Crash and Burn Harper Collins

Cotton Malone retired from the high-risk world of elite operatives for the U.S. Justice Department to lead the low-key life of a rare-book dealer. But his quiet existence is shattered when he receives an anonymous e-mail: “ You have something want. You ’ re the only person on earth who knows where to find it. Go get it. You have 72 hours. If I don ’ t hear from you, you will be childless. ” His horrified ex-wife confirms that the threat is real: Their teenage son has been kidnapped. When Malone ’ s Copenhagen bookshop is burned to the ground, it

becomes brutally clear that those responsible will stop at nothing to get what they want. And what they want is nothing less than the lost Library of Alexandria. A cradle of ideas – historical, philosophical, literary, scientific, and religious – the Library of Alexandria was unparalleled in the world. But fifteen hundred years ago, it vanished into the mists of myth and legend – its vast bounty of wisdom coveted ever since by scholars, fortune hunters, and those who believe its untold secrets hold the key to ultimate power. Now a cartel of wealthy international moguls, bent on altering the course of history, is desperate to breach the library ’ s hallowed halls – and only Malone possesses the information they need to succeed. At stake is an explosive ancient document with the potential not only to change the destiny of the Middle East but to shake the world ’ s three major religions to their very foundations. Pursued by a lethal mercenary, Malone crosses the globe in search of answers. His quest will lead him to England and Portugal, even to the highest levels of American government – and the shattering outcome, deep in the Sinai

desert, will have worldwide repercussions. BONUS: This edition contains an excerpt from Steve Berry ' s The Columbus Affair and a Cotton Malone dossier.

The Lost Order BoD – Books on Demand

The NEW YORK TIMES bestselling author returns with a gripping, high-concept adventure thriller in the Sigma Force series - for fans of Dan Brown and Michael Crichton. A remote military research station in Utah sends out a frantic distress call, ending with a chilling final command: Kill us all! By the time help arrives every living thing for fifty miles has been annihilated. And blight is spreading. To halt the inevitable, Commander Gray Pierce and Sigma must unravel a threat that rises out of the distant past, to a time when Antarctica was green and life on Earth balanced on a knife edge. Following clues from an ancient map rescued from the lost Library of Alexandria, Sigma will discover the truth about an ancient continent, about a new form of death buried under miles of ice, and the coming extinction of mankind.

*FaceOff* HarperCollins

During a crowded service at a cathedral in Germany, armed intruders in monks' robes unleash a nightmare of blood and destruction. But the killers have not come for gold; they seek a more valuable prize: the bones of the Magi who once paid homage to a newborn savior . . . a treasure that could reshape the world. With the Vatican in turmoil, SIGMA Force leaps into action. An elite team of scientific and Special Forces operatives under the command of Grayson Pierce and accompanied by Lieutenant Rachel Verona of Rome's carabinieri, they are pursuing a deadly mystery that weaves through sites of the Seven Wonders of the World and ends at the doorstep of an ancient, mystical, and terrifying secret order. For there are those with dark plans for the stolen sacred remains that will alter the future of humankind . . . when science and religion unite to unleash a horror not seen since the beginning of time.

**Thriller: Stories to Keep You Up All Night**

Ballantine Books

In New York Times bestseller Steve Berry's latest Cotton Malone adventure, a secret dossier from a World War II-era Soviet spy comes to light containing information that, if proven true, would not only rewrite history – it could impact Germany's upcoming national elections and forever alter the political landscape of Europe. Two candidates are vying to become Chancellor of Germany. One is a patriot having served for the past sixteen years, the other a usurper, stoking the flames of nationalistic hate. Both harbor secrets, but only one knows the truth about the other. They are on a collision course, all turning on the events of one fateful day – April 30, 1945 – and what happened deep beneath Berlin in the Führerbunker. Did Adolph Hitler and Eva Braun die there? Did Martin Bormann, Hitler's close confidant, manage to escape? And, even more important, where did billions in Nazi wealth disappear to in the waning days of World War II? The answers to these questions will determine who becomes the next Chancellor of Germany. From the mysterious Chilean lake district, to the dangerous mesas of South Africa, and finally into the secret vaults of Switzerland, former-Justice Department agent Cotton Malone discovers the truth about the fates of Hitler, Braun, and Bormann. Revelations that could not only transform Europe, but finally expose a mystery known as the Kaiser's web.

