IDIOT GENIUS Willa Snap and the Clockwerk Boy
Penguin

We are alone. That is the verdict, after centuries of Search for Extra-Terrestrial

Intelligence missions and space exploration. The only living things in the Universe are found on the Nine Worlds settled from Earth, and the starships that knit them together. Or so it's believed, until Dr. Kimberly Brandywine sets out to find what happened to her clone-sister Emily, who, after the final, unsuccessful manned SETI expedition, disappeared along with the rest of her ship's crew. Following a few ominous clues, Kim discovers the ship's log was faked. Something happened out there in the darkness between the stars, and she's prepared to go to any length to find answers. Even if it means giving up her career...stealing a starship...losing her lover. Kim is about to discover the truth about her sister -- and about

more than she ever dared imagine. *Ancient Shores* Bonnier Zaffre Ltd. This "exuberant celebration of Black women's joy as well as their achievements" (Kate Quinn, New York Times bestselling author) novelizes the life of real estate magnate Josephine N. Leary in a previously untold story of passion, perseverance, and building a legacy after emancipation in North Carolina. Josephine N. Leary is determined to build a life of her own and a future for her family. When she moves to Edenton, North Carolina, from the plantation where she was born, she is free, newly married, and ready to follow her dreams. As the demands of life pull Josephine's attention away, it becomes increasingly difficult for her

to pursue her real estate aspirations. She finds herself immersed in deepening her marriage, mothering her daughters, and being a dutiful daughter and granddaughter. Still, she manages to teach herself to be a businesswoman, to manage her finances, and to make smart investments in the local real estate market. But with each passing year, it grows more and more difficult to focus on building her legacy from the ground up. "Filled with passion and perseverance, Josephine Leary is frankly a woman that everyone should know" (Sadeqa Johnson, author of *Yellow Wife*) and her story speaks to the part of us that dares to dream bigger, tear down whatever stands in our way, and build something better for the loved ones we leave

behind.

Idiot Genius: Willa Snap and the Clockwerk Boy is the first book in a new sci-fi polypunk series by Richard Due, author of the award-winning Moon Realm series. What's it about? Here's Willa (she's eleven): Ever wonder why some crazy scientist hasn't blown up the world? I used to wonder about it all the time. Actually, I was pretty sure my mom would be the one to do it. But now I know better. It turns out there's a force working hard to keep the world from going

KABLOOEY. Who are these people? Wait for it: Idiots. Yep, you heard me right. How do I know? Well, apparently, I'm an Idiot. At least, according to the Geniuses I am. Confused? I'm not surprised. You're probably an Idiot too. It all began on a Thursday at precisely 8 a.m. I was standing in the family room of our lovely two-story house, directly across the street from Squirrel Brand Park in Cambridge, Massachusetts. The same family room that, in a few minutes, I would never ever, ever see again.

Firebird Penguin

It turned up in a North Dakota wheat field: a triangle, like a shark's fin, sticking up from the black loam. Tom Lasker did what any farmer would have done. He dug it up. And discovered a boat, made of a fiberglass-like material with an utterly impossible atomic number. What it was doing buried under a dozen feet of prairie soil two thousand miles from any ocean, no one

knew. True, Tom Lasker's wheat field had once been on the shoreline of a great inland sea, but that was a long time ago -- ten thousand years ago. A return to science fiction on a grand scale, reminiscent of the best of Heinlein, Simak, and Clarke, *Ancient Shores* is the most ambitious and exciting SF triumph of the decade, a bold speculative adventure that does not shrink from the big questions -- and the big answers.
