Dead Zero Death's Head Press
Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. Strengthening Forensic Science in the United States: A Path Forward provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. Strengthening Forensic Science in the United States gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable

best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

Sold by the Millions Vintage

In the near-future murder is still the same. Its who ' s watching that ' s different. The worldwide aftershock of what becomes known as "Gray Wednesday" is immediate and catastrophic, leaving governments barely functioning and economies devastated. Hollow-eyed apparitions appear, haunting their loved ones and others. But some things never change. When Detective Mariani discovers the grisly remains of an anonymous murder victim in the city sewage system, his investigation will pit him against a corrupt police department and a murky cabal conspiring for power in the new world order. Then there is the matter of the dead boy who haunts his every moment. . . .

Talking Book Topics Simon and Schuster

A young hospital security guard with a disturbingly unique taste in women. A maternity doctor with a horrifically

unusual appetite. When the two of them meet, they embark on a journey of self-discovery while shattering societal norms and engaging in destructively aberrant behavior. As they unwittingly help each other understand a world in which neither seems to belong, they begin to realize what it truly means to be alive...And that it might not always a good thing.

When You Reach Me Simon and Schuster

Maine Acadia National Park is one of the most visited national parks in the United States. It is an adventure seeker's paradise. Hiking, climbing, snowshoeing, back-country skiing, and ice-climbing are among the activities pursued there; as well as the less extreme sight seeing along the Park Road and Atlantic coast. *Death in Acadia* gathers the stories of fatalities that have occurred in the park, from falls to exposure to cardiac arrest--even getting swept out to sea--and presents dozens of misadventures.

The Deep Simon and Schuster

Set in the fictional town of Castle Rock, Maine A "wondrously frightening" (Publishers Weekly) tale of terror and #1 national bestseller about a writer's pseudonym that comes alive and destroys everyone on the path that leads to the man who created him. Thad Beaumont is a writer, and for a dozen years he has secretly published violent bestsellers under the name of George Stark. But Thad is a healthier and happier man now, the father of infant twins, and starting to write as himself again. He no longer needs George Stark and so, with nationwide publicity, the pseudonym is retired. But George Stark won't go willingly. And now Thad would like to say he is innocent. He'd like to say he has nothing to do with the twisted imagination that produced his bestselling novels. He'd like to say he has nothing to do with the series of monstrous murders that keep coming closer to his home. But how can Thad deny the ultimate embodiment of evil that goes by the name he gave it--and signs its crimes with Thad's bloody fingerprints? *The Dark Half* is "a chiller" (The New York Times Book Review), so real and fascinating that you'll find yourself squirming in Stephen King's heart-stopping, blood-curdling grip--and loving every minute of it.

Phoenix and the Darkness of Wolves Simon and Schuster

A doctor makes a late-night emergency call to an exclusive California riding school; a professor inherits a mysterious vase... and a strange little man; a struggling youth discovers canine horrors lurking beneath the streets of Albany; a sheriff ruthlessly deals with monstrosities plaguing his rural town; a pair of animal researchers makes a frightening discovery at a remote site; a sweet little girl entertains herself... by torturing faeries; a group of horror aficionados attempts to track down an unfinished film by a reclusive cult director; a man spends a chill night standing watch over his uncle's body; a girl looks to understand her place in a world in which zombies have overrun the earth; a murderous pack of nuns stalks a pair of Halloween revelers... What frightens us, what unnerves us? What causes that delicious shiver of fear to travel the lengths of our spines? It seems the answer changes every year. Every year the bar is raised; the screw is tightened. Ellen Datlow knows what scares us; the seventeen stories included in this anthology were chosen from magazines, webzines, anthologies, literary journals, and single author collections to represent the best horror of the year. Legendary editor Ellen Datlow (*Lovecraft Unbound*, *Tails of Wonder and Imagination*), winner of multiple Hugo, Bram Stoker, and World Fantasy awards, joins Night Shade Books in presenting *The Best Horror of the Year, Volume Three*.