The Sixth Extinction Simon and Schuster

The Knights of the Golden Circle was the largest and most dangerous

---

clandestine organization in American history. It amassed billions in stolen gold and silver, all buried in hidden caches across the United States. Since 1865 treasure hunters have searched, but little of that immense wealth has ever been found. Now, one hundred and sixty years later, two factions of what remains of the Knights of the Golden Circle want that lost treasure—one to spend it for their own ends, the other to preserve it. Thrust into this battle is former Justice Department agent Cotton Malone, whose connection to the knights is far deeper than he ever imagined. At the center is the Smithsonian Institution—linked to the knights, its treasure, and Malone himself through an ancestor, a Confederate spy named Angus “Cotton” Adams, whose story holds the key to everything. Complicating matters are the political ambitions of a reckless Speaker of the House and the bitter widow of a United States Senator, who together are planning radical changes to the country. And while Malone and Cassiopeia Vitt face the past, ex-president Danny Daniels and Stephanie Nelle confront a new and unexpected challenge, a threat that may cost one of them their life. From the backrooms of the Smithsonian to the deepest woods in rural Arkansas, and finally up into the rugged mountains of northern New Mexico, *The Lost Order* by Steve Berry is a perilous adventure into our country’s dark past, and a potentially even darker future.

**The Devil's Bones** Blue Box Press

A family’s secret, a ruthless fanatic, and a covert arm of the American government—all are linked by a single puzzling possibility: What if everything we know about the discovery of America was a lie? What if that lie was designed to hide the secret of why Columbus sailed in 1492? And what if that 500-year-old secret could violently reshape the modern political world? Pulitzer Prize-winning investigative journalist Tom Sagan has written hard-hitting articles from hot spots around the world. But when one of his stories from the Middle East is exposed as a fraud, his professional reputation crashes and burns. Now he lives in virtual exile—haunted by bad decisions and a shocking truth he can never prove: that his downfall was a deliberate act of sabotage by an unknown enemy. But before Sagan can end his torment with the squeeze of a trigger, fate intervenes in the form of an enigmatic stranger. This stranger forces Sagan to act—and his actions attract

the attention of the Magellan Billet, a top-secret corps of the United States Justice Department that deals with America’s most sensitive investigations. Sagan suddenly finds himself caught in an international incident, the repercussions of which will shudder not only Washington, D.C., but also Jerusalem. Coaxed into a deadly cat-and-mouse game, unsure who’s friend and who’s foe, Sagan is forced to Vienna, Prague, then finally into the Blue Mountains of Jamaica—where his survival hinges on his rewriting everything we know about Christopher Columbus. Don’t miss Steve Berry’s short story “The Admiral’s Mark” in the back of the book.

Experience the exciting breadth of #1 New York Times bestselling author James Rollins’s wild imagination and adventurous spirit in this anthology of his short masterworks, including a new full-length novella featuring Captain Tucker Wayne and his military war dog, Kane, as well as eleven previously published short stories, gathered together for the first time. In this breathtaking collection of short fiction, his first ever anthology, James Rollins brings together twelve thrilling stories that dig a little deeper into his creative stomping grounds and open vistas into new landscapes and characters. At the center of *Unrestricted Access* is the never-before-published novella “Sun Dogs.” While trekking through the Sonora desert, a gunshot thrusts Tucker and Kane into an adventure that challenges their considerable skills. The discovery of secrets known only to the native tribes of Arizona threatens to unleash an ancient force that could irreparably alter the future. It also forces Tucker to make a terrible choice that will shatter his relationship with his soul-bonded companion Kane. As these partners learn, nothing remains buried forever and old debts must be paid, no matter the cost. Other stories—each with an introduction by James Rollins—are just as compelling, offering broader insight into this acclaimed master’s fictional universes, including: “The Pit”: a young

dog is kidnapped and brutalized into becoming the bloody champion of a dog-fighting ring. But can this tortured monster find redemption and a path back to the boy who first raised him with love and compassion? “Tagger”: A pair of teenage street artists must protect San Francisco from a demon who has been seeking revenge for centuries. “The Devil’s Bones”: In this jungle adventure—the first joint story from Rollins and Steve Berry—Commander Gray Pierce and Cotton Malone must work together using their unique skills to survive a deadly threat. The stories “The Midnight Watch,” “The Skeleton Key,” “Tracker,” and “Kowalski’s in Love” shine light into some of Sigma Force’s secrets. Who were these characters before they were recruited by Sigma? What solo adventures did they experience? How do these short adventures tie into the larger Sigma universe? Rollins offers some clues. And rounding out this collection are a pair of entertaining stories “Blood Brothers” and “City of Screams” that complement The Order of the Sanguines series. Filled with adventure, intrigue, history, and speculative science, *Unrestricted Access* demonstrates Rollins’s remarkable creative powers and is a must-have collection for his many fans.

