Unity and Plurality presents novel ways of thinking about plurality while casting new light on the interconnections among the logical, philosophical, and linguistic aspects of plurals. The volume brings together new work on the logic and ontology of plurality and on the semantics of plurals in natural language. Plural reference, the view that definite plurals such as 'the students' refer to several entities at once (the individual students), is an approach favoured by logicians and philosophers, who take sentences with plurals ('the students gathered') not to be committed to entities beyond individuals, entities such as classes, sums, or sets. By contrast, linguistic semantics has been dominated by a singularist approach to plurals, taking the semantic value of a definite plural such as 'the students' to be a mereological sum or

set. Moreover, semantics has been dominated by a particular ontological view of plurality, that of extensional mereology. This volume aims to build a bridge between the two traditions and to show the fruitfulness of nonstandard mereological approaches. A team of leading experts investigates new perspectives that arise from plural logic and non-standard mereology and explore novel applications to natural language phenomena.

An Epistolary Correspondence Between S.P. and R.S. Relating to the Letters on Theron and Aspasio
Hachette Books

The Difference Between You and Me is Sex and the City meets The Player. When two vastly different women-one a ruthless go-getter, the other an unambitious script reader-find their lives intertwined, a startling revelation turns their mutual loathing to grudging respect, then real friendship as they discover the boundless rewards of human connection. With her sly and generous wit, Kathleen DeMarco has written a modern-day comedy of manners, an insider's take on Hollywood protocol and prestige.

How do you design a research project?

What is the difference in method between qualitative and quantitative research? How

should psychologists go about considering the ethics of research methodology? For the 'students who ask questions', this concise text provides an informative introduction to the methods of psychological research, offering an overview of the primary stages in research. From learning how to construct the initial aims and criterion of a study to presenting the final resulting data into tables and graphs, this book aims to guide psychologists through the tools that make psychological research and the understanding of its resulting data possible. Written with enthusiasm and lucidity, Walker guides readers through the appropriate methods for undertaking research, explaining the discerning features of the core types of research, the primary measurements of statistics such as the chi-squared, t and Mann-Whitney U tests and brings an apt consideration of what makes a psychological study ethical. Whether desiring to learn about how to empirically record and measure the psychological experience of an individual or the behavioural factors of an entire population, *Research Methods and Statistics* is the introductory short-text for learning how to undertake successful research. This title stands as part of the Insights series edited by Nigel Holt and Rob Lewis, containing versatile, quick guides to the cornerstone theories, main topics and theoretical perspectives of their subjects and are useful for pre-undergraduate students looking to find incisive introductions to subjects that they may be considering for undergraduate study or those looking for helpful preparatory reading for undergraduate modules in the prospective subject. Also useful for undergraduate psychology-students who feel that they could benefit from some background reading in this often less-understood area

of psychology.

Living Inside Prison Walls Random House
In Richard O'Rawe's stunning debut novel, as audacious and well executed as *Ruictions'* plan to rob the National Bank itself, a new voice in Irish fiction has been unleashed that will shock, surprise and thrill as he takes you on a white-knuckle ride through Belfast's criminal underbelly. Enter the deadly world of tiger kidnappings, kangaroo courts, money laundering, drug deals and double-crosses. *Northern Heist* is a roller-coaster bank robbery thriller with twists and turns from beginning to end.

Weekly Compilation of Presidential Documents Bloomsbury Publishing

This is a story of a nonpareil juvenile who saw many ups and downs in her childhood life and struggled for her education. Her mother brought her up after her father's death. She lived a very short period of life with mother but before dying, her mother handed over her to her cousin who lived in America. She continued her studies there but she came in trouble when her granny sold her to pimps. Further, that gang of pimps sold her to Marten, who was a high class prostitute, for sending her to Dubai. However, one Russian man saved her from the prostitution. He bought her from Marten and purveyed her like a daughter and Olga was happy with him. Once again a strange anomaly happened; she was kidnapped by that gang of pimps but this time she was saved by her boyfriend. Fate changed its side and again she adopted prostitution for saving the life of her

under Marten served her in front of Allan Pearson who was a Hollywood Director. He was astonished seeing her beauty. He helped her and offered her film to play a lead role. She denied but when he made her understand, she accepted his proposal after discussing with her father-like. He gave her an international podium and then she was a popular personality. Again she took a U-turn. She left America after completing her studies. When she reached Russia, she came across her second childhood friend. He deflowered her and Olga tried to attempt suicide but Igor stopped her and gave her full support. Finally, she joined the Russian Army after leaving the world of glamour and fulfilled the dream of her parents. She married with Igor and kept living a very happy life with him.

