And the truth shall set you free... I know my family loves me. How? They communicate love through their words and actions. So if God loves me so much more than any person ever could, shouldn't I be able to see it? hear it? feel it? EVERYWHERE? If this is true, why are there so many people that don't? Untwisted Truth shares Michael's observations using his teaching experience and some musical satire to describe his understanding of God's constant loving communication. Perhaps getting to know the reality of God's omnipresent love is as simple as cleaning an eyeglass lens... Enjoy!
