"A gripping and beautiful book about the power of love in the face of unimaginable loss." --Cheryl Strayed For readers of *The Bright Hour* and *When Breath Becomes Air*, a moving, transcendent memoir of loss and a stunning exploration of marriage in the wake of unimaginable grief. As the book opens: two-year-old Greta Greene is sitting with her grandmother on a park bench on the Upper West Side of Manhattan. A brick crumbles from a windowsill overhead, striking her unconscious, and she is immediately rushed to the hospital. But although it begins with this event and with the anguish Jayson and his wife, Stacy, confront in the wake of their daughter's trauma and the hours leading up to her death, *Once More We Saw Stars* quickly becomes a narrative that is as much about hope and healing as it is about grief and loss. Jayson recognizes, even in the midst of his ordeal, that there will be a life for him beyond it--that if only he can continue moving forward, from one moment to the next, he will survive what seems unsurvivable. With raw honesty, deep emotion, and exquisite tenderness, he captures both the fragility of life and absoluteness of death, and most important of all, the unconquerable power of love. This is an unforgettable memoir of courage and transformation--and a book that will change the way you look at the world.

They're not going down without a fight. When FDLE special agent Amy Larson discovers a small horse figurine amid the bloody aftermath of a gang massacre in the Everglades, she recognizes it immediately. The toy is the calling card of the apocalypse cult that Amy and her partner, FBI special agent Hunter Forrest, have been investigating, and it can only mean one thing: this wasn't an isolated skirmish—it was the beginning of a war. As tensions between rival gangs rise, so does the body count, and Amy and Hunter's investigation leads them to a violent, far-right extremist group who are in no hurry to quell the civil unrest. With a deadly puppet master working to silence their every lead, it's a race against the clock to figure out who's been pulling the strings and put a stop to the escalating cartel turf war before the Everglades run red.

**Pain Management and the Opioid Epidemic** MIRA

A terrorist is targeting Britain. And to make matters worse it's an "invisible" -- Mi5-speak for someone traveling under a British passport. Virtually impossible to find before it's too late. The job falls to Liz Carlyle, the most resourceful counter terror agent in British intelligence. Tracking down this invisible is a challenge like none she has faced before. It will require all her hard-won experience, to say nothing of her intelligence and courage. Drawing on her own years as Britain's highest-ranking spy, Stella Rimington gives us a story that is smart, tautly drawn, and suspenseful from first to last.

Drug overdose, driven largely by overdose related to the use of opioids, is now the leading cause of unintentional injury death in the United States. The ongoing opioid crisis lies at the intersection of two public health challenges: reducing the burden of suffering from pain and containing the rising toll of the harms that can arise from the use of opioid medications. Chronic pain and opioid use disorder both represent complex human conditions affecting millions of Americans and causing untold disability and loss of function. In the context of the growing opioid problem, the U.S. Food and Drug Administration (FDA) launched an Opioids Action Plan in early 2016. As part of this plan, the FDA asked the National Academies of Sciences, Engineering, and Medicine to convene a committee to update the state of the science on pain research, care, and education and to identify actions the FDA and others can take to respond to the opioid epidemic, with a particular focus on informing FDA's development of a formal method for incorporating individual and societal considerations into its risk-benefit framework for opioid approval and monitoring.

Kurt Vonnegut's masterpiece, *Slaughterhouse-Five* is "a desperate, painfully honest attempt to confront the monstrous crimes of the twentieth century" (Time). Selected by the Modern Library as one of the 100 best novels of all time *Slaughterhouse-Five*, an American classic, is one of the world's great antiwar books. Centering on the infamous World War II firebombing of Dresden, the novel is the result of what Kurt Vonnegut described as a twenty-three-year struggle to write a book about what he had witnessed as an American prisoner of war. It combines historical fiction, science fiction, autobiography, and satire in an account of the life of Billy Pilgrim, a barber's son turned draftee turned optometrist turned alien abductee. As Vonnegut had, Billy experiences the destruction of Dresden as a POW. Unlike Vonnegut, he experiences time travel, or coming "unstuck in time." An instant bestseller, *Slaughterhouse-Five* made Kurt Vonnegut a cult hero in American literature, a reputation that only strengthened over time, despite his being banned and censored by some libraries and schools for content and language. But it was precisely those elements of Vonnegut's writing—the political edginess, the genre-bending inventiveness, the frank violence, the transgressive wit—that have inspired generations of readers not just to look differently at the world around them but to find the confidence to say something about it. Authors as wide-ranging as Norman Mailer, John Irving, Michael Crichton, Tim O'Brien, Margaret Atwood, Elizabeth Strout, David Sedaris, Jennifer Egan, and J. K. Rowling have all found inspiration in Vonnegut's words. Jonathan Safran Foer has described Vonnegut as "the kind of writer who made

people—young people especially—want to write." George Saunders has declared Vonnegut to be "the great, urgent, passionate American writer of our century, who offers us . . . a model of the kind of compassionate thinking that might yet save us from ourselves." More than fifty years after its initial publication at the height of the Vietnam War, Vonnegut's portrayal of political disillusionment, PTSD, and postwar anxiety feels as relevant, darkly humorous, and profoundly affecting as ever, an enduring beacon through our own era's uncertainties.

Matt Stone doesn't believe in ghosts. But there are those who are convinced his home, a historic Virginia estate that dates back to the Revolutionary War, is haunted. Pressured to get at the truth about some strange happenings at Melody House, he agrees to let Harrison Investigations explore the house. But he isn't ready for beautiful, intriguing Darcy Tremayne. As a paranormal investigator, Darcy has learned to believe in the unbelievable. And she's given Matt fair warning: sometimes people don't like the skeletons she finds. She never dreamed that warning would apply to herself. For she's about to discover that Melody House holds much more than a simple mystery from the distant past. What it holds is a very real and lethal danger, one that will cast her into a struggle against the worlds of both the living and the dead.

