[The Autobiography of an American Woman](#) Paragon House

This biography examines the long life of the traveller and author Stephen Graham. Graham walked across large parts of the Tsarist Empire in the years before 1917, describing his adventures in a series of books and articles that helped to shape attitudes towards Russia in Britain and the United States. In later years he travelled widely across Europe and North America, meeting some of the best known writers of the twentieth century, including H.G.Wells and Ernest Hemingway. Graham also wrote numerous novels and biographies that won him a wide readership on both sides of the Atlantic. This book traces Graham 's career as a world traveller, and provides a

rich portrait of English, Russian and American literary life in the first half of the twentieth century. It also examines how many aspects of his life and writing coincide with contemporary concerns, including the development of New Age spirituality and the rise of environmental awareness. Beyond Holy Russia is based on extensive research in archives of private papers in Britain and the USA and on the many works of Graham himself. The author describes with admirable tact and clarity Graham's heterodox and convoluted spiritual quest. The result is a fascinating portrait of a man who was for many years a significant literary figure on both sides of the Atlantic.

Big Sky Country HQN Books

Cullen particularly focuses on the founding fathers and the Declaration of Independence ("the charter of the American Dream"); Abraham Lincoln, with his rise from log cabin to White House and his dream for a unified nation; and Martin Luther King Jr.'s dream of racial equality. Our contemporary version of the American Dream seems rather debased in Cullen's eyes—built on the cult of Hollywood and its outlandish dreams of overnight fame and fortune.

American Millennials--the generation born in the 1980s and 1990s--have been leaving organized religion in unprecedented numbers. For a long time, the Church of Jesus Christ of Latter-day Saints was an exception: nearly three-quarters of people who grew up Mormon stayed that way into adulthood. In *The Next Mormons*, Jana Riess demonstrates that things are starting to change. Drawing on a large-scale national study of four generations of current and former Mormons as well as dozens of in-depth personal interviews, Riess explores the religious beliefs and behaviors of young adult Mormons, finding that while their levels of belief remain strong, their institutional loyalties are less certain than their parents' and grandparents'. For a growing number of Millennials, the tensions between the Church's conservative ideals and their generation's commitment to individualism and pluralism prove too high, causing them to leave the faith—often experiencing deep personal anguish in the process. Those who remain within the fold are attempting to

carefully balance the Church's strong emphasis on the traditional family with their generation's more inclusive definition that celebrates same-sex couples and women's equality. Mormon families are changing too. More Mormons are remaining single, parents are having fewer children, and more women are working outside the home than a generation ago. *The Next Mormons* offers a portrait of a generation navigating between traditional religion and a rapidly changing culture.

Protestantism in America Simon and Schuster

One of America's best-loved storytellers, Linda Lael Miller sets passions blazing in the unforgettable tale of one young doctor's efforts to protect the lovely Rachel from his nemesis, the powerful and demanding owner of a lumber empire.

Washington's rowdy lumber camps were no place for an innocent young beauty... When Rachel McKinnon attracts the attention of Jonas Wilkes, she is truly in dire straits. Wilkes, the owner of a lumber empire, has power over most everyone he meets—and now he wants Rachel. Her only hope is Griffin Fletcher. The town's darkly handsome, unmarried doctor, he once made a promise to Rachel's dying mother to keep her daughter out of harm's way. But little did Fletcher know that looking after the lovely Rachel would mean facing down Wilkes, his nemesis. Now the enmity he harbors for Wilkes is about to erupt in a dangerous confrontation...and the young doctor who swore never to love again is suddenly in danger of falling desperately in love with the one woman he swore he would always protect.

