into a mysterious underseas void where time stood still, before propelling it forward, through the centuries. The crew surfaced in a strange, magical world changed forever by nuclear holocaust. Here a race of angelic beings had taken pity on the remnants of humankind, offering a chosen few a precious second chance. Thus the Isle of Hope was raised from the poisoned seas and set like a jewel in Earth's ravaged crown. But the jewel had a flaw, a dark vein of evil. For a sinister expert of

the mystical arts had embraced the forbidden third magic, the most deadly sorcery of all. Only Del could defeat it--a hero sworn to peace and fated to wield the dazzling power of the fourth magic. . .

bestselling author R.A. Salvatore's second DemonWars saga, Transcendence is an extraordinary adventure that introduces a remarkable new hero—and explores the mysteries of enlightenment and the art of war in a dazzling epic of imagination. Brave and beautiful Brynn Dharielle has ventured on a daring mission to free her beloved homeland from tyrannical rule. But she cannot imagine the depths of chaos and betrayal that seethes amid a ruthless sect of warrior priests led by an evil chieftain who conceals a dark, age-old secret. For Brynn and her trusted elven companion, the way to Behren turns into a fierce and illuminating

voyage. But by the time Brynn reaches the land where she once saw her parents murdered, the seeds of revolution are already flourishing. The first salvo of a sweeping battle has begun—one that will threaten to destroy the heart and soul of her world. In book six of the DemonWars saga, #1 New York Times bestselling author R.A. Salvatore continues the second trilogy of the saga in what Booklist raves “outstanding...Bryn n Dharielle is a first-rate female high-fantasy protagonist.” The Dame Del Rey A graphic novel adapted from the popular role-playing game podcast follows the exploits of Taako the elf

R.A. Salvatore's cast of exciting characters continue the story in war-torn Corona in The Dame, the third book in the Saga of the First King series The vast road network of Honce, completed a decade before, had brought great

optimism to the people of the land. Commerce could travel more freely and so could armies, and those armies, it was hoped, would rid the land at long last of the vicious, bloody cap dwarfs and goblins. For the first time, the many individual kingdoms, the holdings of Honce, would be brought closer together, perhaps even united. For the last few years, those promises had become a nightmare to the folk, as two powerful lairds fought for supremacy of a hoped-for united kingdom. Bransen Garibond, the Highwayman, held little real interest

in that fight. To him the warring lairds were two sides of the same coin. Whichever side won, the outcome for the people of Honce would be the same, Bransen believed. A journey north, however, taught Bransen that his views were simplistic at best, and that some things--like honor and true friendship-- might truly matter. In R. A. Salvatore's The Dame, the third volume in R.A. Salvatore's Saga of the First King series, Bransen's road becomes a quest for the truth, of Honce and of himself, a quest to put right over

wrong. That path is fraught with confusion and fraud, and a purposeful blurring of morality by those who would seek to use the Highwayman's extraordinary battle skills and popularity among the commonfolk for their own nefarious ends. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. The Chaos Curse Simon and Schuster Master of fantasy adventure and #1 New York Times bestselling author R. A. Salvatore returns in the imaginative tour de force hailed by critics and readers as his finest work yet in the stunning fourth volume in the brilliant DemonWars Saga. The long struggle is over at last. The demon dactyl is no more, its dark sorceries shattered by the gemstone magic wielded by the woman known as Pony. But victory did not come easily. Many lives were lost, including Pony 's lover, the elf-trained ranger Elbryan Wynden. Yet despite the dactyl 's demise, the kingdom still seethes in the same cauldron of plots and machinations. Was it for this, Pony wonders, that her beloved gave his life? Assailed by grief and doubt, Pony retreats to the northern lands where she and Elbryan once shared their brief happiness. There, among old friends, her wounded spirit can begin to heal. Then a deadly sickness appears suddenly among the people of Corona. Only Pony, with her supreme magical abilities, can heal the victims...or so she believes. But the plague resists her as if possessed by a malevolent strength and intelligence all its own. Now Pony must undertake a pilgrimage that

will test her powers—and her faith—as never before. Watchful eyes follow her: the eyes of the elves who have stolen something precious from her and keep it for their own mysterious purposes. And the eyes of the man she hates above all else: Marcalo De ' Unnero, the villain responsible for Elbryan ' s death...who would desire nothing more than to lead Pony down that same treacherous path to destruction.

A factory worker is kidnapped to help an elf reforge a broken

spear, in this trilogy opener by the bestselling author of the Legend of Drizzt series. Gary Leger is desperate for adventure.

Daydreaming is all that keeps him from going nuts while working a dead-end job in a plastics factory.

The next best thing is burying himself in a good fantasy novel, and he spends much of his free time reading in the woods behind his house. That ' s when adventure finds him. Or rather, that ' s when he ' s hit with a tranquilizer

arrow . . . When Gary comes to, he ' s still in the woods—but in a

world inhabited by creatures from his favorite novels, like a pixie and a leprechaun.

There ' s also an elf on a dangerous life-quest who requires Gary ' s assistance. As soon as Gary finishes helping him, he can go home. He simply needs to complete the task . . . while surviving encounters with trolls, an ice-hag, a dragon, and a sorceress bent on stopping them at all costs. This first novel in the Spearwielder ' s Tale trilogy is a great choice for fans of Alan Dean Foster ' s Spellsinger books and Terry Brooks ' s Shannara series.

Praise for The Woods Out Back
“Written as a light-hearted adventure, the book works because the reader sees the world of Faerie through Gary’s eyes and Faerie is just as new to him as it is to the reader. . . . The book’s fast-paced, good-humored nature draws the reader in and makes the world of Faerie a fine place to visit—good thing there are two more installments!” —Site
