Worse still, Felix is forced to question his own beliefs about life, death, and the supernatural. The Devil You Know is a compelling read, a hardboiled detective story transposed into a gritty apocalyptic world. Castor is an engaging narrator and his wry, humorous voice is effective and appealing.

The Devil You Know

Felix

Felix is an exorcist but you kind of get the feeling he really doesn't want to be. Well, amongst other things he did kind of lumber his best mate with a demon for a soul mate, but that wasn't all Felix's fault. A crime story, an urban fantasy myth, or just a bloody well written story - however you slice it, this is worth the cover

price.
