Why Weight Loss Diets Fail | SELF

Dr. Yoni Freedhoff is no stranger to the failed diet. But with his book, 'The Diet Fix', he hopes to encourage us to re-think our approach to healthier eating. All diets require effort; however, that can take many forms. Planning or

organizing a new diet regimen, making a point of cooking more meals instead of ordering take-out, or being more mindful of the kinds of foods you’re picking up from the supermarket are all examples of the kind of effort necessary to chart a healthier, more sustainable course.
