LOCUS AWARD FINALIST! “ This generation ’ s Le Guin. ” —Andrew Sean Greer, Pulitzer Prize-winning author of *Less* Charlie Jane Anders, the nationally bestselling author of *All the Birds in the Sky* delivers a brilliant new novel set in a hauntingly strange future with #10 LA Times bestseller *The City in the Middle of the Night*. "If you control our sleep, then you can own our dreams... And from there, it's easy to control our entire lives." January is a dying planet—divided between a permanently frozen darkness on one side, and blazing endless sunshine on the other. Humanity clings to life, spread across two archaic cities built in the sliver of habitable dusk. But life inside the cities is just as dangerous as the uninhabitable wastelands outside. Sophie, a student and reluctant revolutionary, is supposed to be dead after being exiled into the night. Saved only by forming an unusual bond with the enigmatic beasts who roam the ice, Sophie vows to stay hidden from the world, hoping she can heal. But fate has other plans—and Sophie's ensuing odyssey and the ragtag family she finds will change the entire world. Thad, a college professor who moonlights as a writer of pop thrillers under the pseudonym George Stark, finally writes a serious novel, and decides to stop writing shockers. But George Stark has come to life and doesn't want to die. Thad is forced to battle his own creation for the control of the mind which both must share.

Unjustifiable Means Princeton University Press

The story of one of America's most notorious killers is revealed in this true-crime comic unlike any other! Throughout the 1980s, the highest priority of Seattle-area police was the apprehension of the Green River Killer, the man responsible for the murders of dozens of women. In 1990, with the body count numbering at least forty-eight, the case was put in the hands of a single detective, Tom Jensen. After twenty years, when the killer was finally captured with the help of DNA technology, Jensen spent 180 days interviewing Gary Leon Ridgway in an effort to learn his most closely held secrets—an epic confrontation with evil that proved as disturbing and surreal as can be imagined. Written by Jensen's own son, acclaimed entertainment writer Jeff Jensen, *Green River Killer: A True Detective Story* presents the ultimate insider's account of America's most prolific serial killer. * Combines a historic manhunt with a compelling family story! * Written by Entertainment Weekly's Jeff Jensen! * The ultimate true crime graphic novel! * For fans of *From Hell* and *Torso*.

The Dark Side of Relationship Pursuit St. Martin's Press

"What every leader needs to know about dignity and how to create a culture in which everyone thrives. This landmark book from an expert in dignity studies explores the essential but under-recognized role of dignity as part of good leadership. Extending the reach of her award-winning book *Dignity: Its Essential Role in Resolving Conflict*, Donna Hicks now contributes a specific, practical guide to achieving a culture of dignity. Most people know very little about dignity, the author has found, and when leaders fail to respect the dignity of others, conflict and distrust ensue. She highlights three components of leading with dignity: what one must know in order to honor dignity and avoid violating it; what one must do to lead with dignity; and how one can create a culture of dignity in any organization, whether corporate, religious, governmental, healthcare, or beyond. Brimming with key research findings, real-life case studies, and workable recommendations, this book fills an important gap in our understanding of how best to be together in a conflict-ridden world."--

Jonathan Starling's home has been attacked, his dad is in an asylum, he's running for his life, and there's nowhere to hide. Jonathan has stumbled upon London's greatest secret: Darkside. Incredibly dangerous and unimaginably exciting, Darkside is the creepiest place Jonathan has ever seen. It's a world of nightmares and secrets, where fear and evil rule, and Jonathan has to find a way out.... Since Tom Becker learned to hold a pen, he wanted to become a writer. In fact, when he was five years old, he wrote in a notebook that it was his dream was to be an author. Tom studied History at Oxford University and was inspired by the otherworldly atmosphere of this academic institution. He used to spend long days studying and reading in the University library, but now he spends long days writing.

