The Christmas Brides HQN Books

New York Times bestselling author Linda Lael Miller turns up the heat in this sizzling tale of suspense and rekindled passions set against the blazing skies of Arizona's lush desert landscape—where a killer is determined to exact his revenge. When hard-working attorney Clare Westbrook learns that her

ambulance-chasing boss has been murdered, she's shocked—but not exactly surprised. Harvey Kredd was known for his less-than-ethical business dealings, and even his acts of generosity were tinged with greed; Clare, working at Kredd and Associates to pay off the law school loan Harvey had granted her several years before, knows she's got no choice: indentured servitude, twenty-first-century style. But Harvey's death doesn't let Clare out of her contract with the firm; instead it brings her a new, odious multimillionaire client, and Tony Sonterra—homicide detective and local heartthrob—who's not above using a murder investigation to get back into Clare's life. Jump-starting her affair with Tony is the last thing Clare needs—she's got enough on her plate raising her niece, Emma, without throwing a bull-headed cop into the mix. Then Clare gets the news that may convince her

---

Tony is exactly what she needs: Emma's father has been released from prison, and he's intent on seeing his daughter. Though she could never persuade the police to believe her, Clare is convinced that James Arren murdered her sister. Clare is determined to find evidence that will put James Arren away for good, but Tony is just as determined to keep her safe after another murder—clearly meant to target Clare—rocks the law firm. With no real leads, too many suspects, and a growing chain of menacing violence, Clare finds that teaming up with the devil she knows is her only option—one that's just too attractive to resist. With the same rich storytelling style that has captivated readers worldwide, Linda Lael Miller delivers a page-turning blend of heated passion and captivating suspense.

The Creed Legacy Simon and Schuster

Mojo Sheepshanks, surviving a mysterious tragedy, is seeing ghosts--the real, ectoplasmic kind--and turning up baffling clues to her real identity; she'll need all her savvy to keep someone from burying her for keeps.

The Legacy Bridget Williams Books

No one writes Western romance better than #1 New York Times bestselling author Linda Lael Miller Let her take you to the town of Parable, Montana... The illegitimate son of a wealthy rancher, Sheriff Slade Barlow grew up in a trailer hitched to the Curly-Burly hair salon his mother runs. He was never acknowledged by his father...until now. Suddenly, Slade has inherited half of Whisper Creek Ranch, one of the most prosperous in Parable County. That doesn't sit well with his half brother, Hutch, who grew up with all the rights of a Carmody, including the affections of Joslyn Kirk, homecoming queen, rodeo queen, beauty queen--and the girl Slade's never forgotten. But Joslyn

has come home to Parable under difficult circumstances. Resented by many of the townspeople cheated by her crooked stepfather, she's trying to rebuild her life and repay everyone who lost money because of his schemes. With a town to protect, plus a rebellious teenage stepdaughter, Slade already has his hands full. But someone has to convince Joslyn that she's responsible only for her own actions--and that someone is Sheriff Barlow

*A Creed in Stone Creek* Trafford Publishing  
Join big city lawyer turned reluctant rancher Steven Creed as he puts down roots and finds love in the process in this classic Montana Creeds novel from New York Times bestselling author Linda Lael Miller! When attorney Steven Creed becomes guardian of an orphaned five-year-old boy, this bachelor trades his big-city law firm for a ranch near his McKettrick kin in the close-knit community of Stone Creek, Arizona. Taking care of little Matt and fixing up his run-down ranch house with its old barn loosens something tightly wound inside him. But when Steven takes on the pro bono defense of a local teen, he meets his match in the opposing counsel—beautiful, by-the-book county prosecutor Melissa O'Ballivan. It'll take one grieving little boy, a sweet, adopted dog and a woman who never expected to win any man's heart to make this Creed in Stone Creek know he's truly found home. Discover bestselling author Linda Lael Miller's latest masterpiece, *Where the Creek Bends*, a mesmerizing tale where age-old

Our contemporary version of the American Dream seems rather debased in Cullen's eyes-built on the cult of Hollywood and its outlandish dreams of overnight fame and fortune.

