The question is, will Sig use the gun, and why? *Revolver* by Marcus Sedgwick is a 2011 Bank Street - Best Children's Book of the Year. This title has Common Core connections. *An Enquiry into the Future of the Three Enemies of the Rational Soul* Melville House Shortly before his death at the age of twenty, the young literary sensation Raymond Radiguet

compiled a volume of his poetry, composed between the ages of fourteen and eighteen. Presented here, this prodigious oeuvre is notable as much for its homage to classical style as it is for its risqué and even licentious undertones: it is, by Radiguet's own admission, an interpretation of "the birth of Venus"; a depiction of the awakening of the senses. Based on the authoritative 1925 text, this dual-language edition also contains Radiguet's foreword to the collection,

providing an invaluable insight into the history and interpretation of the works.

The Creepers Saga Penguin The tragic and complicated French romance about a teenage boy who seduces the wife of a soldier during World War I—and one of the most startling literary debuts of all time A Penguin Classic As the First World War reaches its final year, an illicit love affair is beginning between a sixteen-year-old boy and a young woman

who is married to a soldier at the front. They meet secretly in her flat on the outskirts of Paris, in cornfields and on river banks. When she receives letters from her husband, they burn them together. Intoxicated by passion, they cannot bear to end their affair, even when it causes a scandal among their friends and neighbours. Instead, they can only hurtle towards tragedy. Written in spare, haunting prose when Raymond

Radiguet was still a teenager, and loosely based on his life, *The Devil in the Flesh* became an instant bestseller and its author was hailed as a genius, before dying tragically at the age of twenty. It is a work of startling imagery and subtle beauty about power, betrayal, and passion that expresses all the anguish and joy of adolescence. **The Book of Monelle** Turtle Point Press "Twelve-year-old Will

Wilder is back to protect the town of Perilous Falls from another ancient evil--the fearsome demon, Amon" -- The Templar Salvation New York Review of Books An intoxicating sui generis novel by "the greatest mesmerist of modern times" (André Breton) The wealthy scientist Martial Canterel guides a group of visitors through his expansive estate, Locus Solus, where he displays his various deranged inventions, each more spectacular than the last. First, he introduces a

machine propelled by the weather, which constructs a mosaic out of varying hues of human teeth, then shows a hairless cat charged with a powerful electric battery, and next a bizarre theater in which corpses are reanimated with a special serum to enact the most important movements of their past lives.

Wondrously imaginative and narrated with Roussel's deadpan wit, *Locus Solus* is unlike anything else ever written.

A memoir about trauma and writing yourself to a place of healing At 15, Emily is a relatively typical teenage girl living in the Maritimes. She lives with her eccentric dad as he prepares to build a log cabin. She rides her beloved horse and spends all her free time taking in the fresh air. But things aren't perfect, the winters are harsh and her dad's place is cold and draughty. Enter their neighbour who sees a girl in need and offers to lend a hand. Three words:

"OUR LITTLE SECRET," and Emily's fate is sealed. Twenty five years later, Emily is adrift and depressed when she spots her neighbour again on a ferry. The events of that long-ago winter come rushing back, and she is forced to reckon with the past anew. She vows that she will bring him to justice, tell her secret, and come to terms with the wounds that defined so many years of her life. Inept lawyers, expensive therapy, and a broken justice system block Emily's path to peace. Only when she rediscovers her youthful artistic talent by putting pen to paper does she

see a way out. Now in her fifties, Carrington has crafted a compulsively readable debut that shows a powerful command of the comics medium. Our Little Secret is a testament to survival and to the importance of telling your story your way. **Saints Behaving Badly** Vintage Canada The thrilling fourth volume in the Eve of Redemption series! In the wake of a deadly attack, veteran demonhunter Karian Vanador faces a daunting task: sending her friends and family into danger without being at their side. With

her pregnancy progressing, she must see to other tasks: she must uncover a spy within her own Order, expose servants of the demon kings living right in her home city, and match wits with enemies that she knows little, if anything, about. And in all of this, she must act as a general, putting the lives of her friends and family at risk to see to an end she can't accomplish herself. Erijinkor Tesconis also faces a daunting task: he must lead the Silver Blades and their allies without Kari's expertise and

sword arm. Though a capable leader, he and his companions face an unknown danger, something only seen once before in the world. Adding to the pressures of his task are challenges he is ill-prepared for: allying with werewolves, taking up authority over nobility, and working to patch relationships among his own family. Both will face tests that push them to their limits, weighing the balance of love for their families against duty and a deep-seeded desire to protect an entire