A killer is looking to silence them, once and for all. FBI agent Jordan Wallace is close to cracking the human trafficking case she's been working, when she does the one thing she should never do: let her guard down. The botched undercover mission is semisalvaged by the last-minute appearance of criminal psychologist Patrick Law, but Jordan can't imagine making a worse first impression. Especially when she's partnered with Patrick moving forward. Patrick's innate ability to get inside a criminal's head is an asset for the Krewe of Hunters. But Jordan wishes she could protect her own thoughts from her new partner. Patrick assures her that both she and her thoughts are safe with him, but Jordan's less sure about her heart. Letting someone have her back has never been her strong suit, but with a dangerous killer still at large, trusting in Patrick might be the only thing keeping them alive. "A harrowing journey... Return to the thrilling world of Harrison Investigations. Before the Krewe of Hunters, there was Adam Harrison's PI firm. Available for the first time in a value box set, stories 4 - 6 in the series—classic paranormal romantic suspense from New York Times bestselling author Heather Graham. The Dead Room A year ago, archaeologist Leslie MacIntyre barely survived an explosion that took the

life of her fiancé. Since then she's slowly come to terms with both her loss and an unsettling ability to communicate with ghosts, a "gift" received in the wake of her brush with death. Now she's returned to lower Manhattan, site of the explosion, to investigate a newly discovered burial ground. In this place restless spirits hold the secrets not only of past injustice but of a deadly conspiracy against the city's women—including Leslie herself. The Death Dealer Genevieve O'Brien's knows all about nightmares. She survived two months as a psychopath's prisoner, and now a new menace stalks the city. She turns to PI Joe Connolly, her past rescuer, friend and...hopefully something more, if he would just quit avoiding her. At first Joe isn't sure there is a case. But the body count rises, and it's clear that a twisted killer is on the loose. Even more unsettling is the guidance he starts receiving from beyond the grave, warning of some terrible danger ahead. But can even the spirits stay the hand of a madman bent on murder? Unhallowed Ground When Sarah McKinley is finally able to buy the historic Florida mansion that she has always loved, she dismisses the horror stories of past residents vanishing and a long-dead housekeeper who practiced black magic. Then, in renovations, she makes a grim discovery: hidden within the walls are the remains of dozens of bodies—some dating back over a century. The door to the past is blown wide open when Caleb Anderson, a private investigator, shows up. He believes several current missing-persons cases are linked to the house and its dark history. Soon Caleb begins to fear that if he can't stay a step ahead, he could lose Sarah to a killer with an ability to transcend time in a quest for blood and sacrifice.

NATIONAL BOOK AWARD FINALIST • Latinas of Indigenous descent living in the American West take center stage in this haunting debut story collection—a powerful meditation on friendship, mothers and daughters, and the deep-rooted truths of our homelands. "Here are stories that blaze like wildfires, with characters who made me laugh and broke my heart."—Sandra Cisneros WINNER OF THE AMERICAN BOOK AWARD • FINALIST FOR THE STORY PRIZE • FINALIST FOR THE PEN/ROBERT W. BINGHAM PRIZE FOR DEBUT SHORT STORY COLLECTION Kali Fajardo-Anstine's magnetic story collection breathes life into her Latina characters of indigenous ancestry and the land they inhabit in the American West. Against the remarkable backdrop of Denver, Colorado—a place that is as fierce as it is exquisite—these women navigate the land the way they navigate their lives: with caution, grace, and quiet force. In "Sugar Babies," ancestry and heritage are hidden inside the earth but tend to rise during land disputes. "Any Further West" follows a sex worker and her daughter as they leave their ancestral home in southern Colorado only to find a foreign and hostile land in California. In "Tomi," a woman leaves prison and finds herself in a gentrified city that is a shadow of the one she remembers from her childhood. And in the title story, "Sabrina & Corina," a Denver family falls into a cycle of violence against women, coming together only through ritual. Sabrina & Corina is a moving narrative of unrelenting feminine power and an exploration of the universal experiences of abandonment, heritage, and an eternal sense of home. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Public Library • Kirkus Reviews • Library Journal "Sabrina & Corina isn't just good, it's masterful storytelling. Fajardo-Anstine is a fearless writer: her women are strong and scarred witnesses of the violations of their homelands, their culture, their bodies; her plots turn and surprise, unerring and organic in their comprehensiveness; her characters break your heart, but you keep on going because you know you are in the hands of a master. Her stories move through the heart of darkness and illuminate it with the soul of truth."—Julia Alvarez, author of *How the García Girls Lost Their Accents* "[A] powerhouse debut . . . stylistically superb, with crisp dialogue and unforgettable characters, Sabrina & Corina introduces an impressive new talent to American letters."—Rigoberto González, NBC News

Written in a respectful and conversational style, this unique book is designed to promote constructive dialogue and foster mutual understanding between Christians and non-Christians. The author, a skeptic and journalist, asks basic questions about Christian belief. What is the born-again experience? Why would God want to sacrifice his only son for the world? Do miracles really happen? How reliable is the Bible? What is the rapture? Why isn't everyone a Christian? Each question is followed by commentary and analysis that is skeptical and tough but never

argumentative or condescending. Christians will find the book useful as a basis for developing their apologetics, while skeptics will welcome Harrison's probing rational analysis of religious claims.