### Big Sky Summer Harlequin

American Millennials--the generation born in the 1980s and 1990s--have been leaving organized religion in unprecedented numbers. For a long time, the Church of Jesus Christ of Latter-day Saints was an exception: nearly three-quarters of people who grew up Mormon stayed that way into adulthood. In *The Next Mormons*, Jana Riess demonstrates that things are starting to change. Drawing on a large-scale national study of four generations of current and former Mormons as well as dozens of in-depth personal interviews, Riess explores the religious beliefs and behaviors of young adult Mormons, finding that while their levels of belief remain strong, their institutional loyalties are less certain than their parents' and grandparents'. For a growing number of Millennials, the tensions between the Church's conservative ideals and their generation's commitment to individualism and pluralism prove too high, causing them to leave the faith--often experiencing deep personal anguish in the process. Those who remain within the fold are attempting to carefully balance the Church's strong emphasis on the traditional family with their generation's more inclusive definition that celebrates same-sex couples and women's equality. Mormon families are changing too. More Mormons are remaining single, parents are

---

having fewer children, and more women are working outside the home than a generation ago. The Next Mormons offers a portrait of a generation navigating between traditional religion and a rapidly changing culture.

Never Look Back Harper Collins

Descendants of the legendary McKettrick family, the Creeds are renowned in Stillwater Springs, Montana - for raising hell...

**The American Dream** DigiCat

From a New York Times–bestselling author, “moving and memorable, this novel reveals the impossible choices women face in wartime” (James Patterson, #1 New York Times–bestselling author). Caroline, the young wife of Jacob, a Union soldier away at war, is raising their daughter alone on the family farm just outside of Gettysburg. Word arrives that her husband is wounded, so she travels to Washington City to find him. When Jacob succumbs, she brings his body home on the eve of the deadliest battle of the war. With troops and looters roaming the countryside, it is impossible for her to know who is friend and who is foe. Caroline fights to protect those she loves while remaining compassionate to the neediest around her, including two strangers from opposite sides of the war. Each is wounded. Each is drawn to her kindness. Both offer comfort, but only one

secretly captures her heart. Still, she must resist exposing her vulnerability in these uncertain times when so much is at risk. In *The Yankee Widow*, gifted storyteller Linda Lael Miller explores the complexities and heartbreak that women experienced as their men took up arms to preserve the nation. “A must read for historical fiction fans.” –Publishers Weekly  
“Well told and readers will keep turning the pages.” –Booklist

*Don't Look Now* HQN Books

A million pounds of honey. Produced by a billion bees! This memoir reconstructs the life of a young man from Pennsylvania as he drops into the bald prairie badlands of southern Saskatchewan. He buys a honey ranch and keeps the bees that make the honey. But he also spends winters in Florida swamps, nurse-maid to ten thousand dainty queen bees. From the dusty Canadian prairie to the thick palmetto swamps of the American south, the reader meets with simple folks who shape the protagonist's character - including a Cree rancher with three sons playing NHL hockey, a Hutterite preacher who yearns to roam the globe, a reclusive bee-eating homesteader, and a grey-headed widow who grows grapefruit, plays a nasty game of scrabble, and lives with four vicious dogs. Encompassing a ten-year period, this true story evolves from the earnest inexperience of the

---

young man as he learns an art and builds a business. Carefully researched natural biology runs counterpoint to human social activities. Bee craft serves as the setting for expositions that contrast American and Canadian lifestyles, while exemplifying the harsh reality of a man working with and against the physical environment.

**A Snow Country Christmas** HQN Books

One of America's best-loved storytellers, Linda Lael Miller sets passions blazing in the unforgettable tale of one young doctor's efforts to protect the lovely Rachel from his nemesis, the powerful and demanding owner of a lumber empire. Washington's rowdy lumber camps were no place for an innocent young beauty... When Rachel McKinnon attracts the attention of Jonas Wilkes, she is truly in dire straits. Wilkes, the owner of a lumber empire, has power over most everyone he meets—and now he wants Rachel. Her only hope is Griffin Fletcher. The town's darkly handsome, unmarried doctor, he once made a promise to Rachel's dying mother to keep her daughter out of harm's way. But little did Fletcher know that looking after the lovely Rachel would mean facing down Wilkes, his nemesis. Now the enmity he

harbors for Wilkes is about to erupt in a dangerous confrontation...and the young doctor who swore never to love again is suddenly in danger of falling desperately in love with the one woman he swore he would always protect.