Pigs Eat Wolves Dark Horse Comics

ONE TEEN'S JOURNEY THROUGH THE RWANDAN MASSACRES This is the true story of Christine, a young woman who grew up in two very different Cultures and survived abuse, torture and massacres. Christine's Catholic father, Leonard, was a Black Tutsi tribe member from Kigali, Rwanda and her White Jewish mother, Lilian, was a child of Holocaust Survivors from Cluj Napoca, a city in Transylvania, Romania. Christine's parents were both rebellious and troubled children from the experimental era and turbulent times of the 1970's. Leonard and Lillian both left their homes to be free of their parents and restrictions, and met each other in college in Bucharest, where they moved in together about one week after meeting. Two children later (first came Marie-Chantal and then Christine), Leonard and Lilian got married and then soon split from their extremely rocky and volatile relationship. Leonard returned to Rwanda and Lilian stayed in Romania. Lilian was not interested in being a mother. She wanted to live a care free life without any responsibilities and rejected both of her children, Marie-Chantal and Christine. She wanted no parental burdens and denied her daughters existence. Leonard, who was physically and verbally abusive and a sexual child molester, took both of his daughters to Rwanda. After several years of extreme abuse in the home, civil war broke out in Rwanda. In April, 1994, the Hutus of Rwanda attacked the Tutsies and massacred between 800,000 - 1 million people within a three month period. The United Nations sent troops who were under orders to do nothing other than observe the massacres. Tens of thousands of Tutsi victims begged for help but the UN troops who could've made a difference did nothing other than watch the murders of civilians in silence. Christine's story begins with her parents and we follow her as she develops and grows up from an abused childhood into a tough 14 year old teenage survivor of the Rwandan Massacres. Christine tells her amazing and harrowing personal story of capture, escape and survival, using her wits and instincts as she roams on foot throughout Rwanda to escape the Hutu death squads which sought her out and hunted her like an animal as an individual prize and a hated Tutsi tribe member.

A history of the relations between Poland and the U.S.S.R. from 1939 to 1945.

The City in the Middle of the Night Llewellyn Worldwide

From the daughter of the iconoclastic comedic performer, Kelly Carlin's memoir *A Carlin Home Companion: Growing Up with George* "is written in the DNA of a Carlin, honest, biting, savage, funny, sad, dark, and profound...Hold on; like George Carlin, this book gives you a hell of a ride" (New York Times bestselling author and multi-award-winning comedian Lewis Black). Truly the voice of a generation, George Carlin gave the world some of the most hysterical and iconic comedy routines of the last fifty years. From the "Seven Dirty Words" and "A Place for My Stuff", to "Religion is Bullshit" and "The American Dream", he perfected the art of making audiences double over with laughter while simultaneously making people wake up to the realities (and insanities) of life in the twentieth century. Few people glimpsed the inner life of this beloved comedian, but his only child, Kelly, was there to see it all. Born at the very beginning of his decades-long career in comedy, she slid around the "old Dodge Dart," as he and wife Brenda drove around the country to "hell gigs." She witnessed his transformation in the '70s, as he fought back against—and talked back to—the establishment; she even talked him down from a really bad acid trip a time or two ("Kelly, the sun has exploded and we have eight, no-seven and a half minutes to live!"). Kelly not only watched her father constantly reinvent himself and his comedy, but also had a front row seat to the roller coaster turmoil of her family's inner life—alcoholism, cocaine addiction, life-threatening health scares, and a crushing debt to the IRS. But having been the only "adult" in her family prepared her little for the task of her own adulthood. All the while, Kelly sought to define her own voice as she separated from the shadow of her father's genius. With rich humor and deep insight, Kelly Carlin pulls back the curtain on what it was like to grow up as the daughter of one of the most recognizable comedians of our time, and become a woman in her own right. This vivid, hilarious, heartbreaking story is at once singular and universal—it is a contemplation of what it takes to move beyond the legacy of childhood, and forge a life of your own.

THE BASIS FOR THE MAJOR 6-PART HBO® DOCUMENTARY SERIES #1 NEW YORK TIMES BESTSELLER A BEST BOOK OF THE YEAR: Washington Post | Maureen Corrigan, NPR | Paste | Seattle Times | Entertainment Weekly | Esquire | Slate | BuzzFeed | Jezebel | Philadelphia Inquirer | Publishers Weekly | Kirkus Reviews | Library Journal | Bustle Winner of the Goodreads Choice Awards for Nonfiction | Anthony Award Winner | SCIBA Book Award Winner | Finalist for the Edgar Award for Best Fact Crime | Longlisted for the Carnegie Medal for Excellence The haunting true story of the elusive serial rapist turned murderer who terrorized California during the 70s and 80s, and of the gifted journalist who died tragically while investigating the case—which was solved in April 2018. The haunting true story of the elusive

serial rapist turned murderer who terrorized California during the 70s and 80s, and of the gifted journalist who died tragically while investigating the case—which was solved in April 2018. Introduction by Gillian Flynn • Afterword by Patton Oswalt “A brilliant genre-buster... Propulsive, can’t-stop-now reading.” —Stephen King For more than ten years, a mysterious and violent predator committed fifty sexual assaults in Northern California before moving south, where he perpetrated ten sadistic murders. Then he disappeared, eluding capture by multiple police forces and some of the best detectives in the area. Three decades later, Michelle McNamara, a true crime journalist who created the popular website TrueCrimeDiary.com, was determined to find the violent psychopath she called “the Golden State Killer.” Michelle pored over police reports, interviewed victims, and embedded herself in the online communities that were as obsessed with the case as she was. *I’ll Be Gone in the Dark*—the masterpiece McNamara was writing at the time of her sudden death—offers an atmospheric snapshot of a moment in American history and a chilling account of a criminal mastermind and the wreckage he left behind. It is also a portrait of a woman’s obsession and her unflagging pursuit of the truth. Utterly original and compelling, it has been hailed as a modern true crime classic—one which fulfilled Michelle's dream: helping unmask the Golden State Killer.