#### The Omega Factor Simon and Schuster

On the day the end begins, the sea will reveal a mystery. Ex-Navy SEAL Jack Kirkland surfaces from an aborted underwater salvage mission to find the Earth burning. Solar flares have triggered a series of gargantuan natural disasters. Earthquakes and hellfire rock the globe. Air Force One has vanished from the skies with America’s President on board. Now, with the U.S. on the narrow brink of a nuclear apocalypse, Kirkland must pilot his ocean-going exploration ship, *Deep Fathom*, on a desperate mission miles below the ocean’s surface. There devastating secrets await him—and a power an ancient civilization could not contain has been cast out into modern day. And it will forever alter a world

that’s already racing toward its own destruction. See why the *Providence Journal-Bulletin* calls James Rollins “the modern master of the action thriller” with this classic Rollins tale.

Mr. Whitefield has recently died, and his will indicates that his daughter Ann should be left in the care of two men, Roebuck Ramsden and Jack Tanner. Ramsden, a venerable old man, distrusts John Tanner, an eloquent youth with revolutionary ideas, saying "He is prodigiously fluent of speech, restless, excitable (mark the snorting nostril and the restless blue eye, just the thirty-secondth of an inch too wide open), possibly a little mad". In spite of what Ramsden says, Ann accepts Tanner as her guardian, though Tanner doesn't want the position at all. She also challenges Tanner's revolutionary beliefs with her own ideas. Despite Tanner's professed dedication to anarchy, he is unable to disarm Ann's charm, and she ultimately persuades him to marry her, choosing him over her more persistent suitor, a young man named Octavius Robinson.

tomb, the Nazis explored Antarctica before the Americans. Now Malone discovers that cryptic journals penned in “the language of heaven,” conundrums posed by an ancient historian, and his father’s ill-fated voyage are all tied to a revelation of immense consequence for humankind. As Malone embarks on a dangerous quest with the sisters, he will finally confront the shocking truth of his father’s death and the distinct possibility of his own. **BONUS:** This edition contains an excerpt from Steve Berry’s *The Columbus Affair* and a Cotton Malone dossier.

*The Blood Gospel* Ballantine Books

Experience a heart-pumping and thrilling tale of suspense! In this alternative-history-with-a-twist Thriller Short, New York Times bestselling writer Steve Berry explores one of Cotton Malone’s early missions, from a time when Malone was still employed as one of the Magellan Billet’s twelve agents. Malone is sent on a mission to a small, central Asian country run by an enigmatic dictator, Yossef Sharma, whose alliance with the United States must be kept under wraps. It’s not a mission Malone enjoys, since Sharma has a penchant for burning books. Things get even more interesting when Sharma connects Malone with the world’s most infamous criminal, a man who wants to surrender. Things are not always what they seem, and Malone will need Sharma’s help if he plans to set things right and give the devil his due. Originally published in *THRILLER* (2006), edited by No. 1 New York Times bestselling author James Patterson.

**FaceOff** Harper Collins

In this short story from the thrilling anthology FaceOff, New York Times bestselling authors Steve Berry and James Rollins—along with their popular characters Cotton Malone and Gray Pierce—team up for the first time ever. In a visit to Copenhagen, Gray Pierce happened upon a bookshop owned by an ex-lawyer named Cotton Malone, but he never had a chance to really get to know the owner. Too bad, because they had a lot in common: Both men were ex-military, both worked for covert agencies—Malone as a freelancer under the auspices of the Justice Department; Pierce via the Department of Defense—and both are good at what they do. Flash forward a few years to when Malone and Pierce finally get together for more than a passing hello. Halfway around the world from Denmark, Malone and Pierce are passengers on a luxury riverboat out of Brazil, both on the hunt for a maniacal

botanist who’s scheming to sell the spoils of his latest Amazonian excursion—a rare orchid containing a deadly neurotoxin—to the highest bidder. That means Malone and Pierce have the length of the river boat cruise to stop him before the poison falls into the wrong hands. It’s definitely an action-packed several hours. NEW YORK TIMES BESTSELLER • An archaeological expedition digging where it shouldn’t ... A crown so powerful it is rumored to be cursed ... And the one man who can explain it all ... Deep in a nearly impassable swamp south of the Egyptian border, an archaeological team is searching for the burial chamber of King Narmer, the fabled pharaoh. Narmer's crown might be buried with him: the elusive "double" crown of the two Egypts. Amid the nightmarish, disorienting tangle of mud and dead vegetation, strange things begin to happen. Could an ancient curse be responsible? Jeremy Logan, history professor and master interpreter of bizarre and inexplicable enigmas, is brought onto the project to investigate. What he finds raises fresh questions ... and immediate alarm.
