The Demon Princes Jack Vance
Jack Vance 's ' Demon Princes ' series, written over almost twenty years, is an amalgam of the three styles at which he excelled. And a curious hybrid beast it makes, perhaps the most distinctive example of Vance's always distinctive style, if not always the best of his books.

The Star King is the opening novel of a five book series known as the

Demon Princes—which tell the story of Kirth Gersen as he attempts to take revenge upon the five criminals who slaughtered his family when he was a child. Admittedly, the plot of the series sounds a little clichéd and even the title of the series itself probably gives the wrong impression of what lies beneath the covers.

Jack Vance, one of the greatest writers of SF, created one of his masterpieces with the "Demon Princes" cycle. The hero, Kirth Gersen, is clearly

and annoyingly superhuman, but that is finally a minor flaw - those books are much more about the atmosphere, the surrounding world, the dialogues and the (sometimes very dark) humour.
