#12 New, never before

published, full-length novel

First published May 2018

Navy SEAL Lieutenant Jim “Spaceman” Slade’s got a problem. A SEAL Team is only as fast as its slowest member—and right now, thanks to his battered knees—that’s Jim. He reluctantly takes medical leave, but he’s a SEAL, so he spends his “vacation” as an instructor, helping out a former Senior Chief who runs a camp for SEAL wannabes. But to Jim’s shock, he finds himself falling for the one woman attending the camp session—an obviously brilliant but seemingly timid lawyer who is determined to do everything her way, no matter how wrong. Ashley DeWitt’s got a problem, too. She’s a kickass lawyer, but when it comes to her personal life, she’s a total pushover. When she finds herself hiding behind her condo Dumpster to avoid a confrontation with an ex, she decides enough is enough and signs up for a session at a camp called SEAL World, in hopes she’ll discover how to be more assertive outside of the courtroom. And then she’s assigned to Jim’s team... When an alpha male—smart, funny, strong, but terrified of a future trapped behind a desk—collides with a smart, funny, and quietly strong woman with a troubled past, sparks fly hot and fast. The tall, dark, and dangerous Navy SEALs of Team Ten are back, with reader favorites like Lucky, Joe Cat, Bobby Taylor and his wife Colleen, Thomas King, Rio Rosetti—and with Suzanne Brockmann’s signature blend of love, laughter, and a hint of danger in SEAL Camp. Broken Genius Rowman & Littlefield
The Troubleshooters return in the latest thriller from New York Times bestselling author Suzanne Brockmann! Some Kind of Hero showcases Brockmann ' s signature white-knuckle suspense,

romantic twists, and sexy Navy SEALs. Navy men don't come tougher than Lieutenant Peter Greene. Every day he whips hotshot SEAL wannabes into elite fighters. So why can't he handle one fifteen-year-old girl? His ex's death left him a single dad overnight, and very unprepared. Though he can't relate to an angsty teen, he can at least keep Maddie safe—until the day she disappears. Though Pete's lacking in fatherly intuition, his instinct for detecting danger is razor sharp. Maddie's in trouble. Now he needs the Troubleshooters team at his back, along with an unconventional ally. Romance writer Shayla Whitman never expected to be drawn into a

real-world thriller—or to meet a hero who makes her pulse pound. Action on the page is one thing. Actually living it is another story. Shay's not as bold as her heroines, but she's a mother. She sees the panic in her new neighbor's usually fearless blue eyes—and knows there's no greater terror for a parent than having a child at risk. It's an ordeal Shay won't let Pete face alone. She's no highly trained operative, but she's smart, resourceful, and knows what makes teenagers tick. Still, working alongside Pete has its own perils—like letting the heat between them rise out of control. Intimate emotions could mean dangerous, even deadly,

consequences for their mission. No matter what, they must be on top of their game, and playing for keeps . . . or else Pete's daughter may be gone for good.