world. But can either of them stand against the legacy of the Devil Queen herself? Where There's Love, There's Hate Yale University Press Raymond Khoury, the international bestselling author of *The Last Templar*, is back with another ingenious, fast-paced thriller that straddles present-day NYC and Russia in the early 1900s—the time of the infamous Rasputin and his mysterious rise to power. FBI special agent Sean Reilly is tasked with a delicate case. A Russian diplomat seems to have committed suicide by jumping out of a

sixth-floor window in Queens, New York. The apartment's owners are missing, while a faceless killer known only as Koschey—"the Deathless"—is roaming the city and leaving a trail of death in his wake. Joined by Russian FSB agent Larisa Tchoumitcheva, Reilly's investigation soon uncovers a deadly, desperate search for a mysterious device whose origins reach back in time to the darkest days of the Cold War and to Imperial Russia. A device that, in the wrong hands, could have a devastating impact on our world. Packed with the twists and suspense, the impeccable

historical research, and the present and past story lines that Khoury's fans have come to expect, *Rasputin's Shadow* will keep readers turning pages long into the night.

A Novel Verso Books A keepsake collection of Lord John Grey's shorter adventures and a spectacular addition to any Gabaldon fan's library, *Lord John and the Hand of Devils* brings three unique novellas together for the first time. *Lord John and the Hellfire Club* marks the first appearance of Lord John outside the *Outlander* novels. A young diplomat who had

begged for Lord John's help is killed before he can explain his need. Witnessing the murder, Grey vows to avenge the young man, as the trail leads to the notorious Hellfire Club and the dark caves beneath Medmenham Abbey. In *Lord John and the Succubus*, Grey's assignment as liaison to a Hanoverian regiment in Germany finds him caught between two threats: the advancing French and Austrian army, and the menace of a mysterious "night-

hag,” who spreads fear and death among the troops. Finally, in Lord John and the Haunted Soldier, Lord John is called to the Arsenal at Woolwich to answer a Royal Commission of Enquiry’s questions regarding a cannon that exploded during the battle of Krefeld. Accusations ensue, and Lord John finds himself knee-deep in a morass of gunpowder, treason, and plot—haunted by a dead lieutenant, and followed by a man with no face. Tropic of Cancer

(Harper Perennial and lapidary. In Modern Classics) great measure New Directions Publishing A seminal work of great force, Count d'Orgel is a study of a three-sided relationship set in Paris after the First World War. John Bayley wrote that Radiguet is wholly in debt to the great French masters of economy and polished observation. His avowed intention was to create a picture of the beau monde as comprehensive as Proust's but far more taut

he succeeded. The tale is certainly a masterpiece, one attempted and achieved by a young man of nineteen who was on his deathbed before it was published. Notes written by Jean Cocteau, Radiguet's mentor, are reprinted in this edition. A Novel on Russian Themes Createspace Independent Publishing Platform The Devil in the Flesh Penguin *Devil in the Flesh* Profile Books This passionate

and monumental biography reassesses the life and legacy of one of the most significant cultural figures of the twentieth century. Unevenly respected, easily hated, almost always suspected of being inferior to his reputation, Jean Cocteau has often been thought of as a jack-of-all-trades, master of none. In this landmark biography, Claude Arnaud thoroughly contests this characterization, as he celebrates Cocteau's "fragile genius—a combination almost unlivable in art" but in his case so fertile. Arnaud narrates the life of this legendary French novelist, poet, playwright, director, filmmaker, and designer who, as a young man, pretended to be a sort of a god, but who died as a humble and exhausted craftsman. His moving and compassionate account examines the nature of Cocteau's chameleon-like genius, his romantic attachments, his controversial politics, and his intimate involvement with many of the century's leading artistic lights, including Picasso, Proust, Hemingway, Stravinsky, and Tennessee Williams. Already published to great critical acclaim in France, Arnaud's penetrating and deeply researched work reveals a uniquely gifted artist while offering a magnificent cultural history of the twentieth century.

This early work by Henry James was originally published in 1888 and we are now republishing it with a brand new introductory biography. Henry

James was born in New York City in 1843. One of thirteen children, James had an unorthodox early education, switching between schools, private tutors and private reading.. James published his first story, 'A Tragedy of Error', in the Continental Monthly in 1864, when he was twenty years old. In 1876, he emigrated to London, where he remained for the vast majority of the rest of his life, becoming a British citizen in 1915. From this point on, he was a hugely prolific author, eventually producing twenty novels and more than a hundred short stories and novellas, as well as literary criticism, plays and travelogues. Amongst James's most famous works are *The Europeans* (1878), *Daisy Miller* (1878), *Washington Square* (1880), *The Bostonians* (1886), and one of the most famous ghost stories of all time, *The Turn of the Screw* (1898).