Absolute Truth Claims 2. Blind Obedience 3. Establishing the "Ideal" Time 4. The End Justifies Any Means 5. Declaring Holy War

The Next Mormons Crown

New York Times bestselling author Linda Lael Miller turns up the heat in this sizzling tale of suspense and rekindled passions set against the blazing skies of Arizona's lush desert landscape—where a killer is determined to exact his revenge. When hard-working attorney Clare Westbrook learns that her ambulance-chasing boss has been murdered, she's shocked—but not exactly surprised. Harvey Kredd was known for his less-than-ethical business dealings, and even his acts of generosity were tinged with greed; Clare, working at Kredd and Associates to pay off the law school loan Harvey had granted her several years before, knows she's got no choice: indentured servitude, twenty-first-century style. But Harvey's death doesn't let Clare out of her contract with the firm; instead it brings her a new, odious multimillionaire client, and Tony Sonterra—homicide detective and local heartthrob—who's not above using a murder investigation to get back into Clare's life. Jump-starting her affair with Tony is the last thing Clare needs—she's got enough on her plate raising her niece, Emma, without throwing a bull-headed cop into the mix. Then Clare gets the news that may convince her Tony is exactly what she needs: Emma's father has been released from prison, and he's intent on seeing his daughter. Though she could never persuade the police to believe her, Clare is convinced that James Arren murdered her sister. Clare is determined to find evidence that will put James Arren away for good, but Tony is just as determined to keep her safe after another murder—clearly meant to target Clare—rocks the law firm. With no real leads, too many suspects, and a growing

chain of menacing violence, Clare finds that teaming up with the devil she knows is her only option—one that's just too attractive to resist. With the same rich storytelling style that has captivated readers worldwide, Linda Lael Miller delivers a page-turning blend of heated passion and captivating suspense.

Beyond Holy Russia Simon and Schuster

#1 NEW YORK TIMES BESTSELLER • “ The Uninhabitable Earth hits you like a comet, with an overflow of insanely lyrical prose about our pending Armageddon. ” —Andrew Solomon, author of *The Noonday Demon* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New Yorker • The New York Times Book Review • Time • NPR • The Economist • The Paris Review • Toronto Star • GQ • The Times Literary Supplement • The New York Public Library • Kirkus Reviews It is worse, much worse, than you think. If your anxiety about global warming is dominated by fears of sea-level rise, you are barely scratching the surface of what terrors are possible—food shortages, refugee emergencies, climate wars and economic devastation. An “ epoch-defining book ” (The Guardian) and “ this generation ’ s Silent Spring ” (The Washington Post), *The Uninhabitable Earth* is both a travelogue of the near future and a meditation on how that future will look to those living through it—the ways that warming promises to transform global politics, the meaning of technology and nature in the modern world, the sustainability of capitalism and the trajectory of human progress. *The Uninhabitable Earth* is also an impassioned call to action. For just as the world was brought to the brink of catastrophe within the span of a lifetime, the responsibility to avoid it now belongs to a single generation—today ’ s. LONGLISTED FOR THE PEN/E.O. WILSON LITERARY SCIENCE WRITING AWARD “ The Uninhabitable Earth is the most terrifying book I have ever read. Its subject is climate change, and its method is scientific, but its mode is Old Testament. The book is a meticulously documented, white-knuckled tour through the cascading catastrophes that will soon engulf our warming planet. ” —Farhad Manjoo, *The New York Times* “ Riveting. . . . Some readers will find Mr. Wallace-Wells ’ s outline of possible futures alarmist. He is indeed alarmed. You should be, too. ” —The Economist “ Potent and evocative. . . . Wallace-Wells has resolved to offer something other than the standard narrative of climate change. . . . He avoids the ‘ eerily banal language of climatology ’ in favor of lush, rolling prose. ” —Jennifer Szalai, *The New York Times* “ The book has potential to be this generation ’ s Silent Spring. ” —The Washington Post “ The Uninhabitable Earth, which has become a best seller, taps into the underlying emotion of the day: fear. . . . I encourage people to read this book. ” —Alan Weisman, *The New York Review of Books*

Kissin' Tell Seattle : University of Washington Press

From a New York Times – bestselling author, “ intrigue, danger, and greed are up against integrity, kindness, and love in this engrossing western romance ” (Booklist). When news

arrived that there was trouble back in Texas, Holt McKettrick left a mail-order bride and his family on the spot. And he never looked back. He just prayed he ’ d be in time to save the man who had raised him as a son and keep his best friend from the gallows. He knew he ’ d encounter rustlers, scoundrels and thieves, but he ’ d never expected to find a woman like Lorelei Fellows. Setting fire to her wedding dress in the town square probably wasn ’ t the best way to stand her ground. But Lorelei had had enough. She was sick of men and their schemes. All she wanted was to stake her claim on her own little piece of Texas. And with Holt McKettrick as a neighbor, things were beginning to look up. The man was a straight shooter with a strong will, a steady aim and a hungry heart. “ Highly enjoyable. . . . Strong characterization and a vivid western setting make for a fine historical romance. ” —Publishers Weekly

