One of the early images in "The Dark Half" is as terrifying as anything Stephen King has ever conceived. Thad Beaumont, the film's hero, is a gifted boy who wants to be a writer. He suffers headaches and seizures. Some sort of brain tumor is feared. Doctors find something on the X-rays, and open his skull, and while they are probing the surface of the delicate tissue, a large eye opens and ...

Now, King didn't want to jettison the Bachman novel, titled Machine Dreams, that was he working on. So he incorporated it in The Dark Half as the crime oeuvre of George Stark, whose recurring hero/alter ego is an evil character named Alexis Machine. Thad Beaumont's pseudonym is not so docile as Stephen King's, though,...

Somewhere in the dark recesses of over-fluffed and processed Stephen King movie adaptations, there lies this jewel of a film: "The Dark Half." After having it watched it about three times, I'm still quite at a loss as to why this movie has been, more or less, forgotten or simply passed over by the horror movie community.
