My name is Ada Palomino. By day, I'm studying my ass off at design school in Portland, Oregon. By night, I'm slaying demons and ghosts who have dared to slip through the Veil. Or at least, that's what I should be doing. The problem is Jay, who also happened to be my immortal guardian and now ex-boyfriend, was banished from being with me. And now my new trainer is a previously dead friend of mine that I helped bring back to life. With both of us nursing broken hearts, we embark on a road trip to New Orleans to help him win back his long lost love. As if that's not tricky enough, we're also being hunted by a demon with a grudge, and I'm not sure if all the training in the world is going to help me. One thing for sure, the more complicated our relationship gets, the scarier things become. Whoever said love is a battlefield, never had to fight demons at the same time.

One of PopSugar's Top Summer Reads of 2021! An ordinary summer goes royally awry when a prince and princess move next door, bringing their handsome bodyguard with them, from New York Times bestselling author Karina Halle. Piper Evans: elementary school teacher by day—avid romance reader and anonymous podcaster by night. She has a quiet, reclusive life, taking care of her mother, who lives with mental illness, avoiding her regrettable ex, who bartends in town, and trying to make inroads in the tight-knit island community that still sees her, five years in, as an outsider. And she's happy with how things are—really—until British royals rent the property next to hers and their brooding bodyguard decides she's a security threat. Piper quickly realizes that one person's fairy tale is an ordinary woman's nightmare as a media frenzy takes over the island and each run-in with Harrison Cole is hotter and more confusing than the last. But beneath Harrison's no-nonsense exterior lies a soft heart, one that could tempt a woman who's sworn off attachments into believing in white knights. But when Piper finds herself smack in the middle of a royal scandal that rocks the island she'll need more than Harrison's strong arms to shield her—she'll have to do a little rescuing herself. With careers, hearts, and friendships on the line, Piper and Harrison will have to decide what they're willing to give up for a chance at their own happily ever after.

To a restless dreamer like Vera Miles, it sounded like the experience of a lifetime. Instead of spending her summer interning for her astronomy major, she would fly to Spain where she'd spend a few weeks teaching conversational English to businessmen and women, all while enjoying free room and board at an isolated resort. But while Vera expected to get a tan, meet new people and stuff herself with wine and paella, she never expected to fall in love. Mateo Casalles is unlike anyone Vera has ever known, let alone anyone she's usually attracted to. While Vera is a pierced and tatted free spirit with a love for music and freedom, Mateo is a successful businessman from Madrid, all sharp suits and cocky Spanish charm. Yet, as the weeks go on, the two grow increasingly close and their relationship changes from purely platonic to something more.