Exit Laughing Harlequin

A million pounds of honey. Produced by a billion bees! This memoir reconstructs the life of a young man from Pennsylvania as he drops into the bald prairie badlands of southern Saskatchewan. He buys a honey ranch and keeps the bees that make the honey. But he also spends winters in Florida swamps, nurse-maid to ten thousand dainty queen bees. From the dusty Canadian prairie to the thick palmetto swamps of the American south, the reader meets with simple folks who shape the protagonist's character - including a Cree rancher with three sons playing NHL hockey, a Hutterite preacher who yearns to roam the globe, a reclusive bee-eating homesteader, and a grey-headed widow who grows grapefruit, plays a nasty game of scrabble, and lives with four vicious dogs. Encompassing a ten-year period, this true story evolves from the earnest inexperience of the young man as he learns an art and builds a business. Carefully researched natural biology runs counterpoint to human social activities. Bee craft serves as the setting for expositions that contrast American and Canadian lifestyles, while exemplifying the harsh reality of a man working with and against the physical environment.

The Uninhabitable Earth Harlequin

Linda Lael Miller ignites the combustible passion between attorney Clare Westbrook and homicide detective Tony Sonterra in this page-turning conclusion to her New York Times bestselling trilogy. A senseless murder. A sizzling adventure. Carrying her lover Tony Sonterra's child, Clare Westbrook has finally buried her commitment phobia and said "yes" to Tony's marriage proposal. So why is fear running through her veins and

haunting her dreams? Sonterra is fired up to leave Phoenix for small-town Arizona, to target a lethal desert crime ring. Clare's willing to stand by her man, but he won't be the only one flirting with danger on the job: as a special investigator for the D.A.'s office, Clare is plunged into a race to find a missing child whose mother was murdered. And on a case this hot, the promise of Clare's bright future could vanish in the blink of an eye....

The Struggle for the American Curriculum, 1893-1958 Bridget Williams Books

The bestselling classic from New York Times bestselling author Linda Lael Miller about a rugged pair of twin brothers—the lawman and the gunslinger—and how they find the ladies of their dreams across the Old West. Marshal Shay McQuillan has a lot on his hands—stagecoach robbers to track, a murdered fiancé to avenge—and he doesn ’ t need an identical twin brother, who he never knew existed, turning up out of the blue. Then Shay ’ s world is truly shaken by lovely Aislinn Lethaby, a hotel worker who impulsively steps in to rescue him from danger! Is she a sweet distraction from his serious duties—or the answer to his lonely heart? Now that he has found his twin brother, all Tristan Saint-Laurent wants is to be a peaceful rancher. What he gets is Emily Starbuck, a determined package of trouble from back East. Tristan knows he should tell Emily and her aggravating sheep to move along, but he doesn ’ t have the heart. Suddenly, the gunslinger is dreaming of married bliss. But his past may yet come between him and the woman he has come to loves.

World Scripture MIRA

Go west with #1 New York Times bestselling author Linda Lael Miller and fall in love with the cowboys of *THE Montana Creeds* Whether winning championship belt buckles or dealing with Hollywood types, former rodeo star Tyler Creed can handle anything. Except being in the same place as his estranged brothers. Yet here they are, all three of them, back in Stillwater Springs. They're barely talking but, despite that, they're trying to restore the old Creed ranch--and the Creed family. Lily Kenyon knows all about family estrangements and secrets. The single mom has come home to set things right and to put down roots for her daughter. The last person she expects to see is Tyler Creed, whom she's loved since childhood. Now the handsome, stubborn cowboy who left home to find his passion just might discover that it was here all along, under the Montana sky.