Gwendy's Magic Feather Pantheon

A USA TODAY BESTSELLER In this thrilling sequel to the New York Times bestselling novella by Stephen King and award-winning author Richard Chizmar, an adult Gwendy is summoned back to Castle Rock after the mysterious reappearance of the button box. Something evil has swept into the small Maine town of Castle Rock on the heels of the latest winter storm. Sheriff Norris Ridgewick and his team are desperately searching for two missing girls, but time is running out. In Washington, DC, thirty-seven-year-old Gwendy Peterson couldn't be more different from the self-conscious teenaged girl who once spent a summer running up Castle Rock's Suicide Stairs. That same summer, she had been entrusted—or some might say cursed—with the extraordinary button box by Richard Farris, the mysterious stranger in the black suit. The seductive and powerful box offered Gwendy small gifts in exchange for its care and feeding until Farris eventually returned, promising the young girl she'd never see the box again. One day, though, the button box suddenly reappears but this time, without Richard Farris to explain why, or what she's supposed to do with it. Between this and the troubling disappearances back in Castle Rock, Gwendy decides to return home. She just might be able to help rescue the missing girls and stop a dangerous madman before he does something ghastly. With breathtaking and lyrical prose, *Gwendy's Magic Feather* explores whether our lives are controlled by fate or the choices we make and what price we sometimes have to pay.

Prepare to return again to Stephen King's Castle Rock, the sleepy little town built on a bedrock of deep, dark secrets, just as it's about to awaken from its quiet slumber once more.

Musical News Anchor

Australian genre fiction writers have successfully exploited the Australian landscape and peoples and as a result their books are today "sold by the millions" across boundaries. They have created stories that are imaginative, visionary, and diverse. They appeal to local and international readerships and, most importantly, are thoroughly entertaining, thus making them a strong presence in the popular fiction bazaar. Sold by the Millions: Australia's Bestsellers is the first collection to concentrate on Australia's best-selling material that forms the armchair reading of many Australians. Leading experts of popular fiction provide introspective pieces on Romance, Horror, Crime, Science Fiction, Western, Comics, Travel, Sports and Children's writing so that a wholesome picture emerges of the wide range of reading and research options available for scholars.

The Dead Path Simon & Schuster

From America's most trusted financial advisor comes a comprehensive guide to a new and utterly sane financial choice. In Die Broke, you'll learn that life is a game where the loser gives his money to Uncle Sam at the end. There are four steps to the process: Quit Today No, don't tell your boss to shove it...at least not out loud. But in your head accept that from this day on you're a free agent whose number one workplace priority is your personal bottom line. Pay Cash You should be as conscious of spending as you are of saving. Credit should be a rarely used tool for those few times (buying homes and cars) when paying cash is impossible. Don't Retire Your work life should be a journey up and down hills, rather than a climb up a sheer cliff that ends with a jump into the abyss. Die Broke It sounds terrifying, the one intolerable outcome to your financial life. And yet, in truth, dying broke might be your best option for a life without fear: fear of failure and privation now, fear of impoverishment in the long run.

Pet Sematary Vintage Crime/Black Lizard

A Best Book of 2022 by the New York Public Library • One of the Best SFF Books of 2022 (Gizmodo) • One of the Best SF Mysteries of 2022 (CrimeReads) • A GoodReads Choice Award finalist for Best Science Fiction! Titanic meets Event Horizon in this SF horror novel in which a woman and her crew board a decades-lost luxury cruiser and find the wreckage of a nightmare that hasn't yet ended. Claire Kovalik is days away from being unemployed—made obsolete—when her beacon repair crew picks up a strange distress signal. With nothing to lose and no desire to return to Earth, Claire and her team decide to investigate. What they find is shocking: the Aurora, a famous luxury spaceliner that vanished on its maiden tour of the solar system more than twenty years ago. A salvage claim like this could set Claire and her crew up for life. But a quick search of the ship reveals something isn't right. Whispers in the dark. Flickers of movement. Messages scrawled in blood. Claire must fight to hold on to her sanity and find out what really happened on the Aurora before she and her crew meet the same ghastly fate. "Truly un-put-downable in its purest sense." Chloe Gong, #1 New York Times bestselling author of These Violent Delights At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Strengthening Forensic Science in the United States Anchor