The Road to Revolution HarperCollins UK

Reissue of bestselling biography. Published by Bridget Williams Books. This beautifully written story of a radical nun who founded a religious congregation sold thousands of copies when it won the Book of the Year award in the 1997 Montana Book Awards. Suzanne Aubert grew up in a French provincial family in the mid-nineteenth century. Lyon's Catholic missionary spirit brought her to live with Maori girls in war-anxious 1860s Auckland. She nursed Maori and Pakeha in Hawke's Bay as the settler

---

population swelled. Later, living up the Whanganui River at Jerusalem, she set up New Zealand's home-grown Catholic congregation, published a significant Maori text, broke in a hill farm, manufactured medicines, and gathered babies and children through the family-fracturing years of economic depression. The turn of the century sent her windswept skirts through the streets of the capital city. There she would be a constant sign of political commitment and caring for people 'of all creeds and none' until she died in 1926. 'If any New Zealand book has earned the label "long awaited", it is this one... This is a superb book, scrupulously researched...stylishly written, generously illustrated and rewarding to read... Most importantly, it speaks to our times.' - Michael King, 'New Zealand Listener'.

The Next Mormons HQN Books

When hotshot movie executive Mick Branson arranges dinner on Christmas Eve to discuss a work opportunity, Raine McCall is intrigued-- by the offer and the man. She's a no-makeup, no-frills single mom, who's happy with her quiet life, but Mick is sure heating up her holiday. Mick was in Mustang Creek to oversee a documentary, but when he

left free-spirited graphic designer Raine was in his head. Their attraction is undeniable-- and so are their differences. Putting down roots in Wyoming wasn't in the script. But there are some Christmas gifts you can't walk away from, even when they turn your whole world upside down.

**B.F. Skinner** HQN Books

---

The greatest accomplishment of Western civilization is arguably the achievement of individual liberty through limits on the power of the state. In the war-torn twentieth century, we rarely hear that one of the main costs of armed conflict is long-term loss of liberty to winners and losers alike. Beyond the obvious and direct costs of dead and wounded soldiers, there is the lifetime struggle of veterans to live with their nightmares and their injuries; the hidden economic costs of inflation, debts, and taxes; and more generally the damages caused to our culture, our morality, and to civilization at large. The new edition is now available in paperback, with a number of new essays. It represents a large-scale collective effort to pierce the veils of myth and propaganda to reveal the true costs of war, above all, the cost to liberty. Central to this volume are the views of Ludwig von Mises on war and foreign policy. Mises argued that war, along with colonialism and imperialism, is the greatest enemy of freedom and prosperity, and that peace throughout the world cannot be achieved until the central governments of the major nations become limited in scope

and power. In the spirit of these theorems by Mises, the contributors to this volume consider the costs of war generally and assess specific corrosive effects of major American wars since the Revolution. The first section includes chapters on the theoretical and institutional dimensions of the relationship between war and society, including conscription, infringements on freedom, the military as an engine of social change, war and literature, and the right of citizens to bear arms. The second group includes reconsiderations of Lincoln and Churchill, an analysis of the anti-interventionist idea in American politics, a discussion of the meaning of the "just war," an assessment of how World War I changed the course of Western civilization, and finally two eyewitness accounts of the true horrors of actual combat by veterans of World War II. *The Costs of War* is unique in its combination of historical scope and timeliness for current debates about foreign policy and military intervention. It will be of interest to historians, political scientists, economists, and sociologists.

**Creed's Honor** HQN Books

Once she led him around by a string. Now he's

---

the one holding the reins. Georgia Hotchkiss swore wild horses couldn't drag her back to Sundance, Wyoming. So it's ironic she's forced to take a rodeo PR job in her former hometown--right before her ten-year class reunion. The only thing worse than facing her cheating ex-husband? Showing up to the reunion without a date. Tell McKay had it so bad for Georgia "Hot Lips" Hotchkiss during high school that he let her run roughshod over him. But he's no longer that easily manipulated boy--these days he's earned a reputation with the ladies that lives up to the McKay last name. He agrees to escort her to the reunion--with one stipulation. Georgia has to prove she's left behind the goody-goody cheerleader of the past--by sharing his bed. Their sexual chemistry burns so bright, they barely notice that the reunion has come and gone, and now they're tangled up in another dreaded "R" word--relationship. But if Tell wants to get the girl this time around, he'll have to come up with a whole new set of knots to tie up her heartstrings. Warning: Contains a sweet talkin' wild cowboy with a wagon load of crazy-hot sex fantasies and the mad bedroom skills to back up his claims.