The Best Land Under Heaven: The Donner Party in the Age of Manifest Destiny Anchor Awards and Praise for the first edition: Recipient of the 2006 International Association for Relationship Research (IARR) Book Award “This text, as it presently stands, is THE go-to text for stalking researchers. That is my opinion and the opinion of multiple fellow scholars I know in the field. It rarely sits on my shelf, but rather is a constant reference on my desk. I can always count on these authors to have done an extensive review of literature. I thought I was thorough, but they are always providing me with new references.”--Dr. H. Colleen Sinclair, Associate Professor of Psychology, Mississippi State University “Cupach and Spitzberg provide the reader with a multidisciplinary framework for understanding the nature and impact of unwanted relationship pursuits. This book is an excellent resource for students and professionals alike who seek to gain knowledge about unwanted relational pursuits and stalking.” —Journal of Couple & Relationship Therapy *The Dark Side of Relationship Pursuit* provides historical and definitional frames for studying unwanted relationship pursuit, and considers the role of the media, law, and social science research in shaping today’s conceptualizations of stalking. The volume integrates research from diverse contributing fields and disciplines, providing a thorough summary and assessment of current knowledge on stalking and obsessive pursuit. Building on the foundation of the award-winning first edition, this revision considers assessment issues, offers an expanded analysis of the meta-analysis data set, and includes coverage of intercultural and international factors. As an increasing number of scholarly disciplines and professional fields study stalking and other forms of obsessive relationship pursuit, this book is a must-have resource for examining interpersonal conflict, social and personal relationships, domestic violence, unrequited love, divorce and relational dissolution, and harassment. It also has much to offer researchers, counselors, and professionals in psychology, counseling, criminal justice, sociology, psychiatry, forensic evaluation, threat assessment, and law enforcement.

The Dark Side Of The Sun One World/Ballantine

The book the government doesn’t want you to read. President Trump wants to bring back torture.

This is why he’s wrong. In his more than thirty years as an NCIS special agent and counterintelligence officer, Mark Fallon has investigated some of the most significant terrorist operations in US history, including the first bombing of the World Trade Center and the 2000 attack on the USS Cole. He knew well how to bring criminals to justice, all the while upholding the Constitution. But in the aftermath of September 11, 2001, it was clear that America was dealing with a new kind of enemy. Soon after the attacks, Fallon was named Deputy Commander of the newly formed Criminal Investigation Task Force (CITF), created to probe the al-Qaeda terrorist network and bring suspected terrorists to trial. Fallon was determined to do the job the right way, but with the opening of Guantanamo Bay and the arrival of its detainees, he witnessed a shadowy dark side of the intelligence community that emerged, peddling a snake-oil they called “enhanced interrogation techniques.” In *Unjustifiable Means*, Fallon reveals this dark side of the United States government, which threw our own laws and international covenants aside to become a nation that tortured—sanctioned by the highest-ranking members of the Bush Administration, the Army, and the CIA, many of whom still hold government positions, although none have been held accountable. Until now. Follow along as Fallon pieces together how this shadowy group incrementally—and secretly—loosened the reins on interrogation techniques at Gitmo and later, Abu-Ghraib, and black sites around the world. He recounts how key psychologists disturbingly violated human rights and adopted harsh practices to fit the Bush administration’s objectives even though such tactics proved ineffective, counterproductive, and damaging to our own national security. Fallon untangles the powerful decisions the administration’s legal team—the Bush “War Counsel”—used to provide the cover needed to make torture the modus operandi of the United States government. As Fallon says, “You could clearly see it coming, you could wave your arms and yell, but there wasn’t a damn thing you could do to stop it.” *Unjustifiable Means* is hard-hitting, raw, and explosive, and forces the spotlight back on to how America lost its way. Fallon also exposes those responsible for using torture under the guise of national security, as well as those heroes who risked it all to oppose the program. By casting a defining light on one of America’s darkest periods, Mark Fallon weaves a cautionary tale for those who wield the power to reinstate torture.