Every one of us has influence, whether we realize it or not. In everything we say and do, we are influencing those around us. What if we became more aware, more intentional, and more strategic about our own influence? Well, we might just change the world. True influence, says Pat Williams, isn't about getting what you want--it's about serving others. Using personal stories from his own life and the lives of others, Williams shows readers the difference between influence and manipulation, how to influence others through both words and deeds, and ultimately how to change the world for the better, one relationship at a time. This book will inspire readers to build a positive legacy in the lives of others and take the role of influencer to heart. Each chapter includes questions and ideas for personal reflection and practical application, and can be used to guide group discussions as well. Includes a foreword by Joe Girardi, manager of the New York Yankees. *The Difference Between* Leadstart Publishing Pvt Ltd

“ Full of yearning, ponderances about art and what it means to be an artist,

and self-revelation, *A Scatter of Light* has a simmering intensity that makes it hard to put down.”—NPR An Instant New York Times Bestseller Last Night at the Telegraph Club author Malinda Lo returns to the Bay Area with another masterful queer coming-of-age story, this time set against the backdrop of the first major Supreme Court decisions legalizing gay marriage. Aria Tang West was looking forward to a summer on Martha’s Vineyard with her best friends—one last round of sand and sun before college. But after a graduation party goes wrong, Aria’s parents exile her to California to stay with her grandmother, artist Joan West. Aria expects boredom, but what she finds is Steph Nichols, her grandmother’s gardener. Soon, Aria is second-guessing who she is and what she wants to be, and a summer that once seemed lost becomes unforgettable—for Aria, her family, and the working-class queer community Steph introduces her to. It’s the kind of summer that changes a life forever. And almost sixty years after the end of *Last Night at the Telegraph Club*, *A Scatter of Light* also offers a glimpse into Lily and Kath’s lives since 1955.

A Scatter of Light Penguin

Men are losing their masculinity. Guys are urged to get in touch with their "feminine" side at the expense of the traditional attributes that make men "male." Not only has "manliness" become a dirty word in a society of beta males and couch potatoes, but there's actually less and less of it in the blood of too many American men, with studies showing declines in average testosterone levels over the past 20 years. Today's men need a

major adjustment of alpha attitude, and "Alpha Male Challenge" is the 10-week plan for reclaiming the masculine, competitive edge guys need to be on top of their game in every aspect of their lives. It's the new blueprint for the "true" Alpha Male--the ideal of masculine excellence today. More than just another fitness book, this three-part exercise, diet, and mind-set overhaul features: the revolutionary MaleScale assessment questionnaire that measures the physical and mental traits that define the true Alpha Male; a step-by-step regimen to develop the Four C's of Alpha Attitude: commitment, confidence, courage, and conscience; the Alpha Wave Basic Training program to build muscle, burn fat, and produce testosterone; the Work Heart/ Play Heart cardio system; and the Alpha Fuel Solution, a convenient approach to food and supplements with simple Fuel Rules based on what the human body was designed to eat over the past 2.5 million years, tweaked with cutting edge innovations. This is a straightforward instruction manual to build the kind of man these hard times demand: ruggedly powerful and supremely confident. It will help guys become more successful in their workouts, in their careers, and even in their relationships, as they learn to embody the everyday heroism of the true Alpha Male.

"Sweet, tender, and true!" - Laurie Halse Anderson Jesse cuts her own hair with a Swiss Army knife. She wears big green fisherman's boots. She's the founding (and only) member of NOLAW, the National Organization to Liberate All Weirdos. Emily wears sweaters with faux pearl buttons. She's vice president of the student council. She has a boyfriend. These two girls have nothing in common, except the passionate "private time" they share every Tuesday afternoon. Jesse wishes their relationship could be out in the open, but Emily feels she has too much to lose. When they find themselves on opposite sides of a heated school conflict, they each have to decide what's more important: what you believe in, or the one you love?

The Difference Between You and Me Miramax Books

Jess and Ben are twins. Jess is a girl and Ben is a boy but in all the BIG ways, there is NO difference between them! Combining cheerful illustrations and a familiar narrative, this book will help children to understand that, fundamentally, people are more the same than they are different. Children are visual learners and the match between illustrations and text in this story will assist them in recognizing that we are all human - everyone feels, and everyone has hopes and dreams. Our gender should never label us or limit our potential. Throughout the text, open-ended questions are provided so children can voice their own experiences. Further in-depth Discussion

Questions are provided encouraging the reader and the child to consider each scenario, and engage with the message.

