Cinda Williams Chima.  
Adventure, magic, war  
and ambition conspire

their world. When  
16-year-old Han  
Alister and his Clan  
friend Dancer  
encounter three  
underage wizards  
setting fire to the  
sacred mountain of

Hanalea, he has no  
idea that this event  
will precipitate a  
cascade of disasters  
that will threaten  
everything he cares  
about. Han takes an  
amulet from one of  
the wizards, Micah  
Bayar, to prevent him  
from using it against  
them. Only later does  
he learn that it has  
an evil history - it  
once belonged to the  
Demon King, the  
wizard who nearly  
destroyed the world a  
millennium ago. And  
the Bayars will stop  
at nothing to get it  
back. Meanwhile,  
Princess Raisa  
ana'Marianna, the  
heir to the Gray Wolf

has just spent three  
years of relative

period of quiet, the  
power of the Wizard  
Council is once again  
growing. The people  
of the Fells are

The Exiled Queen (The Seven Realms Series, Book 2)

Houghton Mifflin Harcourt Sweeping adventure, breathtaking twists of fate, and immersive worlds based in Norse mythology are woven into this first volume of the Runestone Saga, from the New York Times bestselling author of the Seven Realms and Shattered Realms series. Since Ragnarok—the great war between the gods and the forces of chaos—the human realm of the Midlands has become a desperate and dangerous place, bereft of magic. Sixteen-year-old Eiric Halvorsen is among the luckier ones—his family has remained prosperous. But he stands to lose everything when he's wrongly convicted by a rigged jury of murdering his modir and stepfadir. Also at risk is Eiric's half-systir, Liv,

who's under suspicion for her interest in seidr, or magic. Then a powerful jarl steps in: He will pay the blood price if Eiric will lead a mission to the fabled Temple at the Grove—the rich stronghold of the wyrdspinners, the last practitioners of sorcery.

Spellsinger, musician, and runecaster Reginn Eiklund has spent her life performing at alehouses for the benefit of her master, Asger, a fire demon she is desperate to escape.

After one performance that amazes even herself, two wyrdspinners in the audience make Reginn an irresistible offer: return with them to the Temple to be trained in seidr, forever free of Asger. Eiric's, Liv's, and Reginn's journeys converge in New Jotunheim, a paradise fueled by magic and the site of the Temple. They soon realize that a great evil lurks beneath the dazzling surface and that old betrayals and long-held grudges may fuel another cataclysmic war. It will require every gift and weapon at their command to prevent it.

Now that she's been kicked out of ballet school, she has to go on her new school's ski trip basically knowing no one. Well, except too-cool-for-school Keira and Crazy Connie-May (and her adorable hamster, Mr. Jambon). Meanwhile, Jack's life is just about to begin. He's on the way to the slopes with his school too, and all he can think about is how to successfully get his first kiss. But with new friends by her side, Mouse has more fun skiing and building igloos than she expected. And when Jack catches Mouse's eye in the at the ski resort, he's smitten. All's well--that is, until mega pop star Roland arrives on the scene and sets his sights on Mouse, too! A week in the snow is about to get complicated. . . . "The entwined stories are brilliantly paced...[and] riotously funny...under, around, and through the laughs, there are questions (and answers!) about friendship, image, and forgiveness, for