A mesmerizing and thrilling novel—perfect for fans of Tana French and Stieg Larsson—that introduces a modern, unforgettable rookie cop whose past is as fascinating and as deadly as the crimes she investigates. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Boston Globe • The Seattle Times SHE KNOWS WHAT IT'S LIKE. . . . At first, the murder scene appears sad, but not unusual: a young woman undone by drugs and prostitution, her six-year-old daughter dead alongside her. But then detectives find a strange piece of evidence in the squalid house: the platinum credit card of a very wealthy—and long dead—steel tycoon. What is a heroin-

addicted hooker doing with the credit card of a well-known and powerful man who died months ago? This is the question that the most junior member of the investigative team, Detective Constable Fiona Griffiths, is assigned to answer. But D.C. Griffiths is no ordinary cop. She's earned a reputation at police headquarters in Cardiff, Wales, for being odd, for not picking up on social cues, for being a little overintense. And there's that gap in her past, the two-year hiatus that everyone assumes was a breakdown. But Fiona is a crack investigator, quick and intuitive. She is immediately drawn to the crime scene, and to the tragic face of the six-year-old girl, who she is certain has something to tell her . . . something that will break the case wide open. Ignoring orders and protocol, Fiona begins to explore far beyond the rich man's credit card and into the secrets of her seaside city. And when she uncovers another dead prostitute, Fiona knows that she's only begun to scratch the surface of a dark world of crime and murder. But the deeper she digs, the more danger she risks—not just from criminals and killers but from her own past . . . and the abyss that threatens to pull her back at any time.

BONUS: This edition includes an excerpt from Harry Bingham's *Love Story*, with *Murders*. Praise for *Talking to the Dead* "Gritty, compelling . . . a procedural unlike any other you are likely to read this year."—USA Today "With Detective Constable Fiona 'Fi' Griffiths, Harry Bingham . . . finds a sweet spot in crime fiction . . . think Stieg Larsson's *Lisbeth Salander* . . . Denise Mina's *'Paddy'* Meehan [or] Lee Child's *Jack Reacher*. . . . The writing is terrific."—The Boston Globe "The mystery-thriller genre is already so staffed with masterminds that it's hard to

make room for another. But along comes a book like *Talking to the Dead*, and suddenly an unadvertised opening is filled. . . . [This] has the feel of something fresh and compelling."—New York Daily News "A stunner with precision plotting, an unusual setting, and a deeply complex protagonist . . . We have the welcome promise of more books to come about Griffiths."—The Seattle Times "Recommended highly . . . [a] riveting procedural thriller."—Library Journal (starred review)

The Girl Who Loved Tom Gordon Delacorte Press

"This book tells the story of how people experienced the eighteenth-century crossing of the Atlantic Ocean, exploring the transformative journey undertaken by the thousands of Europeans who journeyed in search of a better life. Stephen Berry shows how the ships, on which passengers were contained in close quarters for months at a time, operated as compressed "frontiers," where diverse groups encountered one another and established new patterns of social organization. As he argues that experiences aboardship served as a profound conversion experience for travelers, both spiritually and culturally, Berry reframes the history of Atlantic migrations, giving the ocean and the ship a more prominent role in Atlantic history. The ocean was more than a backdrop for human events: it actively shaped historical experiences by furnishing a dissociative break from normal patterns of life and a formative stage in travelers' processes of collective identification"--