ISIS ' s Ideological Project (Examining ISIS ' s perception of religious texts through rhetorical discourse analysis) Ric Steininger

"Explores how industry has manipulated our most deep-seated survival instincts."—David Perlmutter, MD, Author, #1 New York Times bestseller, Grain Brain and Brain Maker The New York Times – bestselling author of Fat Chance reveals the corporate scheme to sell pleasure, driving the international epidemic of addiction, depression, and chronic disease. While researching the toxic and addictive properties of sugar for his New York Times bestseller Fat Chance, Robert Lustig made an alarming discovery—our pursuit of happiness is being subverted by a culture of addiction and depression from which we may never recover. Dopamine is the “reward” neurotransmitter that tells our brains we want more; yet every substance or behavior that releases dopamine in the extreme leads to addiction. Serotonin is the “contentment” neurotransmitter that tells our brains we don ’ t need any more; yet its deficiency leads to depression. Ideally, both are in optimal supply. Yet dopamine evolved to overwhelm serotonin—because our ancestors were more likely to survive if they were constantly motivated—with the result that constant desire can chemically destroy our ability to feel happiness, while sending us down the slippery slope to addiction. In the last forty years, government legislation and subsidies have promoted ever-

available temptation (sugar, drugs, social media, porn) combined with constant stress (work, home, money, Internet), with the end result of an unprecedented epidemic of addiction, anxiety, depression, and chronic disease. And with the advent of neuromarketing, corporate America has successfully imprisoned us in an endless loop of desire and consumption from which there is no obvious escape. With his customary wit and incisiveness, Lustig not only reveals the science that drives these states of mind, he points his finger directly at the corporations that helped create this mess, and the government actors who facilitated it, and he offers solutions we can all use in the pursuit of happiness, even in the face of overwhelming opposition. Always fearless and provocative, Lustig marshals a call to action, with seminal implications for our health, our well-being, and our culture.

In Court of Appeals Dark Ink

This book deconstructs ISIS's narrative in order to demonstrate how ISIS appropriates the past, interprets the present, and visualises the future for Arab Muslims. This project depends on the rhetorical analysis by taking all speeches written and delivered by Abu Muhammad al-Adnani, ISIS's media spokesman from 2011 until 2016, as a case study. ISIS's rhetoric shows that the group has been frozen in time and space; it relies on opposite dualities in managing the affairs of life, and puts the laws of God against the laws of man as a belief to establish the Caliphate. To do that, it borrows heavily but selectively from the Islamic laws based on the teachings

of the Qur'an and Sunnah, and imposes the past on the present to reach the utopia it promises to establish. The analysis aims to highlight the congruences -if any- between the view of some people and the vision of ISIS in terms of the audience's interpretations of such extremist ideology regarding the 'other', Shar'ia, Caliphate, and Jihad. The analysis acknowledges the intricate and complex network that connects extremist ideas and ideologies with existing, mainstream ideas such as the anti-Shi'ite sentiment. The analysis demonstrates the need for developing a participatory communicative space for dialogue among people and between people and other actors, be it state, international organisations, or civil society.

On Chanting, Presence and Releasing Hard Justice The Violation

Are advantaged offenders defenseless against the harshness of prison life? Based upon a qualitative study of the prison adjustment of advantaged offenders—those who, prior to prison, possessed college degrees and held high status occupations with commensurately high incomes—this book challenges the special sensitivity hypothesis and concludes that these offenders adjust well to incarceration. The author compared a group of advantaged offenders to a similar group of nonadvantaged offenders, both drawn from New York State prisons, and discovered that the advantaged offenders exhibited little (if any) engagement in institutional misconduct. They also adopted effective coping strategies. DeRosia presents a thematic analysis of in-depth, focused interviews with both subsamples, as well as vignettes based upon those interviews. Her findings reveal that advantaged offenders hold a perspective on doing time, including

prescriptions for avoiding trouble, and family and loved ones ... and all that
make conscious efforts to avoid trouble by you hold dear. ”

using time beneficially. This study
contains the most current statistics
available on corrections in the U.S.,
including its organization, the
overcrowding crisis, and prisoner profiles.
The nature of life in prison and prior
research on adjustment are also examined.

The Curse of the Undead - Selected
Vampire Books and Legends
Bloomsbury Publishing

This book is centred around the
incredible prospect that as born again
believers we have capacity to initiate
Moves of God; Outpourings of the
Spirit and Revivals of God. That you
and I have capacity inherent within us,
through the Blood and gifted Holy
Spirit ... to release the Salvation of the
Lord. Over the generations, Christian
culture has held the vision of looking
only up to God in times of need. When
it has been God, all this time, who has
been longing to reposition you.
Reposition and restore you back in
realms of Dominion, where you release
the Power of God. Today, as we look
about the world, there is so much grief
and sorrow. So much evil spreading
across the land. But you and I, we are
not alone ... we are not orphans!
Hence I so deeply encourage you now
is the time to enter into your true
identity. To rise up in your sonship
' revealed ' — as Child of the Living
God. As is said: “ For creation waits in
eager expectation for the children of
God to be revealed. ” Jesus came to
“ Pour out Fire on the earth ” . And what
is that ... this Fire? But to walk in the
Glory of God where you make change,
where you move Heaven and earth ...
where you trigger great moves of God.
“ You are a stepping-stone of God ' s
Glory on earth. A portal for your
