated by fears of sea-level rise, you are barely scratching the surface of what terrors are possible—food shortages, refugee emergencies, climate wars and economic devastation. An “ epoch-defining book ” (The Guardian) and “ this generation ’ s Silent Spring ” (The Washington Post), The Uninhabitable Earth is both a travelogue of the near future and a meditation on how that future will look to those living through it—the ways that warming promises to transform global politics, the meaning of technology and nature in the modern world, the sustainability of capitalism and the trajectory of human progress. The Uninhabitable Earth is also an impassioned call to action. For just as the world was brought to the brink of catastrophe within the span of a lifetime, the responsibility to avoid it now belongs to a single generation—today ’ s. Praise for The Uninhabitable Earth “ The Uninhabitable Earth is the most terrifying book I have ever read. Its subject is climate change, and its method is scientific, but its mode is Old Testament. The book is a meticulously documented, white-knuckled tour through the cascading catastrophes that will soon engulf our warming planet. ” —Farhad Manjoo, The New York Times “ Riveting. . . . Some readers will find Mr. Wallace-Wells ’ s outline of possible futures alarmist. He is indeed alarmed. You should be, too. ” —The Economist “ Potent and evocative. . . . Wallace-Wells has resolved to offer something other than the standard narrative of climate change. . . . He avoids the ‘ eerily banal language of climatology ’ in favor of lush, rolling prose. ” —Jennifer Szalai, The New York Times “ The book has potential to be this generation ’ s Silent Spring. ” —The Washington Post “ The Uninhabitable Earth, which has become a best seller, taps into the underlying emotion of the day: fear. . . . I encourage people to read this book. ” —Alan Weisman, The New York Review of Books

With 49 fabulous blocks to make this all-skill-level book will be adored equally by yarn lovers who are interested in pattern and by quilters who are drawn to yarn. Using patchwork as her inspiration, this is a brand new, specially designed crochet block collection from the wonderfully talented Leonie Morgan. In these 49 patterns, Leonie explores visual illusion, contrast in light and shade, and beautiful geometry with designs such as Flying Geese, Hourglass, Tumbling Blocks and Log Cabin – and all of them can be put together into larger designs. Whether you are building up patterns with leftover yarn or setting out with a specific colour scheme in mind, this is a wonderfully creative process of creating a larger design from lots of smaller units. There are four beautiful projects to make: a shoulder bag, a baby blanket, a geometric cushion and a beautiful lap blanket. A useful crochet techniques section describes the various stitches used, notes on colorwork and reading patterns and charts, and there is also advice on assembling the blocks and edging them. And, once you've got to grips with all of this, you can use the lovely blocks as inspiration to create your own lovely, crocheted block pieces.