Becoming a King John Wiley & Sons

"Extraordinary...beautifully precise...[an] earnestly ambitious debut." —The New York Times Book Review "A wild, angry, and devastating masterpiece of a book." —NPR "[A] descendent of the Dickensian 'social novel' by way of Jonathan Franzen: epic fiction that lays bare contemporary culture

clashes, showing us who we are and how we got here.” —O, The Oprah Magazine “A book that has stayed with me ever since I put it down.” —Seth Meyers, host of Late Night with Seth Meyers One sweltering night in 2013, four former high school classmates converge on their hometown in northeastern Ohio. There’s Bill Ashcraft, a passionate, drug-abusing young activist whose flailing ambitions have taken him from Cambodia to Zuccotti Park to post-BP New Orleans, and now back home with a mysterious package strapped to the undercarriage of his truck; Stacey Moore, a doctoral candidate reluctantly confronting her family and the mother of her best friend and first love, whose disappearance spurs the mystery at the heart of the novel; Dan Eaton, a shy veteran of three tours in Iraq, home for a dinner date with the high school sweetheart he’s tried desperately to forget; and the beautiful, fragile Tina Ross, whose rendezvous with the washed-up captain of the football team triggers the novel’s shocking climax. Set over the course of a single evening, Ohio toggles between the perspectives of these unforgettable characters as they unearth dark secrets, revisit old regrets and uncover—and compound—bitter betrayals. Before the evening is through, these narratives converge masterfully to reveal a mystery so dark and shocking it will take your breath away.

The Struggle for South Sudan Thomas Nelson “A novelistic mosaic that simultaneously reads like a thriller and like a strange, dreamlike excursion into the subconscious.” —The New York Times Years ago, when *House of Leaves* was first being passed around, it was nothing more than a badly bundled heap of paper, parts of which would occasionally surface on the Internet. No one could have anticipated the

small but devoted following this terrifying story would soon command. Starting with an odd assortment of marginalized youth -- musicians, tattoo artists, programmers, strippers, environmentalists, and adrenaline junkies -- the book eventually made its way into the hands of older generations, who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children. Now this astonishing novel is made available in book form, complete with the original colored words, vertical footnotes, and second and third appendices. The story remains unchanged, focusing on a young family that moves into a small home on Ash Tree Lane where they discover something is terribly wrong: their house is bigger on the inside than it is on the outside. Of course, neither Pulitzer Prize-winning photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of that impossibility, until the day their two little children wandered off and their voices eerily began to return another story -- of creature darkness, of an ever-growing abyss behind a closet door, and of that unholy growl which soon enough would tear through their walls and consume all their dreams.

Talking to the Dead Anchor

“Dear Ava, I loved your book.” —Award-winning actress Emma Watson For fans of Kathleen Glasgow and Amber Smith, Ava Dellaira writes about grief, love, and family with a haunting and often heartbreaking beauty in this emotionally stirring, critically acclaimed debut novel, *Love Letters to the Dead*. It begins as an assignment for English class: Write a letter to a dead person. Laurel chooses Kurt Cobain because her sister, May, loved him. And he died young, just like May did. Soon, Laurel has a notebook full of letters to people like Janis Joplin, Amy Winehouse, Amelia Earhart, Heath Ledger, and more—though she never gives a single one of them to her teacher. She writes about starting high school, navigating new friendships, falling in love for the first time, learning to live with her splintering family. And, finally, about the abuse she suffered while May

was supposed to be looking out for her. Only then, once Laurel has written down the truth about what happened to herself, can she truly begin to accept what happened to May. And only when Laurel has begun to see her sister as the person she was—lovely and amazing and deeply flawed—can she begin to discover her own path.

Die Broke Tor Nightfire

Nicholas Close has always had an uncanny intuition, but after the death of his wife he becomes haunted, literally, by ghosts doomed to repeat their final violent moments in a chilling and endless loop. Torn by guilt and fearing for his sanity, Nicholas returns to his childhood home seeking a fresh start. But he is soon entangled in a disturbing series of disappearances and murders. He finds himself a suspect, and as the evidence mounts against him and the ghost continue to haunt him, Nicholas will need to confront the woods that surround his hometown--the origin of his troubles and where a malignant evil may be lurking, waiting.