Take Her to the Dark Side Graymalkin Media

Susan Michaels was once the hottest reporter on the Beltway Beat until a major scandal ruined her life and left her writing stories about alien babies and Elvis sightings. Life as she once knew it is over, or so she thinks, but then she gets a lead on a story that could salvage her extinct career. She heads to the local animal shelter, expecting a hot news tip, which she gets in the form of a major police cover-up . . . for a ring of soul-sucking vampires out to take over Seattle. So much for saving her credibility. And if that isn't bad enough, she gets talked into adopting a cat and finds she's allergic to it. A cat that turns out to be a shapeshifter who claims to be an immortal vampire slayer on the prowl for the same corrupt cops. Her first thought: seek professional help. But as Susan's drawn into Ravyn's dark and dangerous world, she comes to realize that there's a lot more at stake than just her defunct career. Now it's no longer a question of bringing the truth to her readers; it's a matter of saving their very lives and souls. Ravyn's life was shattered over four hundred years ago, when he mistakenly trusted the wrong human with the truth of his existence. He lost his family, his honor, and his life. Now, in order to save the people of Seattle, he's forced to confront that nightmare all over again, and to trust another woman with the secret that could destroy him. In the world of the Dark-Hunters, life is always dangerous. But never more so than now; when a very human woman can shatter their entire world with just one story. The only question is . . . will she?

The Dark Side Of Success Routledge

The San Francisco Bay Area is currently the jewel in the crown of capitalism—the tech capital of the world and a gusher of wealth from the Silicon Gold Rush. It has been generating jobs, spawning new innovation, and spreading ideas that are changing lives everywhere. It boasts of being the Left Coast, the Greenest City, and the best place for workers in the USA. So what could be wrong? It may seem that the Bay Area has the best of it in Trump’s America, but there is a dark side of success: overheated bubbles and spectacular crashes; exploding inequality and millions of underpaid workers; a boiling housing crisis, mass displacement, and severe environmental damage; a delusional tech elite and complicity with the worst in American politics. This sweeping account of the Bay Area in the age of the tech boom covers many bases. It begins with the phenomenal concentration of IT in Greater Silicon Valley, the fabulous economic growth of the bay region and the unbelievable wealth piling up for the 1% and high incomes of Upper Classes—in contrast to the fate of the working class and people of color earning poverty wages and struggling to keep their heads above water. The middle chapters survey the urban scene, including the greatest housing bubble in the United States, a metropolis exploding in every direction, and a geography turned inside out. Lastly, it hits the environmental impact of the boom, the fantastical ideology of TechWorld, and the political implications of the tech-led transformation of the bay region.

Green River Killer Turtleback

This book examines how the BJP became the world's largest political party. It goes beyond the usual narrative of the party's Hindutva politics to explain how, under Narendra Modi, the party reshaped the Indian polity using its own brand of social engineering. According to the findings of this book, this reconstruction was cleverly powered by new caste coalitions, the claim of a new welfare state that focused on marginalised social groups and the making of a women-voter base. Based on data from three unique indices--the Mehta-Singh Social Index, which studies the caste composition of Indian political parties; the Narad Index, which calculates communication patterns across topics and audiences; and PollNiti, which connects and tallies hundreds of political and economic datasets--The New BJP is full of startling insights into the way both the party and the country function. Previously untapped historical records, exclusive interviews with party leaders and comprehensive reportage from across India provide a fresh understanding of the BJP's growth areas, including the Northeast and south India. A lucid and objective study of the BJP and India today, this book will be useful to researchers, journalists, students, activists and general public alike. Print edition not for sale in South Asia (Bangladesh, Bhutan, India, Nepal, Pakistan and Sri Lanka).

Ayn Rand Nation Back Bay Books

Nominated for a 34th annual Lambda Literary Award • A scintillating thriller with an emotional punch: “The tension builds to unbearably claustrophobic levels. To say more would rob readers of the 'no, he didn't' suspense that makes Bath Haus an unexpectedly twisted, heart-pounding cat-versus-mouse thriller" (Los Angeles Times). Oliver Park, a recovering addict from Indiana, finally has everything he ever wanted: sobriety and a loving, wealthy partner in Nathan, a prominent DC trauma surgeon. Despite their difference in age and disparate backgrounds, they've made a perfect life together. With everything to lose, Oliver shouldn't be visiting Haus, a gay bathhouse. But through the entrance he goes, and it's a line crossed. Inside, he follows a man into

a private room, and it's the final line. Whatever happens next, Nathan can never know. But then, everything goes wrong, terribly wrong, and Oliver barely escapes with his life. He races home in full-blown terror as the hand-shaped bruise grows dark on his neck. The truth will destroy Nathan and everything they have together, so Oliver does the thing he used to do so well: he lies. What follows is a classic runaway-train narrative, full of the exquisite escalations, edge-of-your-seat thrills, and oh-my-god twists. P. J. Vernon's Bath Haus is perfect for readers curious for their next must-read novel.
